Better Remote Work Do It Right And Reap The Benefits:

Better Remote Work Jarkko Oksanen, 2015-06-04 Businesses that are effectively using remote work are getting a large jump on traditional businesses These companies have access to the best talent and the best clients and are producing superior results They also have more fun doing it and are often seen as being the most cutting edge firms in the marketplace Then there are those who may allow remote work but are not doing it to its full extent They often face a lot of social issues and productivity that should be increasing is actually decreasing Many companies are blaming their remote workers for some of these issues which in a few cases may be true These companies need something and someone to push them to get back on track This book will show you how to dodge the many pitfalls of managing remote employees and focus on building your remote team the way it is proven to work in hundreds of organizations around the world It offers insight from experienced team managers from around the world and proven technical solutions straight from the trenches If your business has not begun working remotely this book will give you a good idea of what it ll be like You ll find what major issues will most often come up and the solutions other successful teams and individuals have found in similar situations If you have not worked remotely yet consider this How much of your day do you already work online or through a computer screen Looking from the outside in remote work might sound easy We as remote workers know the truth The benefits are numerous but the issues are undeniable In the end it s far from easy The ideas in the book are meant to be convertible to many different issues and situations that teams could face It s designed so that you can skip to the index in the end and find your own issue or read is as a complete guide to your business s remote work solution With examples and ideas from small teams of three people to larger teams of over twenty people I ve found the key issues and discussed with the people involved to figure out how they managed to overcome the challenge I ll also provide a quick glimpse into the future and make educated predictions about what remote work will be like in the years to come All the upcoming technologies will be very interesting to follow and taking an early mover advantage on some of these when the time is ripe will give you a strong business advantage I m not going to declare that remote work is easy and will solve all of your business and work problems That s not what it s going to go It will take time to do right and there will be challenges But when done right the benefits will increase your company profits built a culture of empathy and trust and make life better for both your employees and the company owners Managers team leaders developers and everyone who works remotely will find valuable guidance in these pages Find out what different teams around the world have done to counter the inevitable problems and thrive with effective remote work *Work Together Anywhere* Lisette Sutherland, Kirsten Janene-Nelson, 2020-06-02 An excellent guide on how teams can effectively work together regardless of location STEPHANE KASRIEL former CEO of Upwork IN TODAY S MODERN GLOBAL ECONOMY companies and organizations in all sectors are embracing the game changing benefits of the remote workplace Managers benefit by saving money and resources and by having access to talent outside their zip codes while employees enjoy greater

job opportunities productivity independence and work life satisfaction But in this new digital arena companies need a plan for supporting efficiency and fostering streamlined engaging teamwork In Work Together Anywhere Lisette Sutherland an international champion of virtual team strategies offers a complete blueprint for optimizing team success by supporting every member of every team including EMPLOYEES small advocating for work from home options MANAGERS small seeking to maximize productivity and profitability TEAMS small collaborating over complex projects and long term goals ORGANIZATIONS small reliant on sharing confidential documents and data COMPANY OWNERS small striving to save money and attract the best brainpower Packed with hands on materials and actionable advice for cultivating agility camaraderie and collaboration Work Together Anywhere is a thorough and inspiring must have guide for getting ahead in today s remote working world

The Remote Work Handbook Mari Anne Snow,2022-09-13 The Remote Work Handbook The Definitive Guide for Operationalizing Remote Work as a Competitive Business Strategy is for readers seeking to leverage the business benefits of a flexible remote workforce It is a practical guide for building and implementing remote work at any size organization C suite executives operation leaders business owners or entrepreneurs who recognize the workplace is changing can use it to re tool their operations for a strategic business advantage Mari Anne Snow the author is a recognized remote work expert with over 20 years of experience leading remote teams and has re written the rules of leadership to unlock the potential in remote and distributed teams In this book she shares all her secrets The book explores the untapped potential of remote teams and lays out the business case for adopting a new flexible workplace model to build organizational resilience and a competitive edge It takes the reader through the step by step process of constructing a remote work operating model staging an implementation then institutionalizing and sustaining the change It includes down to earth professional and personal stories that alert the reader to the top priorities and operational realities they will face as they craft their own implementation plan for operationalizing remote work at their company

Work Engagement and Employee Well-being Małgorzata Adamska-Chudzińska,Justyna Pawlak,2025-03-18 Work Engagement and Employee Well being highlights the vital role of psychosocial support in building and stimulating work engagement It is a response to the growing phenomenon of weakened employee attachment and engagement instability The authors underscore the importance of creating a friendly work environment which accommodates a variety of employee needs and elicits positive emotions thus fostering the well being and complete engagement of employees An in depth literature review and empirical research conducted using combined qualitative and quantitative methods enabled the authors to present the issue from a wide range of theoretical perspectives With a model acknowledging the multifaceted nature of work engagement and its association with well being the book introduces a selection of psychosocial means to enhance it The analysis focuses on both systemic measures that is promoting a supportive organizational culture and protecting work life balance as well as a more individualized approach that not only facilitates the recognition and respect of employee needs but also helps cultivate their

development The book places emphasis on a transformational leadership style and a high level of emotional intelligence among managers particularly their empathy Further attention was paid to the various ways to support specific employee groups such as remote workers and neurodivergent members of the workforce
