Bodies Sex Violence Disease And Death In Contemporary Legend:

Bodies Gillian Bennett, 2009-09-18 Because they are so often told as news contemporary legends force us to reevaluate life as we know it They confront us with macabre fantastic horrific or hilarious characters and events that seem to come straight out of myths and folktales but are presented as present day events The difficulty is that it is not at all easy to decide whether these often disturbing stories should be treated as reliable or dismissed as fantasy The legends explored in this book are some of the most bizarre gruesome and politically sensitive stories in the contemporary legend canon At any moment a body may be invaded by noxious creatures deliberately infected with deadly disease or raided to provide donor organs for sick foreigners These are winter s tales the stuff of nightmares In this book Gillian Bennett traces the cultural history of six legends well known in Europe and America from medieval times to the present day Appearing in broadsides ballads myths ancient and modern legends novels plays films television shows and stories told in the oral tradition these legends are not just silly tales which can be dismissed as trivial and untrue They reveal much about the concerns and fears of everyday life and demonstrate the limits of knowledge and power in the modern world

Encyclopedia of Urban Legends Jan Harold Brunvand, 2012-07-16 This revised edition of the original reference standard for urban legends provides an updated anthology of common myths and stories and presents expanded coverage of international legends and tales shared and popularized online From roasted babies to vanishing hitchhikers to housewives in football helmets this exhaustive and highly readable encyclopedia provides descriptions of hundreds of individual legends and their variations examines legend themes and explains scholarly approaches to the genre Revised and expanded to include updated versions of the entries from the award winning first edition this work provides additional entries on a wide range of new topics that include terrorism recent political events and Hurricane Katrina Entries in Encyclopedia of Urban Legends Updated and Expanded Edition discuss the presence of urban legends in comic books

literature film music and many other areas of popular culture as well as the existence of too good to be true stories in Argentina China Italy Japan Mexico and several other countries Serving as both an anthology of stories as well as a reference work this encyclopedia will serve as a valuable resource for students and a source book for journalists professional folklorists and others who are researching or interested in urban legends

What Happens Next? Gail de Vos, 2012-06-26 This fascinating book uncovers the history behind urban legends and explains how the contemporary iterations of familiar fictional tales provide a window into the modern concerns and digital advancements of our society What do ghost hunting legend tripping and legendary monsters have in common with email hoaxes chain letters and horror movies In this follow up to Libraries Unlimited's Tales Rumors and Gossip Exploring Contemporary Folk Literature in Grades 7-12 author Gail de Vos revisits popular urban legends and examines the impact of media online social and broadcast on their current iterations What Happens Next Contemporary Urban Legends and Popular Culture traces the evolution of contemporary legends from the tradition of oral storytelling to the sharing of stories on the Internet and TV The author examines if the popularity of contemporary legends in the media has changed the form role and integrity of familiar legends In addition to revisiting some of the legends highlighted in her first book de Vos shares new tales in circulation which she sees as a direct result of technological advancements

Sexual Violence Against Children in Britain Since 1965 Nick Basannavar, 2021-11-30 This book investigates the changes and continuities in the ways in which sexual violence has been interpreted and represented in Britain since 1965 It explores the representational trail of the Moors murders and subsequent trial of 1966 the emergence of age of consent abolitionism in the 1970s Cleveland's child sexual abuse crisis of 1987-8 and 2010 and 20s contemplations on the Jimmy Savile scandal Harnessing research into popular media forms and a huge range of personal political and professional records Nick Basannavar carefully parses and illustrates the ways in which journalists medical workers politicians lobbyists and other groups assembled and animated their narratives revealing complex rhetorical and emotional processes This book challenges problematic conceptual dichotomies such as silence noise or ignorance knowledge It shows instead that although categories such as child sexual abuse and paedophilia may be relatively recent linguistic value constructs sexual violence against children has existed and been represented across historical moments in changeable and challenging ways

Narrating the Sex Trade Tracie L. Wilson, 2025-09-30 Examining a range of sex trade accounts from state documents activist groups folk narratives and key figures in Polish Ukrainian and Yiddish literature this book applies new materialist perspectives to cultural history coloniality and imperialism in the study of Europe's eastern borderlands The text centers on late nineteenth and early twentieth century contexts with eastern Galicia and Lviv as its focal point However these narratives flow across time and space stretching back to the early modern period and continuing to the present across cities in the Americas in Asia and along the Mediterranean Sea The book addresses the convergence of sex trade stories with older narratives including links to early modern abduction accounts and antisemitic tropes It also examines the involvement

of prominent activists whose personal lives contributed to modern research in psychology and sexuality such as Bertha Pappenheim Anna O and Karl M Baer Its groundbreaking approach unsettling notions of center and periphery is relevant to study of a myriad of geographic contexts worldwide and to both historical analysis and present day situations This volume is intended for undergraduates postgraduates specialists and general readers interested in east central Europe gender coloniality imperialism migration technology and modernity narrative and literary studies and new materialist approaches

The Global Grapevine Gary Alan Fine,Bill Ellis,2013-02-01 Far from mere idle tales rumors are a valuable window into our anxieties and fears Rumors let us talk as a community about some very inflammatory issues issues that may be embarrassing or disturbing to discuss allowing us to act as if we are talking about real events not personal beliefs We can air our hidden fears and desires without claiming these attitudes as our own In *The Global Grapevine* two leading authorities on rumor folklore and urban legend Gary Alan Fine and Bill Ellis shed light on what contemporary rumors can tell us about the fears and pressures of globalization In particular they examine four major themes that emerge over and over again rumors about terrorism about immigration about international trade and about tourism The authors analyze how various rumors underscore American reactions to perceived global threats show how we interpret our changing world and highlight fears fantasies and cherished beliefs about our place in the world Along the way the book examines a wide variety of rumors that the Israelis were behind 9 11 the President knew of the attack in advance tourists wake up in foreign countries with their kidneys stolen foreign workers urinate in vats of beer destined to be shipped to America These rumors the authors argue reflect our anxieties and fears about contact with foreign cultures whether we believe foreign competition to be poisoning the domestic economy or that foreign immigration to be eroding American values Rumors are the visible tip of a vast iceberg of hidden anxieties Illuminating the most widely circulated rumors in America in recent years *The Global Grapevine* offers an invaluable portrait of what these tales reveal about contemporary society

The Nail in the Skull and Other Victorian Urban Legends Simon Young,2022-06-27 Winner of the 2023 Brian McConnell Book Award from the International Society for Contemporary Legend Research In the last fifty years folklorists have amassed an extraordinary corpus of contemporary legends including the Choking Doberman the Eaten Ticket and the Vanishing Hitchhiker But what about the urban legends of the past These legends and tales have rarely been collected and when they occasionally appear they do so as ancestors or precursors of the urban legends of today rather than as stories in their own right In *The Nail in the Skull and Other Victorian Urban Legends* Simon Young fills this gap for British folklore and for the wider English speaking world of the 1800s Young introduces seventy Victorian urban legends ranging from Beetle Eyes to the Shoplifter s Dilemma and from Hands in the Muff to the Suicide Club While a handful of these stories are already known the vast majority have never been identified and they have certainly never received scholarly treatment Young begins the volume with a lengthy introduction assessing nineteenth century media emphasizing the importance of the written word to the perpetuation and preservation of these

myths He draws on numerous nineteenth century books periodicals and ephemera including digitized newspaper archives particularly the British Newspaper Archive an exciting new hunting ground for folklorists *The Nail in the Skull and Other Victorian Urban Legends* will appeal to an academic audience as well as to anyone who is interested in urban legends

The Kiss of Death Andrea Kitta, 2019-10-15 Disease is a social issue not just a medical issue Using examples of specific legends and rumors *The Kiss of Death* explores the beliefs and practices that permeate notions of contagion and contamination Author Andrea Kitta offers new insight into the nature of vernacular conceptions of health and sickness and how medical and scientific institutions can use cultural literacy to better meet their communities needs Using ethnographic media and narrative analysis this book explores the vernacular explanatory models used in decisions concerning contagion to better understand the real fears risks concerns and doubts of the public Kitta explores immigration and patient zero zombies and vampires Slender Man HPV and the kiss of death legend as well as systematic racism homophobia and misogyny in North American culture to examine the nature of contagion and contamination Conversations about health and risk cannot take place without considering positionality and intersectionality In *The Kiss of Death* Kitta isolates areas that require better communication and greater cultural sensitivity in the handling of infectious disease public health and other health related disciplines and industries

Our Old Monsters Brenda S. Gardenour Walter, 2015-07-22 The witch the vampire and the werewolf endure in modern horror These old monsters have their origins in Aristotle as studied in the universities of medieval Europe where Christian scholars reconciled works of natural philosophy and medicine with theological precepts They codified divine perfection as warm light male and associated with the ethereal world beyond the moon while evil imperfection was cold dark female and bound to the corrupt world below the moon All who did not conform to divine goodness including un holy women and Jews were considered evil and ascribed a melancholic blood hungry and demonic physiology This construct was the basis for anti woman and anti Jewish discourse that has persisted through modern Western culture Nowhere is this more evident than in horror films where the witch the vampire and the werewolf represent our fear of the inverted other

If you ally craving such a referred **Bodies Sex Violence Disease And Death In Contemporary Legend** ebook that will come up with the money for you worth, get the completely best seller from us currently from several preferred authors.
