Lee Canter's Assertive Discipline Lee Canter, 2010 This video is a companion piece to the fourth edition of the classic book *Assertive Discipline* by Lee Canter Five video programs show how all teachers can learn to become effective classroom managers decrease classroom disruptions and increase the amount of time available for teaching and learning Container

Classroom Management for Academic Success Lee Canter, 2014-01-22 This groundbreaking resource details the first management program designed to specifically address the first priority for today's educator improving the achievement of all students Go beyond simply managing student behavior to quickly and effectively establishing an environment that promotes academic success in your classroom from day one Teacher tested research based strategies create a classroom in which children learn free from the distraction of disruptive behavior *Classroom Management* Ming-tak Hue, Wai-shing Li, 2008-01-01 Deals with management of student conduct in the classroom which is the number one area of concern for many teachers This book includes discussions and real life cases with reference to the influence of Chinese culture on Hong Kong classrooms It covers topics such as managing behaviour establishing classroom rules and conveying authority **Lee Canter's Assertive Discipline** Lee Canter, 2002-08-01 This updated workbook will help elementary teachers implement Lee Canter's Assertive Discipline behavior management program in their own classrooms The easy to use format gives teachers the concise guidelines they need to succeed with the program The workbook also contains a variety of time saving reproducibles and teacher worksheets that complement the program and will motivate students to behave appropriately For a comprehensive understanding of the Assertive Discipline program please see Lee Canter's Assertive Discipline Positive Behavior Management for today's Classroom 3rd Edition Book jacket **A Comprehensive Guide to Classroom**

Management Louise Porter, 2020-07-30 Behaviour management in the classroom can be one of the most challenging aspects of teaching but with the right approach it can be rewarding and enriching for both student and teacher A Comprehensive Guide to Classroom Management provides a systematic overview of the major theories and styles of discipline in schools Drawing on the latest international research Porter outlines how teachers can develop a personal style in classroom management based on a sound understanding of theory The emphasis is on proactive authoritative approaches to discipline to engage students and facilitate the achievement of educational and social goals Porter demonstrates how it is within the

power of schools and teachers to create the conditions under which even disadvantaged or disenchanting students strive to learn A Comprehensive Guide to Classroom Management is the essential handbook for preservice teachers and a valuable reference for more experienced teachers who want to develop their approach to complex behavioural challenges True to its title this is an enormously ambitious indeed encyclopaedic resource that makes a compelling multilayered case for putting respect for children's needs ahead of our urge to control them Alfie Kohn author of Beyond Discipline and Punished by Rewards There is so much to admire and absorb in this impressive and highly readable blend of research idealism and sound sense highly recommended for principals aspiring school leaders and reflective practitioners teaching students with behavioural difficulties Dr Ted Cole lead editor of The Routledge International Companion to Emotional and Behavioural Difficulties
