Assessment And Autonomy In Language Learning:

Assessment and Autonomy in Language Learning C. Everhard, L. Murphy, 2015-03-25 This book examines this contested relationship between assessment and autonomy from a number of perspectives in a variety of Higher Education language learning contexts in Europe and the Far East The contributors to the book describe research into assessment both for and as autonomy as well as approaches to the assessment of autonomy itself **Taking Control** Richard Pemberton, Edward S.L.

Li, Winnie W.F. Or, Herbert D. Pierson, 1996-06-01 **TAKING CONTROL** Autonomy in Language Learning focuses on an area of language learning and teaching that is currently receiving an increasing amount of attention The book featuring 18 chapters from key figures around the world in the field of autonomous and self access language learning provides insightful coverage of the theoretical issues involved and represents a significant contribution to research in this area At the same time it provides a variety of examples of current practice in classrooms and self access centres at secondary and tertiary levels and in a number of different cultural contexts This volume is a timely publication which will be of interest to all those concerned with learner autonomy and self directed language learning *Teaching and Researching: Autonomy in Language Learning* Phil Benson, 2013-11-04 Autonomy has become a keyword of language policy in education systems around the world as the importance of independent learning and new technologies has grown Now in a fully revised and updated second edition Teaching and Researching Autonomy provides an accessible and comprehensive critical account of the theory and practice of autonomy Examining the history of the concept it addresses important questions of how we can identify autonomy in language learning behaviours and how we can evaluate the wide variety of educational practices that have been designed to foster autonomy in learning Topics new to this edition include Autonomy and new technologies Teacher autonomy The sociocultural implications of autonomy With over three hundred new references and five new case studies of research on autonomy providing practical advice on research methods and topics in the field Teaching and Researching Autonomy will be an essential introduction for teachers and students to a subject at the cutting edge of language teaching and research

Autonomy in Second Language Learning: Managing the Resources Mirosław Pawlak, Anna Mystkowska-Wiertelak, Jakub Bielak, 2016-12-28 The present volume brings together papers devoted to the role of learner and teacher autonomy in the process of second and foreign language learning which have been contributed by scholars from Poland and abroad The book has been divided into three parts in accordance with the topics that the individual contributions touch upon The first part includes papers dealing with different ways in which learner autonomy can be fostered and evaluated The papers contained in Part Two are connected with the role of language learning strategies in the development of learner independence Finally Chapter Three focuses on developing teacher autonomy which in the opinion of many specialists is indispensable if learner autonomy is to be promoted Thanks to its wide ranging focus this edited collection will be of interest not only to second language learning specialists interested in the role of learner autonomy but also to undergraduate graduate and

postgraduate students working on their BA MA and PhD theses as well as practitioners wishing to promote learner independence in their classrooms

The Language Portfolio and Its Contribution to Learner Autonomy and Intrinsic Motivation in the EFL Nils Hübinger, 2013-04-26 Seminar paper from the year 2011 in the subject Didactics for the subject English Pedagogy Literature Studies grade 14 Justus Liebig University Giessen Anglistik course Seminar Diagnostic Competence language English abstract The approach to English foreign language acquisition in German schools has significantly changed in the last decade Today students no longer start to learn English in grade five but begin with the very basics in primary school In most states English as a foreign language is introduced in grade three some states have gone even further and start teaching English in the first grade e g North Rhine Westphalia Besides these changes a major shift from a teacher to a learner centered classroom took place Consequently the individual learner and his or her language learning process have become more important in the English foreign language EFL classroom than before New methodology such as strategic learning reflection and self evaluation have moved to the center of attention in order to enhance students language learning efficiency In order to approach these new competences in an appropriate way for children the language portfolio was developed and introduced to foreign language learners By now there are a number of different portfolio such as the European Language Portfolio for language learners in secondary schools and adults or Mein Sprachenportfolio which is being used in primary schools in the state of Hesse Those new methods of language learning are meant to offer students the chance to monitor their own language learning process and eventually allow them to see their own learning progress over the years One of the major goals of the portfolio is to rise learners motivation and interest in language learning Research over many years has shown that motivation plays a great role when it comes to foreign language learning and learning in general Therefore it is certain that motivation has significant influence on a person s success or failure in language learning The portfolio might be the key to the problem of creating fostering and maintaining language learners motivation over a period of time that exceeds childhood and adolescence

Current Issues in Language Evaluation, Assessment and Testing Christine Coombe, Christina Gitsaki, 2016-03-08 Current Issues in Language Evaluation Assessment and Testing Research and Practice is a collection of research papers most of which were presented at the 17th World Congress of the International Association of Applied Linguistics AILA which was held in 2014 in Brisbane Australia The volume comprises 15 chapters presenting current research projects and discussing issues related to language testing and the development of language assessment instruments in a variety of contexts around the world This anthology will be of use to both new and seasoned researchers within the field of Applied Linguistics and TESOL Teacher educators language teachers and language assessment professionals will find this volume equally useful as the papers present current trends in testing and evaluation

Assessment And Autonomy In Language Learning: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have charmed audiences this year. Assessment And Autonomy In Language Learning : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Assessment And Autonomy In Language Learning : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
