White, 2016-04-18 It is all very well that remarkable persons should occupy themselves with exalted subjects which are out of the ordinary road which ordinary humanity treads; but we who are not remarkable make a very great mistake if we have anything to do with them. If we wish to be happy and have to live with average men and women as most of us have to live, we must learn to take an interest in the topics which concern average men and women. We think too much of ourselves. We ought not to sacrifice a single moment's pleasure in our attempt to do something which is too big for us, and as a rule men and women are always attempting what is too big for them. To ninety-nine young men out of a hundred or perhaps ninety-nine thousand nine hundred and ninety-nine out of a hundred thousand the wholesome healthy doctrine is: Don't bother yourselves with what is beyond you; try to lead a sweet, clean, wholesome life; keep yourselves in health; above everything, stick to your work; and when your day is done, amuse and refresh yourselves.
