Body Language Expert Career:

Employee Body Language Revealed Harmony Stalter, 2010-11-15 Only 7 percent of communication is verbal and 38 percent is vocal pitch speed volume tone of voice The largest chunk then 55 percent is visual body language eye contact People form 90 percent of their opinion about you within the first 90 seconds of meeting you Understanding body language is a skill that can enhance your life This understanding can be a plus in the workplace You can know what an employee or co worker thinks and feels by examining their subconscious body language And like the world s best communicators you can have strong body language that reflects confidence competence and charisma This groundbreaking new book will make you an expert on body language You will have the ability to read people s minds Would you like to know if a co worker is interested or attracted to you when an employee or co worker is lying or telling the truth how to make instant friends and persuade and influence others This book contains proven techniques that will make people including employers and co workers like you and trust you You can use your body language to your advantage by transmitting only the messages you want people to receive This specialized book will demonstrate step by step how to use body language to your benefit in the workplace and in everyday situations Atlantic Publishing is a small independent publishing company based in Ocala Florida Founded over twenty years ago in the company president e tm s garage Atlantic Publishing has grown to become a renowned resource for non fiction books Today over 450 titles are in print covering subjects such as small business healthy living management finance careers and real estate Atlantic Publishing prides itself on producing award winning high quality manuals that give readers up to date pertinent information real world examples and case studies with expert advice Every book has resources contact information and web sites of the products or companies discussed **You Say More Than You Think** Janine Driver, Mariska van Aalst, 2011-01-04 Now You re Talking Do you want to be bulletproof at work secure in your relationship and content in your own skin If so it s more important than ever to be aware of what your body is saying to the outside world Unfortunately most of what you ve heard from other body language experts is wrong and as a result your actions may be hurting not helping you With sass and a keen eye media favorite Janine Driver teaches you the skills she used every day to stay alive during her fifteen years as a body language expert at the ATF Janine s 7 day plan and her 7 second solutions teach you dozens of body language fixes to turn any interpersonal situation to your advantage She reveals methods here that other experts refuse to share with the public and she debunks major myths other experts swear are fact Giving more eye contact is key when you re trying to impress someone Not necessarily true It s actually more important where you point your belly button This small body shift communicates true interest more powerfully than constant eye contact The steeple hand gesture will give you the upper hand during negotiations and business meetings Wrong Driver has seen this overbearing gesture backfire more often than not Instead she suggests two new steeples that give you power without making you seem overly aggressive the Basketball Steeple and the A OK Two Fingered Steeple Happy people command power and

attention by smiling just before they meet new people Studies have shown that people who do this are viewed as Beta Leaders Alpha leaders smile once they shake your hand and hear your name At a time when every advantage counts and first impressions matter more than ever this is the book to help you really get your message across **Profiling & Body**
