Bodies Politics And African Healing The Matter Of Maladies In Tanzania:

Bodies, Politics, and African Healing Stacey A. Langwick, 2011-06-23 This subtle and powerful ethnography examines African healing and its relationship to medical science Stacey A Langwick investigates the practices of healers in Tanzania who confront the most intractable illnesses in the region including AIDS and malaria She reveals how healers generate new therapies and shape the bodies of their patients as they address devils and parasites anti witchcraft medicine and child immunization Transcending the dualisms between tradition and science culture and nature belief and knowledge Langwick tells a new story about the materiality of healing and postcolonial politics This important work bridges postcolonial theory science public health and anthropology Medicine, Faith and Politics in Agogo Pascal Schmid, 2018 Medicine Faith and Politics in Agogo examines the development of health care delivery at a former mission hospital in Ghana It reveals the configurations of interests values and ideologies that shaped the development and implementation of health care practices strategies and concepts By providing an in depth analysis the book contributes a particular perspective on the history of health care delivery in rural Africa and beyond It addresses topics that are still heavily under researched These include the decolonisation of health care as well as the development and implementation of medical concepts for developing countries such as primary health care Dissertation Series Swiss African Studies Schweizerische Afrikastudien Etudes africaines suisses Vol 13 Subject African Studies History Religious Studies Health Care Studies Sociology **At Ansha's** Daria Trentini, 2021-07-16 At Ansha s takes the reader inside the spirit mosque of a female healer in Nampula northern Mozambique It is here that Ansha a Makonde spirit healer heals the resisting ailments of her patients discloses pieces of her story of affliction and healing and engages the world outside her mosque We come to know Ansha s experiences as revolutionary and migrant her religious trajectories family the healers who cured her the spirits who possessed her and her declining health We follow Ansha s shifts in her life and work in the mosque as these intersect with the visible and invisible borders of Mozambique and of its fraught history Confronting events in her life and in the mosque between 2009 and 2016 Ansha invites us to make meaning with her as we sit in her mosque and engage with her family spirits friends patients and world African Socialism in Postcolonial Tanzania Priya Lal, 2015-12-01 Drawing on a wide range of oral and written sources this book tells the story of Tanzania s socialist experiment the ujamaa villagization initiative of 1967 75 Inaugurated shortly after independence ujamaa familyhood in Swahili both invoked established socialist themes and departed from the existing global repertoire of development policy seeking to reorganize the Tanzanian countryside into communal villages to achieve national development Priya Lal investigates how Tanzanian leaders and rural people creatively envisioned ujamaa and documents how villagization unfolded on the ground without affixing the project to a trajectory of inevitable failure By forging an empirically rich and conceptually nuanced account of ujamaa African Socialism in Postcolonial Tanzania restores a sense of possibility and process to the early years of African independence refines prevailing theories of nation building and

development and expands our understanding of the 1960s and 70s world Medicine, Mobility, and Power in Global Africa
Hansjörg Dilger, Abdoulaye Kane, Stacey Ann Langwick, 2012-10-08 Recent political social and economic changes in Africa have provoked radical shifts in the landscape of health and healthcare Medicine Mobility and Power in Global Africa captures the multiple dynamics of a globalized world and its impact on medicine health and the delivery of healthcare in Africa and beyond Essays by an international group of contributors take on intractable problems such as HIV AIDS malaria and insufficient access to healthcare drugs resources hospitals and technologies The movements of people and resources described here expose the growing challenges of poverty and public health but they also show how new opportunities have been created for transforming healthcare and promoting care and healing **African Witchcraft and Global Asylum-Seeking** Katherine Luongo, 2023-04-17 This book analyzes how over the last two decades immigration regimes in three primary refugee receiving states in the Global North Canada Australia and the United Kingdom have engaged with allegations about witchcraft driven violence made by asylum seekers coming from Anglophone countries across the African continent The work intervenes at the nexus of anthropological historical legal developmental and human rights literatures to offer fresh insights into extrajudicial violence and global migration Taking witchcraft based asylum cases as its focal point it argues that the recent dramatic expansion in claims to refugee protection under the particular social group category of the 1951 UN Refugee Convention reflects immigration authorities increasing willingness to consider how legally recognizable persecution can derive from cultural practices and beliefs Reflecting critically on such cases it advances understandings of how witchcraft beliefs and practices have persisted as significant engines of violence in the contemporary world It sheds light both on the limits of legal pluralism and cultural relativism in asylum adjudication and on how social scientific expertise contributes not simply to the flow of ideas but also to the channelling of people across national cultural and epistemological boundaries The book will be essential reading for students and researchers in legal anthropology African studies human rights transnational history migration and refugee law and policy and the history and anthropology of witchcraft Fierce Medicines, Fragile Socialities Dominik Mattes, 2019-08-01 Set in Tanga a city on the Tanzanian Swahili coast Dominik Mattes examines the implementation of antiretroviral HIV treatment ART in the area exploring the manifold infrastructural and social fragilities of treatment provision in public HIV clinics as well as patients multi layered struggles of coming to terms with ART in their everyday lives Based on extensive ethnographic fieldwork the book shows that notwithstanding the massive rollout of ART providing treatment and living a life with HIV in settings like Tanga continue to entail social economic and moral challenges and long term uncertainties which contradict the global rhetoric of the normalization of HIV Health and Wealth on the Bosnian Market Larisa Jašarevic, 2017-01-30 Larisa Jasarevic offers an unforgettable look at the everyday experiences of people living in post socialist post war Bosnia Not at all existing on the world's margins Bosnians today are concerned with the good life and are as entangled in consumer debt as everyone else The insecurities of living in an economy

dominated by informal networks of trade personal credit and indebtedness are experienced by Bosnians in terms of physical ailments some not recognized by Western medical science Jasarevic follows ordinary Bosnians in their search for treatment from use of pharmaceuticals to alternative medicines and folk healers of various kinds Financial well being and health are woven together for Bosnians and Jasarevic adeptly traces the links between the two realms In the process she addresses a number of themes that have been important in studies of life under neoliberalism in other parts of the world *An Anthropology of Biomedicine* Margaret M. Lock,Vinh-Kim Nguyen,2018-01-09 In this fully revised and updated second edition of *An Anthropology of Biomedicine* authors Lock and Nguyen introduce biomedicine from an anthropological perspective exploring the entanglement of material bodies with history environment culture and politics Drawing on historical and ethnographic work the book critiques the assumption made by the biological sciences of a universal human body that can be uniformly standardized It focuses on the ways in which the application of biomedical technologies brings about radical changes to societies at large based on socioeconomic inequalities and ethical disputes and develops and integrates the theory that the human body in health and illness is not an ontological given but a moveable malleable entity This second edition includes new chapters on microbiology and the microbiome global health and the self as a socio technical system In addition all chapters have been comprehensively revised to take account of developments from within this fast paced field in the intervening years between publications References and figures have also been updated throughout This highly regarded and award winning textbook Winner of the 2010 Prose Award for Archaeology and Anthropology retains the character and features of the previous edition Its coverage remains broad including discussion of biomedical technologies in practice anthropologies of medicine biology and human experiments infertility and assisted reproduction genomics epigenomics and uncertain futures and molecularizing racial difference ensuring it remains the essential text for students of anthropology medical anthropology as well as public and global health *Artemisia annua* Tariq Aftab,M. Naeem,M. Masroor A. Khan,2017-12-14 *Artemisia annua* is a well known medicinal plant that has been utilized for a number of purposes including malaria for centuries This is the first comprehensive book to cover the importance of *Artemisia annua* in the global health crisis and in the treatment against diseases A component and extract artemisinin is the source of other derivatives which are also suitable for pharmaceutical use The present demand for artemisinin far outpaces its supply Researchers are working globally towards improving artemisinin content in the plant by various means *Artemisia annua* Prospects Applications and Therapeutic Uses highlights the different approaches including omics that are being used in current research on this immensely important medicinal plant Providing comprehensive coverage of the agricultural and pharmaceutical uses of this plant *Artemisia annua* will be essential reading for botanists plant scientists herbalists pharmacognosists pharmacologists and natural product chemists

Bodies Politics And African Healing The Matter Of Maladies In Tanzania: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. Bodies Politics And African Healing The Matter Of Maladies In Tanzania : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
