A large, detailed illustration of a black swan is the central focus of the book cover. The swan is shown from the side, with its long neck elegantly curved into a loop. Its feathers are depicted with fine, dark lines, giving them a textured appearance. The most striking features are its bright red beak and the red ring around its eye. The swan is positioned as if it is swimming, with its body partially submerged in water. The water is represented by dark, swirling patterns that blend into the swan's dark plumage. The background is a plain, light color, which makes the dark swan stand out prominently.
