The Prized Possession Jill Schaible,2013-03-05 The only thing greater than fear is hope Frustrations with jobs and employers mortgages and car repairs college debt and marital conflict make us so overwhelmed we cant even sleep And thanks to wonderful drug advertising very few of us are not on some sort of toxic substance to either help rest our minds at night or cope with stress during the day Ask yourself if this is not true People are taking their own life over this stuff which makes me wonder if weve missed out on some secret When wounded souls feel they have no other option but to remove themselves from this earth before their time wed better start uncovering some hope and soon Lets be honest Our world is broken We patch it up with all sorts of things but underneath where we really live there is everything from anger regret lust despair and pain to fear guilt depression greed and unforgiveness We are bombarded with distraction deception and way too much self absorption to even recognize truth anymore Is there any way out of this mess Yes There is indeed It is found in one person who gave everything

to rescue us His name is Jesus The Prized Possession will help you discover who Jesus really is and why He is the only hope for hurting hearts You will see why self absorption and self reliance are highly overrated and how they keep us far from the freedom we need to see beyond our circumstances Within these pages are true personal stories sure to inspire your heart and stretch your understanding of God and His unrivaled love for humanity If you have questions about life come along on an exciting journey toward hope purpose and redemption There is a very generous God just waiting for you [An Annotated Guide to Biblical Resources for Ministry](#) David R. Called and Equipped Karen Wheeler, 2023-08-23 Teaching isn't a glamor job People don't go into teaching to become rich they become teachers because they want to make a difference to touch the future They feel called But lately COVID 19 pressures political astigmatism a strained economy mental health crises and even gun violence have piled on more stress so a career that begins with an honorable calling sometimes sinks into mediocrity even survival Called and Equipped by author Karen Wheeler was born of a need that was inspired by long frustrating and harried days as a teacher navigating the rough seas of public school while trying to maintain some semblance of a faithful Christian in practice The vehicle in this study is a teaching environment but this vehicle can go many places While it is written from a teacher's perspective non teachers have taken the study and have found it very relatable and easy to transfer to their unique work and life situations Wheeler takes a journey through the Bible a walk with Biblical characters who were often called into harrowing circumstances but were supported and equipped by God each step of the way The lessons they learned are teachable moments for us Through humor and insight these lessons can still call and equip us in workplaces today
