Soul Audrey Carlan, 2015-08-06 Editorial Reviews Reading Soul felt like I was at the theater watching a thriller because the thrill of this book is exactly that a thriller So much going on and it just kept you wanting more more and more It was so hard to put down and I just needed to find out how it was going to end Brittany's Book Blog I am so sad to see this trilogy or should I say trinity come to an end It is one of the best romantic suspense series I have read and I don't say that lightly Give Me Books I don't think Ms Carlan missed a thing in her presentation of Soul We have been given her no holds barred hot erotic tension evidence of true love and need bone chilling terror and a peek into the minds of her characters as she has proven once again that she is a literary force to be reckoned with who has a huge future ahead of her Tome Tender Book Blog You had my heart pounding hands shaking one minute and then huge smiles the next A M A Z I N G I spent many late nights reading now I'm sitting here during my lunch break with my heart in my throat as I finished the last page Freaking beautiful Hooks and Books Blog Synopsis I was a dead woman I'd finally had a glimpse of true love admiration and the kind of devotion only your soulmate your other half could provide until it was physically ripped away Taken My stalker had me and there was little hope I'd be found I knew Chase would use all his money and resources to search the ends of the Earth for me but I knew the monster I was dealing with Years of looking into the eyes of pure evil gave me the unique experience to know that my situation was dire If Chase didn't find me soon I'd be gone forever In the third and final novel in the erotic suspense Trinity Trilogy SOUL connects with the reader by providing the story through the eyes of Gillian Chase and the man that wants to own her soul but can't for she's already given it to another Everyone is on the hunt to save Gillian from the arms of a killer This book can be considered dark erotic and thrilling As in Body Trinity Trilogy Book 1 the issue of domestic violence plays heavily in the storyline and Gillian experiences many disturbing flashbacks of the past alongside tragedy the stalker brings to the present There is also a lot of love devotion and friendship As with all my books the characters will ultimately have their happily ever after Warning This book is designed for audiences 18 due to language graphic sexual content and themes that some may find disturbing SOUL is book 3 of a three part trilogy Body Trinity Trilogy Book 1 and Mind Trinity Trilogy Book 2 must be read prior to reading SOUL Mind Audrey Carlan, 2014-12-29 I'm a magnet for evil and controlling

men Chase my big business tycoon thinks he can protect me he can't No one can It became clear far too late how serious my stalker was that his threats weren't idle He proved more than once that he would do what it takes that there were no stakes too high to his sick and twisted games and delusions of worship We should have been better prepared The roses images lingerie soaked in his seed even his calling card written in blood didn't penetrate I had faith that my love could make it go away that eventually he'd be caught I was wrong In the second highly anticipated erotic suspense novel in the Trinity Trilogy MIND digs deep into the heart and psyche of Gillian and her stalker through dueling POVs While Chase and Gillian plan their wedding follow them and the entire gang as the stalker acts out his revenge and plots his attack on Gillian Chase and their friends This book can be considered dark erotic and thrilling As in Body Trinity Trilogy Book 1 the issue of domestic violence plays heavily in the storyline and Gillian experiences many disturbing flashbacks of the past alongside tragedy the stalker brings to the present There is also a lot of love devotion and friendship Warning This book is designed for audiences 18 due to language graphic sexual content and themes that some may find disturbing MIND is book 2 of a three part trilogy Body Trinity Trilogy Book 1 must be read prior to reading MIND
