Door to Glory Douglas Grady,2017-05-22 Our destiny after death is the foundation of our religious thought Religious taboos have spoiled man s pleasures and delights by inconveniencing him to obtain religious comfort Religion is based on the interaction between the etheric and physical worlds Psychic science was mysterious to our ancestors and as a consequence they misunderstood and misinterpreted it The Apostle John helps to clear up these issues in this book John was a medium for his book of Revelation

Angels like John were formerly human beings who have lived on earth and died Now they continue functioning in another world of finer vibrations Marilyn is the medium for this book In the past Moses Joshua King David prophets and biblical writers were all mediums As we are entering a new age the Apostle John shed the light of the coming changes for our world This addresses the question of how the world transforms to a more loving environment for the future and how soon it will happen Also John revealed the ending of control by the behind the scenes Dark Side that has caused an endless succession of bloody conflicts and devastating turmoil throughout human history The Apostle John also gave the following explosive revelations When the soul enters a baby The church s control of divorce The life of Jesus after the crucifixion The assassinations of John F Kennedy and Robert Kennedy Civilization on Mars Reincarnation and its removal from the Bible Earthbound souls Find out these and other fascinating truths from the Apostle John regarding the perplexing questions that have pervaded mankind through the ages **Teachings from the Sacred Triangle, Volume 2** David K. Miller, 2012-05-21 Good questions Intriguing answers The teachings continue Your planet is at a dire crossroads from a physical standpoint but from a spiritual standpoint it is experiencing a great awakening Never before have there been so many conscious lightworkers awakened spiritual beings and masters as there are on this planet now A great sense of a spiritual harmony emanates from the many starseed groups and there is also a new spiritual energy and force that is spreading throughout the planet We want to send this special Arcturian frequency to Earth because it will suddenly release energy toward higher light It is a throbbing pulsing frequency that will bring you into alignment with the Galactic Council Andromedans Pleiadians and many higher levels of etheric energy Together we will help you to remove a very powerful block from within your mind opening you very quickly and directly to receiving the light and consciousness from these other beings You will then receive ideas and images about how to do certain things and how to heal certain things in the physical Material problems business problems medical problems and political problems all aspects are now going to be open to the fifth dimensional energy and the fifth dimensional realm Be prepared for the possibilities of disruptions in your life from various sources such as political upheavals and storms As you prepare know that you are going to be sheltered and protected You will find that maintaining the energy contacts with Arcturian starseeds will create energy bridges of support that will sustain you through anything that will happen on this planet The more bridges you create the stronger your Group of Forty is going to be It is important for all of you to focus on the bridges the energy bridges that you have made in the group and the energy bridges that you make with us as a group **Fifth-Dimensional Soul Psychology** David K. Miller, 2014-08-18 Greetings I m Vywamus I m a soul psychologist In this series of lectures we will explore the meaning of soul psychology and how it relates to modern psychology More importantly we will show how soul psychology as a practice is becoming more popular and is an especially useful technique for starseeds and others who are awakening to the fact that there is reincarnation and that there are soul lessons that must be learned The basic essence of soul psychology rests with the idea that the soul is evolving and that part

of this evolution is occurring through incarnations in the third dimension Now to even speak about the soul evolving is perhaps a controversial subject because we know that the soul is eternal We know that the soul has been in existence for infinity and we know that the soul is perfect So why would the soul have to evolve The answer to this question is complex and we may not be able to totally answer it using third dimensional terminology But it is an important question to answer because the nature of soul evolution is inherently connected to your experiences in the third dimension The soul in completing its evolutionary journey needs these experiences in the third dimension and it needs to complete the lessons here through David K Miller Chapters Include Soul Evolution The Nature of the Soul Enlightenment Soul Psychology and Planetary Healing Soul Group Psychology Restoring the Self Uncovering the Mystery of the Mental Body Negative Self Talk Altered States of Consciousness Cosmic Karma Connecting with the Arcturians 3 David K. Miller, 2018-12-20 The themes of this book focus on the evolution of humanity the next stage of our planetary development the planetary crisis in general and how we as spiritual lightworkers and starseeds can prepare for our future and for the ascension We look at the relationships between such complex subjects as quantum physics and spirituality and New Age physics to learn how that relates to the higher dimensions and healing techniques that use new terminology such as quantum healing and omega light The Arcturians gladly integrate physics with spirituality Ascension is the transmutation of the physical body into the fifth dimension completing Earth's incarnational cycles They report that the ascension is open to all seekers of higher spiritual truth especially those who are open to cosmic spirituality There is also an extensive glossary to help the reader Overall their messages are hopeful helpful and healing The healings provided through their thinking are relevant personally and planetarily **New Human - New Earth: Living in the 5th Dimension** Nicolya Christi, 2012-04-06 This book is offered as a guide for all those who are aligned or are aligning with the reality of New Earth and the New Human It contains new information regarding the 5th Dimension and 5th Dimensional consciousness On New Year's Eve 2011 Nicolya unexpectedly entered into a comatose state for two days during which time a massive download of information streamed into her consciousness This download proved unlike any she had received in the past Immediately following this Nicolya fell into a six week creative void during which the direction her Work was taking was lost Instead she found herself spinning in an infinite midnight void whilst at the same time continually being flooded with Light She emerged from this state as suddenly as she had entered it with a vast outpouring of information which heralded a crystal clear reorientation for the path her Work was to take including the content for several books and the New Human New Earth Living in the 5th Dimension workshops and trainings
