Bing My First Little_bing Brd HarperCollins Children's Books,2022 **Going My Way** Ruth Prigozy,Walter Raubicheck,2007 A study of the singer actor s art and of his centrality to the history of twentieth century music film and the entertainment industry It uses a range of perspectives to explore Crosby s achievements It also includes tributes and reminiscences and explores his accomplishments as an actor businessman and radio and television performer *Bing Crosby* Richard Grudens,2003 Here is the quintessential Bing Crosby tribute from the pen of author and music historian Richard Grudens documenting the story of Crosby s colourful life family radio and television shows and films the amazing success story of a career that pioneered popular music spanning generations and inspiring many followers Frank Sinatra Tony Bennett Perry Como Jerry Vale Dean Martin Eddie Fisher Pat Boone Elvis Presley and Billy Eckstine all of whom acknowledge their debt right between the covers of this book An inspirational introduction by his lovely wife Kathryn Grant Crosby is followed by endearing anecdotal accounts of those ubiquitous Road films with Bob Hope and detailed personal testimonials from show business icons in their own words A must read for Crosby fans collectors admirers music lovers and everyone who cherishes the music and anecdotes of the players involved in the Golden Age of Popular Music *Bing Little Library* ,2015 *Bing Crosby's Last Song* Lester Goran,2015-03-17 A novel by the author of *The New York Times* Notable Book Tales from the Irish Club It is June 1968 Robert Kennedy has just been murdered the streets are simmering with discontent and the Irish community of Oakland Park in Pittsburgh is being swept away by change Daly Racklin becomes the reluctant leader of a dying neighborhood culture and people He is at once a man torn by his father s omnipotent shadow and the struggles of his own heart and as his elevated position brings him from one home to another he increasingly discovers the importance of what he sees disappearing Bing Crosby s Last Song is a hilarious touching heartwrenching story of survival and love a community s demise and a wanderer s rebirth Full of barroom lore hard bitten wisdom wry humor and faith tempered by skepticism this novel will delight readers of William Kennedy and Frank McCourt *Prodigal Village* Irving Bacheller,2024-11-23 The day that Henry Smix met and embraced Gasoline Power and went up Main Street hand in hand with it is not yet forgotten It was a hasty marriage so to speak and the results of it were truly deplorable Their little journey produced an effect on the nerves and the remote future history of Bingville They rushed at a group of citizens who were watching them scattered it hither and thither broke down a section of Mrs Risley s picket fence and ran over a small boy At the end of their brief misalliance Gasoline Power seemed to express its opinion of Mr Smix by hurling him against a telegraph pole and running wild in the park until it cooled its passion in the fountain pool In the language of Hiram Blenkinsop the place was badly smixed up Yet Mr Smix was the object of unmerited criticism He was like many other men in that quiet villageslow deliberate harmless and good natured The action of his intellect was not at all like that of a gasoline engine Between the swiftness of the one and the slowness of the other there was a wide zone full of possibilities The engine had

accomplished many things while Mr Smix's intellect was getting ready to begin to act In speaking of this adventure Hiram Blenkinsop made a wise remark My married life learnt me one thing said he If you are thinkin of hitchin up a wild horse with a tame one be careful that the tame one is the stoutest or it will do him no good The event had its tragic side and whatever Hiram Blenkinsop and other citizens of questionable taste may have said of it the historian has no intention of treating it lightly Mr Smix and his neighbor's fence could be repaired but not the small boy Robert Emmet Moran six years old the son of the Widow Moran who took in washing He was in the nature of a sacrifice to the new god He became a beloved cripple known as the Shepherd of the Birds and altogether the most cheerful person in the village His world was a little room on the second floor of his mother's cottage overlooking the big flower garden of Judge Crooker his father having been the gardener and coachman of the Judge There were in this room an old pine bureau a four post bedstead an armchair by the window a small round nickel clock that sat on the bureau a rubber tree and a very talkative little old tin soldier of the name of Bloggs who stood erect on a shelf with a gun in his hand and was always looking out of the window The day of the tin soldier's arrival the boy had named him Mr Bloggs and discovered his unusual qualities of mind and heart He was a wise old soldier it would seem for he had some sort of answer for each of the many questions of Bob Moran Indeed as Bob knew he had seen and suffered much having traveled to Europe and back with the Judge's family and been sunk for a year in a frog pond and been dropped in a jug of molasses but through it all had kept his look of inextinguishable courage *Bing Crosby* Gary Giddins, 2009-11-11 From Bing Crosby's early days in college minstrel shows and vaudeville to his first hit recordings from his 11 year triumph as star of America's most popular radio show to his first success in Hollywood Gary Giddins provides a detailed study of the rise of this American star **Whitman in Washington** Kenneth M. Price, 2020-11-12 During Walt Whitman's decade in Washington DC 1863-1873 he labored intensely at times seeming to have three lives at once He wrote the most distinguished journalism of his career came into his own as a writer of letters crafted memorable Civil War poetry *Drum Taps* and *Sequel to Drum Taps* and later folded it into heavily revised and expanded versions of *Leaves of Grass* and produced his searching but also flawed critique of American culture *Democratic Vistas* Whitman's work through the first three editions of *Leaves* often receives the highest praise yet his writing in the Washington years is exceptional too by any reckoning and is all the more remarkable given that he also cared for thousands of wounded and sick soldiers in Washington hospitals serving as an attentive visitor In addition he served as a government clerk in various positions most notably in the attorney general's office when much was accomplished on the road toward a multi racial democracy including efforts to suppress the Ku Klux Klan and much was also missed both by the attorney general's office and by Whitman in the efforts to advance a more just and vibrant union Kenneth M Price analyses Whitman's integrated life writings and government work in his urban context to re evaluate the writer and the nation's capital in a time of transformation Drawing on an expanded Whitman corpus including nearly 3 000 Whitman documents Price recently identified in the National Archives Whitman in

Washington demonstrates that the power of Whitman's Civil War and Reconstruction writing emerges more fully than previously imagined from his intimate knowledge of the capital city its bureaucracies and its tumultuous post war history

School of Fortune Amanda Brown, Janice Weber, 2007-06-26 A fun fresh frolic of a novel starring a spoiled but lovable Texas heiress out to reclaim her fortune Pippa Walker's wedding was to be huge Texas huge complete with twelve bridesmaids under contract from Pippa's mother to stay lean and long haired gondolas flown in from Venice A and B guest lists But when Pippa finds out her handsome husband to be isn't what she thought she bolts from her own wedding shocking society and getting herself disinherited The only way she can get a piece of the family fortune back is to earn a degree from a school Any school It's a tough assignment for a girl who dropped out of SMU after pledging Kappa Kappa Gamma and shopping at Neiman's for a year But Pippa is nothing if not up for a challenge Attracting one hilarious misadventure after another she tries to earn her sheepskin at driving school matchmaking school even a circus academy It's only when she hits rock bottom The Mountbatten Savoy School of Household Management that things begin to look up But can she really be falling in love with a valet Great silly fun guaranteed to be seen at a beach near you Kirkus Reviews *The Prodigal Village: A Christmas Tale* Irving Bacheller, 2019-12-11 In *The Prodigal Village: A Christmas Tale* Irving Bacheller crafts a poignant narrative that combines elements of Americana with timeless themes of redemption community and the spirit of Christmas Set against the backdrop of a quaint village the story employs rich descriptive prose and character driven storytelling creating a tapestry that vividly portrays the complexities of human relationships as the villagers grapple with past grievances and seek a path to reconciliation Bacheller's style is reminiscent of the literary traditions of the early 20th century drawing from both the pastoral lyricism and the emerging realism of his contemporaries Irving Bacheller was a prominent American author and newspaper editor known for his deep appreciation of rural life and its intrinsic values Born in 1859 in New York his experiences growing up in a small farming community greatly influenced his writing This familiarity with village life and its challenges lends authenticity to the story as he articulates the hopes and anxieties of small town existence particularly during the holiday season when the theme of family reunification resonates most profoundly I wholeheartedly recommend *The Prodigal Village: A Christmas Tale* to readers seeking a heartwarming narrative that invokes nostalgia and introspection Bacheller's delicate interweaving of joy and struggle not only captures the essence of Christmas but also serves as a reminder of the importance of forgiveness and belonging within our communities
