Between Two Worlds The Spiritual Journey Of An Evangelical Catholic:

Between Two Worlds Mike Timmis, 2007-11 Timmis a prominent leader in both the evangelical and Catholic communities shares his story that unites two very different expressions of faith With an honest and open minded approach he seeks to answer a crucial question can evangelical faith and Catholicism be reconciled The Journey to Ultimate Friendship Michael T. Timmis, 2023-01-03 Friendship with others is one of God s greatest gifts Yet how can we understand its power and the blessings that it can bring In The Journey to Ultimate Friendship Mike Timmis shares his experiences and the why and how to build relationships with others Through real life stories and practical wisdom you will come to treasure friendships and most of all to experience friendship with the Lord the greatest relationship of all Pilgrims and Prisoners Ron Nikkel, Andy Corley, 2023-07-20 When justice is used as a synonym for judgment we miss the point of justice The prisons of the world are bursting at the seams with offenders who have been judged guilty and are being punished for wrongdoing Prisons are a failure In fact justice is not achieved through imprisonment Ron and Andy have dedicated their lives to pursuing justice and mercy in response to criminal offenders In many respects prisons are the most spiritual places on earth It is in prison where the great questions of humanity converge questions of guilt and forgiveness good and evil retribution and redemption hope and despair life and death guilt and forgiveness judgment and mercy Where is God in the midst of all of this Is God even relevant does God care And if God cares does that make any difference to the justice we seek Ron has likely been in more prisons in more countries than any other person He has been in the very best of prisons and the prisons that can only be described as hellholes In their journey through the prisons of the world both Ron and Andy have encountered Jesus God imprisoned with men and women in the margins of respectability and human dignity God of all righteousness and justice love and mercy embracing offenders in the depths of their human condition Citizen Mack Connie Mack, 2020-05-12 A former US Senator looks back on his eighteen year career in Washington his battle with cancer and his life after politics Citizen Mack Politics An Honorable Calling is former Republican US Senator Connie Mack III s memoir detailing his life in the world of Washington D C politics and where that lead him afterwards From his beginning as a member of the House of Representatives from Florida through the 80s to his escalation to a Senator for the duration of the 90s Mack offers an inside look into the political culture and climate of the nation as it closed out the twentieth century and progressed into the twenty first Readers will experience a thorough and honest account of what the world of Washington looks like from a man whom George W Bush wanted as his running mate who took part in the debate over one of the country s most contentious Supreme Court Justice appointments whose voice mattered when it came to deciding whether to remove President Bill Clinton from office following his impeachment by the House All this and more Mack recounts as a once politician now citizen Citizen Mack Praise for Citizen Mack Citizen Mack is the story of a life of public service and a lot more I was privileged to serve with Connie in the US Senate and can tell you his own service validates his belief that politics is an

honorable calling His leadership outside of politics especially in the war on cancer makes it equally clear that there is more to his life than politics Joe Lieberman Former US Senator When I was diagnosed with cancer in 1995 then senator Connie Mack whom I hardly knew called me to say Don t worry Sam I had the same thing and I m OK now you will be too Can you imagine what that did for me This wonderful man has helped people through a lifetime of selfless public service Read his story Citizen Mack and consider how times have changed Sam Donaldson Former ABC News Anchor A wonderful book about more than politics It is also the story of how Senator Mack and his wife Priscilla survived cancer and how she shed her careful cloak of privacy joined the fight and became an inspiration and a force in the Race for the Cure Nancy G Brinker Founder of Susan G Komen and Promise Fund of FL Global Cancer Advocate Consultant and Three Time US Ambassador

trends in what may be called the contemporary post al age whether of the postmodern post Christendom post Enlightenment post Western or postcolonial varieties This volume is unique among offerings in this arena in suggesting a way forward that engages on each of these fronts and does so from a particularistic Christian perspective without giving up on Christian theology s traditional claims to universality This is accomplished through the articulation of a distinctive dialogical methodology informed by both pentecostalism and evangelicalism one rooted in the Christian salvation history narrative of incarnation and Pentecost that is yet open to the world in its many and various cultural ethnic religious and disciplinary discourses Amos Yong here engages with twelve different interlocutors representing different ecumenical religious and disciplinary perspectives The Dialogical Spirit thus not only proffers a model for Christian theological method suitable for the twenty first century global context but also exemplifies this methodological approach through its interactions across the contemporary scholarly academic and theological landscape

The Christian Path in a Pluralistic World and the Study of Spirituality Diana Villegas,2012-01-01 Based on exploration of boundaries between spirituality and religion this book argues that theological study of spirituality is important for interpretation of the Christian path in a pluralistic world As a text for graduate study in spirituality and ministry it explores relevant sociological studies post modern culture contemporary study of Christian spirituality and a brief history of the relationship between theology and spirituality The book argues that the revelation and tradition of Christianity understood and interpreted in the light of contemporary culture make a difference to postmodern persons quests for spirituality What one believes and how one understands that belief influences the manner in which the Christian path is lived in a pluralistic global world The book discusses the role of religion in culture and the relevance of this for the identity of religious spirituality and the study of Christian spirituality
