

Beyond the **Downbeat** *Choral Rehearsal Skills and Techniques*

Sandra Willetts

Beyond The Downbeat Choral Rehearsal Skills And Techniques

Chad Fothergill

Beyond The Downbeat Choral Rehearsal Skills And Techniques:

Beyond the Downbeat Sandra Willetts,2000 This book helps choral directors make their choirs sound more artistically beautiful It provides guidelines about the use of diction and related areas of vocal technique and improvement It includes useful choral warm up exercises and other practical helps for any choral group Easy to read understand and apply the material in *Beyond the Downbeat* covers many important aspects of choral leadership beyond conducting The material is practical for choirs of any size and leaders at any level of training

Choral Conducting and the Construction of Meaning Liz Garnett,2017-07-05 It is a truism in teaching choral conducting that the director should look like s he wishes the choir to sound The conductor s physical demeanour has a direct effect on how the choir sings at a level that is largely unconscious and involuntary It is also a matter of simple observation that different choral traditions exhibit not only different styles of vocal production and delivery but also different gestural vocabularies which are shared not only between conductors within that tradition but also with the singers It is as possible to distinguish a gospel choir from a barbershop chorus or a cathedral choir by visual cues alone as it is simply by listening But how can these forms of physical communication be explained Do they belong to a pre cultural realm of primate social bonding or do they rely on the context and conventions of a particular choral culture Is body language an inherent part of musical performance styles or does it come afterwards in response to music At a practical level to what extent can a practitioner from one tradition mandate an approach as good practice and to what extent can another refuse it on the grounds that we don t do it that way This book explores these questions at both theoretical and practical levels It examines textual and ethnographic sources and draws on theories from critical musicology and nonverbal communication studies to analyse them By comparing a variety of choral traditions it investigates the extent to which the connections between conductor demeanour and choral sound operate at a general level and in what ways they are constructed within a specific idiom Its findings will be of interest both to those engaged in the study of music as a cultural practice and to practitioners involved in a choral conducting context that increasingly demands fluency in a variety of styles

Preaching to the Choir Second Edition Wayne L. Wold,2023-07-21 *Preaching to the Choir* imparts practical and pastoral wisdom to church musicians in their vocation as choir directors With deep care for those who sing and a warm sense of humor Wold invites all who work with choirs to discover the amazing responsibility in this wonderful ministry This second edition attends to recent challenges choir directors have encountered and provides guidance as they look to the future always with a sense of the Spirit s presence

TIPS Patrick K. Freer,2009-08-15 Whether you re new to working with middle school choirs or seeking advice on improving your effectiveness you ll appreciate the useful hands on strategies in *The First Weeks of Middle School Chorus Implement* Freer s specific ready to use tips immediately in your rehearsals He reminds you of things you ve forgotten prompts you to reframe what you already do and encourages you to try new approaches Organized in lists for easy reference the book takes you through the first weeks of school and covers setting up

your classroom choral activities for day one and beyond repertoire for the first weeks warm ups for changing voices rehearsal strategies placing students into groups and voice parts and resources Readers who find TIPS The First Weeks of Middle School Chorus helpful may want to consult Freer's *Getting Started with Middle School Chorus* Second Edition for more detailed information about the tips strategies and techniques found in this practical guide *Sing with All the People of God* Chad Fothergill, 2020-05-11 *Sing with all the People of God* by Chad Fothergill will be especially valuable for church musicians as well as pastors and other rostered leaders It addresses topics such as skillful preparation planning and leadership of assembly song working with volunteer musicians and staff navigating questions of musical style and more

Getting Started with Middle School Chorus Patrick K. Freer, 2009-08-15 New to teaching chorus If so you may be filled with anticipation and anxiety *Getting Started with Middle School Chorus* is here to point you in the right directions Like other books in the *Getting Started* series there's enough specific information here to get you started and on your way This second edition of *Getting Started with Middle School Chorus* gives you new information on working with young adolescent changing voices designing optimal rehearsals for middle schoolers managing growing choral programs and helping youngsters gain musical skills they can carry with them for a lifetime of making music This practical outline will help build your confidence as you take on the new responsibilities associated with teaching middle school chorus *Teaching Music Through Performance in Choir* Frank Abrahams, James Mark Jordan, Anton Armstrong, Joseph Flummerfelt, Graeme Morton, Weston Noble, 2005 Written researched and compiled by choral scholars and educators with a wealth of teaching and conducting experience the *Teaching Music through Performance in Choir* series aids conductors and educators on the quest toward full musical awareness Publisher description **International Review of the Aesthetics and Sociology of Music**, 2005 *Notes* Music Library Association, 2001 **American Book Publishing Record**, 2001
