The Little Class with the Big Personality Fran Hunnisett, 2005 Annotation Professional but readable overview of an early years class for children with autism Provides both teacher's viewpoint and parents perspectives Celebrates the personalities of children with autism

American Book Publishing Record, 2004

The Transitional Social Art Group Eleni Konstantinidou, 2014-10-20 According to various research data transition from primary to secondary school causes concern to many children Jindal Snape 2010 This is more intense in the case of children with autism because of their difficulty to face changes Al Ghani in this case they could be prepared to provide practical and social support to peers with autism communication difficulties during this transition under adult supervision In this way this programme could also contribute to the prevention or elimination of bullying In the present book there is an analytical presentation of the Transitional Social Art Group Programme addressed to practitioners or parents of children with autism Additionally it could be implemented for children having communication or adjustment difficulties due to other reasons The Transitional Social Art Group Programme can be used during other transitions too

The British National Bibliography Arthur James Wells, 2006

Autism - The Eighth Colour of the Rainbow, 2004 Through her questioning of traditional approaches regarding autism and with determination and patience Florica Stone has been able to develop a satisfying and supportive two way channel of communication with her autistic son In *Autism The Eighth Colour of the Rainbow* Florica shows how shared meanings can be learnt and expressed between autistic and non autistic individuals though they experience radically different perceptions of reality Through interacting with and listening to her autistic friends and son she began to understand the autistic learning style and to decipher the various behavioural needs that arise from their particular sensory processing In this inspiring much needed practical guide she presents ways of creating autistic friendly environments modifying habitual or traditional responses to autistic behaviour using forms of literal learning and provides many useful examples and exercises This book will help parents teachers and

professionals to learn how to interact positively with autistic children and bring about long lasting changes
