J. Martin Rochester

Between Peril And Promise The Politics Of International Law:

Between Peril and Promise J. Martin Rochester, 2011-11-08 In this concise introduction to international law students gain a clear appreciation for how politics shapes the development of international law and how international law shapes political relations between states Throughout the book Rochester takes this complex subject and makes it accessible with his vibrant easy to read prose After exploring the parameters of international law its intrinsic challenges and the various approaches to it Rochester then examines its five major sectors the law of the sea airspace and outer space human rights war and peace states and markets and the environment all through the lens of international relations theory Students will appreciate numerous pedagogical features such as instructive case studies photos and cartoons discussion questions and new to this edition an International Law in Action box which uses real world cases to flesh out the inner workings of international law Based on reviewer feedback the author reorganized several chapters bringing coverage of jurisdiction to the forefront in order to better set the stage for subsequent chapters With updates to all of the book's data factual information and hundreds of endnotes Rochester presents the latest IL scholarship in a clear and straightforward manner

Between Peril and Promise J. Martin Rochester, 2011-11-08 In this concise introduction to international law students gain a clear appreciation for how politics shapes the development of international law and how international law shapes political relations between states Throughout the book Rochester takes this complex subject and makes it accessible with his vibrant easy to read prose

Sovereign Rules and the Politics of International Economic Law Marc Froese, 2018-03-20 How ought scholars and students to approach the rapidly expanding and highly multidisciplinary study of international economic law Academics in the field of international political economy used to take for granted that they worked with the overarching concepts of rules and governance while legal scholars analyzed treaties and doctrines However over the past twenty years formerly disparate fields of study have converged in a complex terrain where academic researchers and governmental policy analysts use a pluralistic set of theoretical and methodological tools to study the ongoing development of international economic law This volume argues that the extensive development of international economic law makes it impossible to discuss international political economy and international law as if they were mutually exclusive processes or even as if they were separate and mutually reinforcing Rather we must think of them as a deeply interconnected set of rapidly evolving activities This is a paradigm shift in which we cease to think about an international system in which politics and law interact and begin to think about an international system in which politics take place in a legal frame Froese terms this a shift from politics and law to the politics of international economic law This book does for political economy what others have already done for law introduces political scientists economists and other practitioners of IPE to the potential of engaging with legal theory and method it will be of great interest to scholars in a range of areas including IPE global governance IR and international law

Fundamental Principles of International Relations J. Martin Rochester, 2018-04-17 This book

distills the essential elements of world politics both the enduring characteristics as well as the revolutionary changes that may be altering the very fabric of the centuries old state system Author J Martin Rochester explores all the important topics that one would expect to find in an IR text war diplomacy foreign policy international law and organization the international economy and more but injects fresh perspectives on how globalization and other contemporary trends are affecting these issues In addition the author does so through a highly engaging lively writing style that will appeal to today s students Fundamental Principles of International Relations is a tightly woven treatment of international politics past and present drawing on the latest academic scholarship while avoiding excessive jargon and utilizing pedagogical aids while avoiding clutter Rochester ultimately challenges the reader to think critically about the future of a post Cold War and post 9 11 world that is arguably more complex if not more dangerous than some previous eras with the potential for promise as well as peril

Humanitarian Intervention Thomas G. Weiss, 2013-04-24 A singular development of the post Cold War era is the use of military force to protect human beings From Rwanda to Kosovo Sierra Leone to East Timor and more recently Libya to Cote d'Ivoire soldiers have rescued some civilians in some of the world s most notorious war zones Could more be saved Drawing on over two decades of research Thomas G Weiss answers yes and provides a persuasive introduction to the theory and practice of humanitarian intervention in the modern world He examines political ethical legal strategic economic and operational dimensions and uses a wide range of cases to highlight key debates and controversies The updated and expanded second edition of this succinct and highly accessible survey is neither celebratory nor complacent The author locates the normative evolution of what is increasingly known as the responsibility to protect in the context of the global war on terror UN debates and such international actions as Libya The result is an engaging exploration of the current dilemmas and future challenges for robust international humanitarian action in the twenty first century

Collective Consciousness and Gender

Alexandra Walker, 2018-08-22 This book explores collective consciousness and how it is applied to the pursuit of gender justice in international law It discusses how the collective mode of behaviour and identity can lead to unconscious role playing based on the social norms expectations or archetypes of a group Alexandra Walker contends that throughout history men have been constructed as archetypal dominators and women as victims In casting women in this way we have downplayed their pre existing innate capacities for strength leadership and power In casting men as archetypal dominators we have downplayed their capacities for nurturing care and empathy The author investigates the widespread implications of this unconscious role playing arguing that even in countries in which women have many of the same legal rights as men gender justice and equality have been too simplistically framed as feminism and women s rights and that giving women the rights of men has not created gender balance This book highlights the masculine and feminine traits belonging to all individuals and calls on international law to reflect this gender continuum

US Foreign Policy in the Twenty-First

Century J. Martin Rochester, 2018-05-04 The issues raised by the Iraq War are symptomatic of larger phenomena that will

continue to preoccupy American foreign policy makers well into the twenty first century The war on terror the proliferation of weapons of mass destruction humanitarian intervention and a litany of other concerns on the foreign policy agenda pose complex dilemmas for which there are no simple answers Through lucid lively analysis as well as multiple illustrations and case studies *US Foreign Policy in the Twenty First Century* explores the difficult choices that confront the United States today in a complicated and often dangerous post Cold War environment Author J Martin Rochester engages students in an intelligent examination of American foreign policy past present and future involving them in critical thinking about how foreign policy is made what factors affect foreign policy decisions and behavior and how one might go about not only describing and explaining foreign policy but also evaluating it and prescribing solutions **Collaboration and Public**

Policy Helen Sullivan,2022-10-02 Collaboration is a ubiquitous yet contested feature of contemporary public policy This book offers a new account of collaboration s appeal to human actors drawing on empirical examples across time and space It provides a novel and comprehensive framework for analysing collaboration that will be of use to those interested in understanding what happens when human actors collaborate for public purpose The New Warfare J. Martin

Rochester,2016-02-19 This book looks at the evolving relationship between war and international law examining the complex practical and legal dilemmas posed by the changing nature of war in the contemporary world whether the traditional rules governing the onset and conduct of hostilities apply anymore and how they might be adapted to new realities War always messy has become even messier today with the blurring of interstate intrastate and extrastate violence How can the United States and other countries be expected to fight honourably and observe the existing norms when they often are up against an adversary who recognizes no such obligations Indeed how do we even know whether an armed conflict is underway when modern wars tend to lack neat beginnings and endings and seem geographically indeterminate as well What is the legality of anticipatory self defense humanitarian intervention targeted killings drones detention of captured prisoners without POW status and other controversial practices These questions are explored through a review of the United Nations Charter Geneva Conventions and other regimes and how they have operated in recent conflicts Through a series of case studies including the U S war on terror and the wars in Afghanistan Iraq Gaza Kosovo and Congo the author illustrates the challenges we face today in the ongoing effort to reduce war and when it occurs to make it more humane *Humanitarian*

Intervention T. Weiss,2007-02-13 A singular development of the post Cold War era is the use of military force to protect human beings From Rwanda to Kosovo Sierra Leone to East Timor soldiers have rescued civilians in some of the world s most notorious war zones Drawing on two decades of research Thomas G Weiss provides a compelling introduction to the theory and practice of humanitarian intervention in the modern world He examines political ethical legal strategic economic and operational dimensions and uses a wide range of cases to highlight key debates and controversies This succinct and highly accessible survey is neither celebratory nor complacent The author locates the normative evolution of what is increasingly

known as the responsibility to protect in the context of the war on terror and the 2005 UN World Summit The result is an engaging exploration of the current dilemmas and future challenges for international humanitarian action in the 21st Century

FAQs About Between Peril And Promise The Politics Of International Law Books

What is a Between Peril And Promise The Politics Of International Law PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Between Peril And Promise The Politics Of International Law PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Between Peril And Promise The Politics Of International Law PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Between Peril And Promise The Politics Of International Law PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Between Peril And Promise The Politics Of International Law PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing

restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
