BOOK 1 Beyond imagination Jamie d Cook,2023-09-03 The trio stood together on the barren planet staring down an army of powerful enemies They had been fighting for days and they were exhausted battered and bruised They had not anticipated that they would face such fierce opposition and they knew that they could not hold out much longer As they regrouped they realized that their only chance was to make a desperate move One of them would have to make the ultimate sacrifice to save the world and defeat the enemies They knew there was no other way For a long moment there was silence as they each considered the magnitude of the decision Finally one of them the bravest of the trio stepped forward I will do it he said firmly I know what I have to do His decision was met with tearful solemn nods from the others *Beyond Myth: The Creation Series, Volume One* Wallace R. Clausen,2025-10-22 In Beyond Myth readers travel deep into Isreal s ancient faith

There Genesis is examined through a two panel three paired days framework Out of it emerges the surprising theme that humanity has been appointed rulers over the created order Three interpretive tools underscore this study Those tools and the two panel framework not only unlock the Genesis author s message but they make Beyond Myth an ideal read for collaborative study groups This book is unlike any on the market today From a college student seeking to understand Genesis to a parent of teens whose questions on science versus creation are befuddling or one who holds secret doubts about the veracity of Genesis with its myth like claims in which a serpent speaks and fruit gives knowledge as well as eternal life this book will reassure readers faith Importantly for those who wonder how Genesis 1 3 might address twenty first century America Clausen transforms antiquity s message into a relevant theological critique Beyond Myth vaults readers into a dynamic new understanding of this ancient text one free from mythic falsehoods from science battering the Bible and from deception as the church slips deeper into fragmentation chaos and the despair of political darkness
