Beyond Ideology Politics Principles And Partisanship In The U S Senate

Eric Schickler, Frances E. Lee

Beyond Ideology Politics Principles And Partisanship In The U S Senate:

Beyond Ideology Frances E. Lee, 2024-05-31 The congressional agenda Frances Lee contends includes many issues about which liberals and conservatives generally agree Even over these matters though Democratic and Republican senators tend to fight with each other What explains this discord *Beyond Ideology* argues that many partisan battles are rooted in competition for power rather than disagreement over the rightful role of government The first book to systematically distinguish Senate disputes centering on ideological questions from the large proportion of them that do not this volume foregrounds the role of power struggle in partisan conflict Presidential leadership for example inherently polarizes legislators who can influence public opinion of the president and his party by how they handle his agenda Senators also exploit good government measures and floor debate to embarrass opponents and burnish their own party's image even when the issues involved are broadly supported or low stakes Moreover Lee contends the congressional agenda itself amplifies conflict by increasingly focusing on issues that reliably differentiate the parties With the new president pledging to stem the tide of partisan polarization *Beyond Ideology* provides a timely taxonomy of exactly what stands in his way

Political Polarization in American Politics John Sides, Daniel J. Hopkins, 2015-03-12 *Political Polarization in American Politics* provides short accessible chapters about the nature and extent of political polarization within the American public and in American political institutions These chapters capture the central ideas and debates in political science research on polarization and are written by leading scholars in this subfield Each chapter is accompanied by discussion questions and a guide to further reading making this a great addition to any course looking at issues of polarization

The Partisan Next Door Ethan C. Busby, Adam J. Howat, Jacob E. Rothschild, Richard M. Shafranek, 2021-09-29 In the United States politics has become tribal and personalized The influence of partisan divisions has extended beyond the political realm into everyday life affecting relationships and workplaces as well as the ballot box To help explain this trend we examine the stereotypes Americans have of ordinary Democrats and Republicans Using data from surveys experiments and Americans own words we explore the content of partisan stereotypes and find that they come in three main flavors parties as their own tribes coalitions of other tribes or vehicles for political issues These different stereotypes influence partisan conflict people who hold trait based stereotypes tend to display the highest levels of polarization while holding issue based stereotypes decreases polarization This finding suggests that reducing partisan conflict does not require downplaying partisan divisions but shifting the focus to political priorities rather than identity a turn to what we call responsible partisanship

American Gridlock James A. Thurber, Antoine Yoshinaka, 2015-11-12 *American Gridlock* brings together the country's preeminent experts on the causes characteristics and consequences of partisan polarization in US politics and government with each chapter presenting original scholarship and novel data This book is the first to combine research on all facets of polarization among the public both voters and activists in our federal institutions Congress the presidency and the Supreme Court at the state level and in

the media Each chapter includes a bullet point summary of its main argument and conclusions and is written in clear prose that highlights the substantive implications of polarization for representation and policy making Authors examine polarization with an array of current and historical data including public opinion surveys electoral and legislative and congressional data experimental data and content analyses of media outlets American Gridlock s theoretical and empirical depth distinguishes it from any other volume on polarization *Solutions to Political Polarization in America* Nathaniel Persily,2015-04-27 Political polarization dominates discussions of contemporary American politics Despite widespread agreement that the dysfunction in the political system can be attributed to political polarization commentators cannot come to a consensus on what that means The coarseness of our political discourse the ideological distance between opposing partisans and most of all an inability to pass much needed and widely supported policies all stem from the polarization in our politics This volume assembles several top analysts of American politics to focus on solutions to polarization The proposals range from constitutional change to good government reforms to measures to strengthen political parties Each tackles one or more aspects of America s polarization problem This book begins a serious dialogue about reform proposals to address the obstacles that polarization poses for contemporary governance **Congress Reconsidered** Lawrence C. Dodd,Bruce I. Oppenheimer,C. Lawrence Evans,2020-12-22 Since its first edition *Congress Reconsidered* was designed to make available the best contemporary work from leading congressional scholars in a form that is both challenging and accessible to undergraduates With their Twelfth Edition Lawrence C Dodd Bruce I Oppenheimer and C Lawrence Evans continue this tradition as their contributors focus on how various aspects of Congress have changed over time C Lawrence Evans partners with Wendy Schiller to discuss the U S Senate and the meaning of dysfunction Molly E Reynolds analyzes the politics of the budget and appropriations process in a polarized Congress and Danielle M Thomsen looks at the role of women and voter preferences in the 2018 elections With a strong new focus on political polarization this bestselling volume remains on the cutting edge with key insights into the workings of Congress *Pork Barrel Politics* Andrew H. Sidman,2019-08-06 Conventional wisdom holds that legislators who bring pork federal funds for local projects back home to their districts are better able to fend off potential challengers For more than four decades however the empirical support for this belief has been mixed Some studies have found that securing federal spending has no electoral effects at best or can even cost incumbent legislators votes In *Pork Barrel Politics* Andrew H Sidman offers a systematic explanation for how political polarization affects the electoral influence of district level federal spending He argues that the average voter sees the pork barrel as an aspect of the larger issue of government spending determined by partisanship and ideology It is only when the political world becomes more divided over everything else that the average voter pays attention to pork linking it to their general preferences over government spending Using data on pork barrel spending from 1986 through 2012 and public works spending since 1876 along with analyses of district level outcomes and incumbent success Sidman demonstrates the rising power of polarization in United States elections During periods of

low polarization pork barrel spending has little impact but when polarization is high it affects primary competition campaign spending and vote share in general elections *Pork Barrel Politics* is an empirically rich account of the surprising repercussions of bringing pork home with important consequences in our polarized era **Angry Politics** Stacy G. Ulbig, 2020-12-11 At a time of political tribalism and ideological purity tests when surveys tell us that pluralities of the people in each party deem the opposition downright evil it can be hard to remember that cross party hatred isn't an inherent feature of partisan politics But as this book reminds us a backward glance or a quick survey of so many retiring members of Congress tells us that even in the past decade partisan rancor has grown exponentially In *Angry Politics* Stacy G. Ulbig asks why Even more to the point she traces the trend to the place where it all might begin the college campus among the youngest segment of the electorate A distinguished researcher and scholar of political psychology and public opinion Ulbig gets right to the heart of the problem the early manifestation of the incivility pervading contemporary US politics With an emphasis on undergraduates at four year universities she gauges the intensity and effects of partisan animosities on campus examines the significance of media consumption in forming political attitudes and considers the possibility that partisan hostility can operate like racial and ethnic animosities in fomenting intolerance for other groups During the college years political attitudes are most likely to be mutable so as *Angry Politics* explores the increasing combativeness on campus it also considers the possibility of forestalling partisan hatred before attitudes harden Finally Ulbig finds hope in the very conditions that make college a breeding ground for political ill will Embracing their responsibility for developing responsible citizens capable of productive political engagement colleges and universities may well be able to inject more reason and thus more civility into future partisan debate **The Increasingly United States** Daniel J. Hopkins, 2018-05-30 In a campaign for state or local office these days you're as likely today to hear accusations that an opponent advanced Obamacare or supported Donald Trump as you are to hear about issues affecting the state or local community This is because American political behavior has become substantially more nationalized American voters are far more engaged with and knowledgeable about what's happening in Washington DC than in similar messages whether they are in the South the Northeast or the Midwest Gone are the days when all politics was local With *The Increasingly United States* Daniel J. Hopkins explores this trend and its implications for the American political system The change is significant in part because it works against a key rationale of America's federalist system which was built on the assumption that citizens would be more strongly attached to their states and localities It also has profound implications for how voters are represented If voters are well informed about state politics for example the governor has an incentive to deliver what voters or at least a pivotal segment of them want But if voters are likely to back the same party in gubernatorial as in presidential elections irrespective of the governor's actions in office governors may instead come to see their ambitions as tethered more closely to their status in the national party The Oxford Handbook of the American Congress Eric Schickler, Frances E. Lee, 2013-03-14 No legislature in the world has a

greater influence over its nation's public affairs than the US Congress. The Congress's centrality in the US system of government has placed research on Congress at the heart of scholarship on American politics. Generations of American government scholars working in a wide range of methodological traditions have focused their analysis on understanding Congress both as a lawmaking and a representative institution. The purpose of this volume is to take stock of this impressive and diverse literature, identifying areas of accomplishment and promising directions for future work. The editors have commissioned 37 chapters by leading scholars in the field; each chapter critically engages the scholarship focusing on a particular aspect of congressional politics, including the institution's responsiveness to the American public, its procedures and capacities for policymaking, its internal procedures and development, relationships between the branches of government, and the scholarly methodologies for approaching these topics. The Handbook also includes chapters addressing timely questions, including partisan polarization, congressional war powers, and the supermajoritarian procedures of the contemporary Senate. Beyond simply bringing readers up to speed on the current state of research, the volume offers critical assessments of how each literature has progressed or failed to progress in recent decades. The chapters identify the major questions posed by each line of research and assess the degree to which the answers developed in the literature are persuasive. The goal is not simply to tell us where we have been as a field but to set an agenda for research on Congress for the next decade. The Oxford Handbooks of American Politics are a set of reference books offering authoritative and engaging critical overviews of the state of scholarship on American politics. Each volume focuses on a particular aspect of the field. The project is under the General Editorship of George C. Edwards III and distinguished specialists in their respective fields edit each volume. The Handbooks aim not just to report on the discipline but also to shape it as scholars critically assess the scholarship on a topic and propose directions in which it needs to move. The series is an indispensable reference for anyone working in American politics.

General Editor for The Oxford Handbooks of American Politics: George C. Edwards III

The Enthralling World of E-book Books: A Detailed Guide Revealing the Pros of Kindle Books: A Realm of Ease and Versatility

Beyond Ideology Politics Principles And Partisanship In The U S Senate Introduction

In the digital age, access to information has become easier than ever before. The ability to download Beyond Ideology Politics Principles And Partisanship In The U S Senate has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Beyond Ideology Politics Principles And Partisanship In The U S Senate has opened up a world of possibilities. Downloading Beyond Ideology Politics Principles And Partisanship In The U S Senate provides

numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Beyond Ideology Politics Principles And Partisanship In The U S Senate has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Beyond Ideology Politics Principles And Partisanship In The U S Senate. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Beyond Ideology Politics Principles And Partisanship In The U S Senate. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Beyond Ideology Politics Principles And Partisanship In The U S Senate, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Beyond Ideology Politics Principles And Partisanship In The U S Senate has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Beyond Ideology Politics Principles And Partisanship In The U S Senate Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before

making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely!
