Devil's Peak Deon Meyer, 2024-09-24 A South African detective races to catch a vigilante killer preying on dangerous criminals in this gripping thriller. One of the sharpest and most perceptive thriller writers around, The Times UK, a young woman makes a terrible confession to a priest. An honorable man takes his own revenge for an unspeakable tragedy. An aging inspector tries to get himself sober while taking on the most difficult case of his career. From this beginning, Deon Meyer weaves a story of astonishing complexity and suspense as Inspector Benny Griessel faces off against a dangerous vigilante who has everything on his side, including public sympathy. A gruesome abuse case has hit the newsstands, and one man has taken it upon himself to stand up for the children of Cape Town. When the accused is found stabbed through the heart by spear, it's only the beginning of a string of bloody murders and of a dangerous dilemma for detective Griessel. The detective is always just one step behind as someone slays the city's killers. But the paths of Griessel and the avenger collide when a young prostitute lures them both into a dangerous plan, and the two find themselves with a heart-stopping problem that no system of justice could ever make right. Complex, finely wrought characters, keen psychological insight, and a compelling plot lift this crime novel. This book is easily Meyer's finest effort to date.
