London Impressions Alice Christiana Thompson Meynell, 2016-09-30 Excerpt from *London Impressions Etchings and Pictures in Photogravure and Essays* This seems to be a thing that all exclaim against and but few see The phrase is never varied a sure Sign of lack of experience One cries oh the London Sunday and another It must be too dreadful for foreigners I and before the topic disappears something yet vaguer has been said in a ickering manner as to the Boulevards But in fact London Sunday is little understood even by those who know its aspect and the greater number do not know even so much About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
