Between The Testaments Pp:

Between the Testaments David Syme Russell, In most Bibles the period between the Old and the New Testaments is represented by a single blank page which perhaps has symbolic significance From Malachi to Matthew has for long remained vague and unfamiliar to many readers of the Scriptures Many mysteries remain but in recent times much light has been cast on this whole period Exciting new insights have been provided by the writings of numbers of scholars and by some remarkable archaeological discoveries The discovery of the Dead Sea Scrolls caught the popular imagination and engaged the attention of worldwide scholarship In this small volume an attempt is made to review these years in the light of recent study and discoveries and in particular to assess the religious contribution made by that rather strange company of men known as the apocalyptists The purpose of this book is selective rather than exhaustive indicating the part which the apocalyptists had to play within the religious development of Judaism and in the preparation of men s minds for the coming of Christianity

The Kingdom of God John Fuellenbach,2006-04-01 The fruit of many decades of study and teaching The Kingdom of God provides an impressive systematic treatment of the doctrine of the Kingdom of God It is a comprehensive review of this crucial symbol as well as a careful analysis of its meaning and a creative interpretation of the Kingdom motif for the church and Christians in our age The Kingdom of God begins by analyzing the background of this idea in Hebrew scripture and tradition and in the preaching

of Jesus Fuellenbach explores how this elusive phrase presents a specific comprehensive view of reality and a goal for transforming the world In Fuellenbach s reading the Kingdom forms the core of Christian faith and the reference point of all theology spirituality and apostolic activity Fuellenbach pays special attention to the relationships among Kingdom Church and World arguing that with the Kingdom Jesus proclaimed a vision that embraces God humankind and the whole of creation in the single most comprehensive vision of reality imaginable The Kingdom of God is balanced and nuanced in its scholarship but also vigorous and courageous in taking positions sure to provoke debate For example Fuellenbach argues that the word Kingdom is to be preferred over the word Reign despite critiques that find the word problematic in its patriarchal connotations Designed for and tested in classrooms worldwide The Kingdom of God will be particularly useful in both scripture and theology courses It holds much food for thought for religious educators pastoral workers clergy and others who wish for a clear systematic understanding of Jesus vision of the Kingdom now and to come *Jewish eschatology, early Christian Christology and the Testaments of the twelve Patriarchs* Marinus de Jonge, 2014-04-03 This volume which appears on the occasion of Marinus de Jonge s retirement as Professor of New Testament at Leiden University brings together twenty essays which he wrote recently for various periodicals and collective works A number of articles deal with the expectation of the future in Jewish sources like Ps Sol the Qumran Scrolls and Josephus Closely connected with these are some essays on the question of how such titles as Christ and Son of David came to be applied to Jesus Eleven essays delve into various important aspects of the Testaments of the Twelve Patriarchs eschatology ethics paraenesis but also their use of Jewish source material and their view of the history of God s dealing with man a view related to that held by Justin and Hippolytus This book throws light on the Jewish origins of early Christian theology and on its relationship with the Hellenistic culture in which it developed The book also includes Marinus de Jonge s bibliography *New Testament Theology* Gerhard Hasel, 1978-09-26 This book gives an overview about the varieties of approaches in the New testamen debate Abbreviations Introduction 1 Beginnings and the development of NT theology 2 Methodology in NT theology 3 The center and unity in NT theology 4 NT theology and the OT 5 Basic proposals toward a NT theology a multiplex approach Selectes bibliography Index of names Index of subjects *Jensen's Survey of the New Testament* Irving Jensen, 1981-05-26 Leads the reader to study and personal reflection considering the practical implications of Scripture This one volume contains all of Irving Jensen s Bible self study guides to the New Testament *Jensen Survey-2 Volume Set -Old and New Testaments* Irving Jensen, 1982-06-01 This package includes the complete two volume set of Jensen s Survey of the Testaments Jensen s Survey of the Old Testament and Jensen s Survey of the New Testament In Jensen s Survey of the Old Testament the author provides a useful survey of the Old Testament that will aid in understanding difficult passages This one volume contains all of Irving Jensen s Bible self study guides to the Old Testament In Jensen s Survey of the New Testament Jensen leads the reader to study and personal reflection considering the practical implications of Scripture This one volume contains all of Irving Jensen s Bible
