### **Between Gay And Straight Between Gay And Straight:**

*Gay, Straight, and In-Between* John Money, 1988-05-05 The diverse historical cultural and physiological influences that determine sexual orientation are the focus of this fascinating work by one of the foremost investigators of human sexuality Drawing on case studies from his sexology clinic the author explores such topics as prenatal and postnatal history gender differentiation in childhood and postpubertal hormonal theories In so doing he addresses the many enigmas of sexual orientation What makes some children grow up to be homosexual while others become heterosexual or bisexual To what degree is gender identity determined before birth How do the concepts of masculine and feminine become differentiated during childhood What do we know about the relationship between hormones and homosexuality in adulthood A unique feature of this book is the follow up reporting on Money's long term studies that began over three decades ago The studies are brought together here for comparison with one another and with the work of others and their full significance is systematically evaluated Also explored here is his pioneering concepts of lovemaps the pathways of individual sexual and erotic development and the factors that may shape overall healthy or pathological orientation paraphilia and gender transposition in childhood adolescence and maturity Written in accessible language for researchers and clinicians this authoritative work is both thought provoking and informative as it explores timely questions of sexual orientation

**Navigating Differences** Jammie Price, 2013-04-03 Navigating Differences Friendships Between Gay and Straight Men is a one of a kind cross sexual study that shows you how today's gay and straight men build maintain and foster true friendships In this activist participatory study you'll get a day in the life look at 44 pairs of cross sexual men's friendships and see what helps them negotiate the terrain of their emotional sexual psychological and social differences in today's climate of often publicly defended homophobia and heterosexism Navigating Differences succeeds in bringing the true picture of cross sexual men's relationships to you regardless of your personal orientation or political affiliation You'll find information straight from the lives of the study's participants that shows you how different sexual orientations impact the way men spend time together maintain friendships cope with sexual struggles and open good communication channels Most importantly you'll get detailed facts and feedback concerning hegemonic masculinity embracing struggling with and ignoring differences group demographic characteristics embeddedness and emotional communication outness in groups out groups and reference groups Hearsay and prejudice might claim to know what gay and straight men think of each other but Navigating Differences replaces rumors with research and shows you what really keeps gay and straight men in lasting friendships in all arenas of life You'll learn firsthand what it takes to overcome differences and what it means to turn difference into meaningful relationships

**A Family and Friend's Guide to Sexual Orientation** Bob Powers, Alan Ellis, 2013-12-02 A Family and Friend's Guide to Sexual Orientation helps individuals and families to bridge the divide between gay and straight to heal wounds that often accompany individuals and families negative feelings about lesbians gay men bisexuals and transgendered persons

Consisting of thirty stories by individuals who have come to accept and embrace their own sexuality twelve of the stories are by heterosexuals who in addition to talking about their own sexuality speak of the homosexuality of a loved one The book also includes five personal stories from two families     A Family and Friend's Guide to Sexual Orientation Bob Powers, Alan Ellis, 2013-12-02 A Family and Friends Guide to Sexual Orientation helps individuals and families to bridge the divide between gay and straight to heal wounds that often accompany individuals and families negative feelings about lesbians gay men bisexuals and transgendered persons Consisting of thirty stories by individuals who have come to accept and embrace their own sexuality twelve of the stories are by heterosexuals who in addition to talking about their own sexuality speak of the homosexuality of a loved one The book also includes five personal stories from two families     **Queerly Phrased** Anna Livia, Kira Hall, 1997 A pioneering collection of articles on lesbian gay bisexual and transsexual language     **Gay, Straight, and the Reason why** Simon LeVay, 2017 What causes a child to grow up gay or straight Neuroscientist Simon LeVay summarizes a wealth of scientific evidence that points to one inescapable conclusion Sexual orientation results primarily from an interaction between genes sex hormones and the cells of the developing body and brain LeVay takes the reader on a whirlwind tour of laboratories that specialize in genetics endocrinology neuroscience cognitive psychology evolutionary psychology and family demographics He describes for instance how researchers have manipulated the sex hormone levels of animals during development causing them to mate preferentially with animals of their own gender In this second edition LeVay adds a chapter on bisexuality reviews some uncommon forms of sexuality and considers whether there could be a biological basis for subtypes of gay people such as butch and femme lesbians     *God vs. Gay?* Jay Michaelson, 2012-05-08 A passionate argument for LGBTQ equality within religious communities a book for our times and a book for the ages **EDGE** The myth that the Bible forbids homosexuality the myth of God versus Gay is behind some of the most divisive and painful conflicts of our day In this provocative and game changing book scholar and activist Jay Michaelson shows that the Bible does not prohibit same sex intimacy but does quite the opposite In fact the vast majority of the Bible's teachings support the full equality and dignity of LGBTQ people from the first flaw it finds in creation It is not good for a person to be alone to the way religious communities grow through reflection and conscience Michaelson argues passionately for equality not despite religion but because of it With close readings of the Hebrew Bible and New Testament the latest data on the science of sexual orientation and a sympathetic accessible and ecumenical approach to religious faith Michaelson makes the case that sexual diversity is part of the beauty of nature The recognition of same sex families will strengthen not threaten the values religious people hold dear Whatever your views on religion and sexual diversity *God vs Gay* is a plea for a more compassionate informed conversation and a first step toward creating one     **Media Studies** Sarah Casey Benyahia, Abigail Gardner, Philip Rayner, Peter Wall, 2013-12-13 Bringing together key writings with original textbook material the second edition of *Media Studies The Essential Resource* explains central perspectives and concepts within Media Studies Readers

are introduced to a range of writing on media topics promoting an understanding of the subject from both contemporary and historical perspectives The text is split into three parts covering Analysis and Perspectives Media Audiences and Ecologies and Creativities The key areas of study are discussed with accessible readings from essential theoretical texts and fully supported with an author commentary Theoretical perspectives are used to analyse contemporary media forms and activities direct students to interrogate readings further and apply their learning Encouraging critical and analytical study Media Studies The Essential Resource helps students to understand the main theories and theorists within Media Studies

The First Five Years of the Priesthood Dean R. Hoge, 2017-06-15 Catholic Press Association Award Winner Reports indicate that many newly ordained men are feeling demoralized and some are resigning The accounts raised many questions How widespread is the problem What difficulties are the recently ordained priests facing Is the problem due to changes in lay attitudes or to changes in the ordained themselves Is the situation different from what it was ten or twenty years ago The First Five Years of the Priesthood is a collaborative work of the National Federation of Priests Councils and the Life Cycle Institute of The Catholic University of America that considers this phenomenon It explores the experience of early priesthood and is based on a pilot survey of two groups recently ordained priests active in service and those who have resigned The research team minimized interpretative work on the findings and engaged credible voices in American Catholic life to write commentaries on the implications of the findings The First Five Years of the Priesthood includes both the research findings and commentaries Chapters are The Setting of the Priesthood Today Attitudes of Newly Ordained Active and Resigned Priests What Makes for Satisfied Newly Ordained Priests Four Types of Resigned Priests Life Experiences of Newly Ordained Active and Resigned Priests and Recommendations Made by the Priests Dean R Hoge is a professor in the department of sociology at The Catholic University of America in Washington D C He has done sociological research serving American churches for 31 years and has authored several books and articles on American religion
