Ask Thank Tell Improving Stewardship Ministry In Your Congregation:

Ask, Thank, Tell Charles R. Lane, 2006-01-01 The goal of this book says author Charles Lane is to perform a dramatic rescue of stewardship freeing it from any connection whatsoever to paying the bills When the Bible talks about stewardship it almost always talks about the intimate connection between how a person handles financial matters and that person's relationship with God Stewardship is an intensely spiritual matter that lies close to a disciple's relationship with Jesus The book is designed especially for use in congregational planning and study Congregational stewardship leaders will come back to three foundational verbs ask thank tell over and over as they help individuals experience the joy of giving generously The author makes the convincing case that there is little in life today that can help a disciple grow in relationship with Jesus more than a solid intentional biblical stewardship

Preaching and Stewardship Craig A. Satterlee, 2011-06-29 Both new and veteran preachers alike find the annual stewardship sermon a challenge and are eager for encouraging practical advice In *Preaching and Stewardship* Craig Satterlee offers a nuts and bolts handbook on preaching stewardship raising issues preachers need to consider when preparing stewardship sermons and offering advice on how to address them Satterlee argues that stewardship preaching must include a bold and concrete proclamation of God's love will and justice as well as an invitation to grow as stewards in response to this proclamation He focuses each chapter on a question preachers ought to ask themselves as they prepare the stewardship sermon beginning with What do you mean by stewardship and Why should we give to the church In chapters 3 through 6 he explores what the Bible says about stewardship In chapter 7 he names some of the assumptions both preachers and worshipers bring to the stewardship sermon The final chapter a variety of ways congregations can support the stewardship sermon Satterlee illustrates the premise of each chapter with anecdotes from congregational life Preachers who desire examples of stewardship sermons will especially appreciate stewardship sermons he shares from various preachers to illustrate points in the main text

Funding Forward Grace Duddy Pomroy,2024-09-17 Many congregations across the country are coming to two seemingly unrelated realizations First the Sunday morning offering may not be enough to sustain their mission Second their ministry has been so internally focused that they are almost entirely disconnected from the community they are called to serve Funding Forward provides a path to

help a congregation discern God's mission, reconnect with the neighborhood and find a new, more economically sustainable model for ministry. Drawing on years of teaching, research and field work, Pomroy shows there are no one-size-fits-all solutions for church and nonprofit finances. There is no single model that will work for every ministry. Each economic model has a distinct shape because each ministry has a distinct mission and community. However, common tools span these ministry models: repurposing church property, social enterprise, impact investing, grants, multi-vocational ministry and more. While the tools and models can spark creativity, congregational leaders often wonder what process they might use to discern God's mission, which tools will work best in their context and how they might get other congregational leaders on board. Discernment and execution are much more challenging than the ideation process. Funding Forward can help ministers and ministries move through the funding forward process from start to finish, paying special attention to the leadership challenges and pitfalls they might encounter along the way.

Abundance Michael R. Ward, 2020-01-07 This book by pastor and certified fund-raising executive CFRE Michael R. Ward provides church leaders a resource to lead their congregations to a new culture of generosity and abundance that raises more money as well as more disciples. Written specifically with pastors, congregation councils, finance committees and stewardship teams in mind, this book encourages and guides a process of study, reflection and action that is clear and practical. Ward taps into years of experience fundraising in the nonprofit sector to address the ongoing challenges of financing ministry. His goal is to empower congregations and other nonprofit organizations to expect and plan for generosity. The book moves from grounding stewardship ministry biblically and theologically to setting up the basic building blocks for strong stewardship, including board development, stewardship planning and strategic planning. From there, it addresses practical tactics such as case development, communication, donor mentality, roadblocks, volunteers and steps to a gift. Real-life stories and examples of growing stewardship programs and capital campaigns are provided along with practical, hands-on tools to help groups plan, develop and implement stewardship plans.

Growing in Discipleship Rev. Daniel Dapaah, 2024-08-19 The primary responsibility of the church, its *raison d'être*, is to make disciples by sharing the good news of salvation and teaching believers to grow in maturity in Christ. Matt 28:16-20, 1 Cor 3:2, 3:14, 20. What does it mean to grow in discipleship and maturity in Christ? What are the required ingredients for such growth and maturity to occur? Answers to both questions are provided in the book you're about to read. Growing in Discipleship is wide-ranging in scope, from biblical studies to systematic theology, focusing on a sample of fundamental doctrines of the Christian faith. The book is written for both new and old believers who are seeking a deeper engagement with and understanding of the good news of salvation in Christ. Daniel Dapaah has broken down the complex theological concepts to present them in a concise and accessible format to readers who have no background in biblical studies. Beginning seminarians will also find this book useful. But true discipleship is more than an intellectual assent to the doctrines of the church. It is also a personal commitment to the life and teachings of Christ. It involves growing spiritually to reflect the image

of Christ Latin Imago Dei The book includes an Individual or Group Exercise guide at the end of each chapter focusing on sample questions from the study a Personal Application for reflection and a Commitment to grow and mature in Christ through the enabling power of the Holy Spirit This book is a useful resource for individual and group Bible study
