Globalization and Education Jeffrey S. Brooks,Anthony H. Normore,Melanie C. Brooks,Nicola Sum,2022-06-01 Globalization and Education Teaching Learning and Leading in the World Schoolhouse explores the various ways educators work is influenced by globalization This book presents topics and contexts traditionally marginalized in mainstream education research discourses and shows how local and global education issues are intersecting and shaping the ways in which ideas and practices are shared around the world Each chapter presents an educational issue in an understudied international context such as Saudi Arabia Guyana Bangladesh Malaysia Indonesia Brazil and Nepal Topics range from how

the knowledge industry shapes education in schools to the impact of globalization on school leadership teaching and learning We invite scholars and practitioners to join us in the world schoolhouse a place where discussion about educational understanding and improvement is not bounded by national borders school systems or language This book will both challenge and expand thinking about the complexities of education during a time of globalization and change Conjectures and Controversy in the Study of Fundamentalism W. Paul Williamson, 2020-06-22 In Conjectures and Controversy in the Study of Fundamentalism W Paul Williamson takes a critical look at the sociohistorical emergence of fundamentalism and examines how historians constructed popular though questionable conceptions of the movement that have dominated decades of empirical research in psychology He further analyzes the notions of militancy and anti modernity as valid characterizations of fundamentalism and examines whether fundamentalism as a Christian Protestant phenomenon is useful in labelling global forms of religious extremism and violence In observing the lack of theory driven research the publication offers theories that situate fundamentalism as a social psychological phenomenon as opposed to some personal predisposition Students and scholars of fundamentalism will discover Conjectures and Controversy in the Study of Fundamentalism to be a provocative study on the topic **Living between Science and Belief** Charles Villa-Vicencio, 2021-01-28 Most thoughtful people live in an interregnum between science and religion Traditional religious answers concerning the beginning purpose and end of life are questioned by the natural sciences with neuroscience conceivably constituting the last frontier where skeptics and believers explore common ground The question concerns the nature of reflective and creative moments in life Can these be reduced to the intersect between the nerve cells and molecules of the physical brain Does this account for the human sense of mystery or even spirituality Is there a nexus between the physical and unknown dimensions of existence The mutation in the history of theism suggests that progressive theology in the West may be set for further change Exchanging Terrorism Oxygen for Media Airwaves: The Age of Terroredia Eid, Mahmoud, 2014-03-31 Terroredia is a newly coined term by the editor Dr Mahmoud Eid to explain the phenomenal yet under researched relationship between terrorists and media professionals in which acts of terrorism and media coverage are exchanged influenced and fueled by one another Exchanging Terrorism Oxygen for Media Airwaves The Age of Terroredia provides a timely and thorough discussion on a wide range of issues surrounding terrorism in relation to both traditional and new media Comprised of insights and research from leading experts in the fields of terrorism and media studies this publication presents various topics relating to Terroredia understanding of terrorism and the role of the media terrorism manifestations and media representations of terrorism types of terrorism and media stereotypes of terrorism terrorism tactics and media strategies the war on terrorism the function of terrorism and the employment of the media new terrorism and new media contemporary cases of terrorist media interactions the rationality behind terrorism and counterterrorism as well as the responsibility of the media This publication is of interest to government officials media professionals researchers

and upper level students interested in learning more about the complex relationship between terrorism and the media

Faith Lies Darrell Smith, 2019-01-08 Faith Lies 7 Incomplete Ideas That Hijack Faith and How to See Beyond Them is for people noticing the cracks in the foundation of their faith as well as those who feel they have been hurt or discarded by a God or a faith that just does not make sense Faith lies are those seemingly required religious ideas or spiritual beliefs that are often confusing and rarely helpful LIE 1 The Bible is the Literal Word of God The Bible is not the written record of God's dictation God was most certainly the inspiration for the Bible but not the medium People were the medium they did the storytelling the writing the selecting and the interpretation that resulted in the Bible The Bible is not God's Bill of Rights and Constitution Rather it is a divinely inspired story of progression that should open things up rather than constrict and regulate LIE 2 God is Angry and Doesn't Like Me Especially When I Sin Instead of perceiving God as a loving parent many of us understand God as a cosmic scorekeeper intent on our purification Understanding God as a loving parent not only requires a reframing of our perception of God but also invites us to see each other and ourselves as beloved children LIE 3 The Devil is God's Counterpart This is the bad idea that the Bible presents a continuous consistent narrative about the devil It simply does not Moreover when we string together what we actually have disparate statements about Satan made by different people from different places languages cultures and times we arrive at the strange notion that there is a good God who is responsible for the good things in our lives and a bad God Satan who handles the bad stuff LIE 4 I Am Supposed to Protect and Defend God and My Faith There are real tensions and conflicts around the globe today that are built on the notion that as people of faith one of our jobs is to defend our faith or our God Rather than settling for a God who needs our protection we can follow the powerfully divine thread of moving beyond the tribe that is found throughout the Bible LIE 5 There is One Right Way to Believe and One Right Way to Behave One of the root lies of fundamentalism in all faiths is the notion that true faith is defined by believing the right things and acting the right way Isn't it more likely that we are all part of a diverse creation that flows from a God that cannot be contained by any one belief or behavior LIE 6 Faith is a Private Matter Much like whom we voted for in the last election or how much money we make people have wrongfully accepted the idea that faith is a private matter and not to be shared with others The spiritual life has always been a communal life We require others to undertake our journey and others need us too LIE 7 Real Faith is Blind Belief The idea that true faith has no doubts or questions creates a powerless and impotent faith that discourages critical thinking and fosters the ridiculous assumption that science and faith are unrelated Real faith actually requires doubt criticism and exploration in order to change us let alone change the world While the loud voices at the margins adamantly declare faith either completely irrelevant or capable of being contained in one narrow ideology most people get lost in the mix feeling no certainty or comfort in either direction Faith Lies deconstructs the terrible notion that faithlessness and fundamentalism are our only options
