Sederholm,Mark I. West,2023-06-28 This work demonstrates that not everything that Disney touched turned to gold In its first 100 years the company had major successes that transformed filmmaking and culture but it also had its share of unfinished projects unmet expectations and box office misses Some works failed but nevertheless led to other more stunning and lucrative ones others shed light on periods when the Disney Company was struggling to establish or re establish its brand In addition many Disney properties popular in their time but lost to modern audiences emerge as forgotten gems By exploring the studio's missteps this book provides a more complex portrayal of the history of the company than one would gain from a simple recounting of its many hits With essays by writers from across the globe it also asserts that what endures or is forgotten varies from person to person place to place or generation to generation What one dismisses someone else recalls with deep fondness as a magical Disney memory **Bonnie Raitt** Mark Bego,2003 This book is the definitive biography of the Grammy Award winning singer songwriter and political activist whose career rose rapidly in the 1970's stalled in the 1980's and resurged in the 1990's Women in Music Karin Pendle,Melinda Boyd,2012-07-26 *Women in Music* A Research and Information Guide is an annotated bibliography emerging from more than twenty five years of feminist scholarship on music This book testifies to the great variety of subjects and approaches represented in over two decades of published writings on women their work and the important roles that feminist outlooks have played in formerly male oriented academic scholarship or journalistic musings on women and music Joni Mitchell Mark Bego,2005-05-26 In February of 1996 Joni Mitchell was honored by the Grammy Awards in two separate categories which represent the two sides
