Unfettered Spirit Robert D. Cornwall, 2021-07-19 2nd Expanded Edition All too frequently studies of the gifts of the

Spirit consist largely of answering two questions What are the gifts and Which ones do I have In many cases studies go on to a third question How can I get more In response institutional churches and theologically and intellectually respectable Christians often tend to avoid the work of the Holy Spirit in the church entirely It s much easier to simply close the doors and windows than it is to deal with the wind John 3 8 After all they ve seen the wind blow out the candles disarrange the altar vestments and send a chill through the congregants Author pastor and church historian Bob Cornwall has experienced all of this for himself He has seen traditional churches and worship He has seen Pentecostal worship He has led congregations in difficult times For more than 30 years he has studied practiced prayed and lived the work of the Holy Spirit in the church The result is *Unfettered Spirit Spiritual Gifts for the New Great Awakening* Here he avoids both the errors of replacing the freedom of the Spirit with human whim and of trying to tame or confine the Spirit that will not be fettered He asks Do you truly believe that God is present in the world And do you believe that God is working through us to break down the walls that divide us from God from each other and from the world And if you do do you believe that you have been gifted and empowered to participate in this ministry that takes down the walls of egoism suspicion greed self interest and hatred If you can say yes to these questions jump right in This is the book for you If you are hesitant or if the idea of the Holy Spirit working unfettered in your congregation and community frightens you read the first four chapters carefully as Bob lays the theological foundation You may find your maybe or even your no turned into a yes Building on this foundation Bob continues with five chapters on the gifts of the Spirit as described in Scripture These are practical discussions that will let you keep your bearings in discussions of the Spirit and more importantly in a community where the Spirit is active Finally he concludes with a discussion of how to lead and pastor a church where the gifts of the Spirit are active Whether you are a Pentecostal an evangelical a mainliner a progressive or any other label you might find for yourself or your church you will profit from reading this book

Completing the Circle David R. McMahon, 2003-01-01 On his second day as association minister for the United Church of Christ David McMahon received three phone calls from lay leaders who were looking for resources on how to evaluate our minister He knew of several churches in which a poorly constructed process for evaluating the ministers had spun out of control however and had gradually come to believe it is probably better for a church not to attempt an evaluation process at all than to do one carelessly or to naively use a design intended for a secular organization Based on the needs he saw McMahon began to work with numerous congregations looking for ways to review both leaders and ministries and developed the feedback reflection process he lays out in this book Based on sound principles of effective communication this simple system of asking for descriptive feedback about various aspects of a congregation s life together takes into account the specific setting and the unique relationship between minister and congregation *Liberating Hope!:* Michael Piazza, Cameron Trimble, 2011-06-14 Accurate and strategic evidence that the decline of the mainline progressive church can be slowed and even reversed despite the challenges it is facing *Preaching Master Class* Will
