Walsh upon his retirement as Campus Minister at the University of Toronto Christian Reformed Campus Ministry The collection is a stunning mosaic at once academic and personal representing the many elements of Brian's life as pastor theologian professor farmer mentor and friend In an age when home feels physically and spiritually elusive for so many this volume reawakens our imaginations to the foundational biblical themes of homecoming and homemaking Academic pastoral personal and timely this volume honors Brian's career and equips readers to engage the fear and anxiety of our age with the hope of the gospel *Healthy Christian Minds* Elmer John Thiessen, 2024-09-19 We live in polarizing times In this book Elmer Thiessen dares to suggest that the solution to the deep divides in our contemporary world and in the church is not to be found in more information more education more rationality or more critical thinking Instead we need to cultivate intellectual virtues such as the love of knowledge and truth intellectual humility and committed openness The

penultimate chapter treats intellectual virtues that are more relational in nature intellectual forbearance fairmindedness and intellectual courage The book explores the biblical and theological grounding of each intellectual virtue and reveals its practical importance for our fractious times making use of concrete examples throughout Each of the central chapters begins with a questionnaire aimed at promoting self examination and stimulating reflection about the virtues and vices under consideration This is a book for the thoughtful Christian reader aimed at transforming the way we think **Security for the**

Pope Jordan Nyenyembe,2013 Security issue has emerged in workshops and seminars as one of the pertinent themes of today Global security is at stake as terror networks fuel hate and intolerance against the Christian minority The Roman Catholic Church is subjected to threats by some radical section of Muslims and fundamentalists from Pentecostal sects Some Church ministers including popes have been targeted and attacked Given such a situation the security of the Pope and the Roman Catholic Church is an urgent theme for reflection in response to the concrete situations facing the Church Security issue cannot be treated as peripheral theme in contemporary ecclesiology Creation Care and the Gospel LAUSANNE MOVEMENT,2016-06-02 How should Christians react to environmental crisis Historically evangelicals have ignored this aspect of living for Christ so this book aims to reinvigorate and empower Christians across the globe to care for creation This book collects the work of biblical scholars theologians biologists environmental researchers and community organizers who met at The Global Consultation on Creation Care and the Gospel in Jamaica in 2012 Participants from 23 countries as diverse as Argentina Bangladesh Benin and Canada gathered for five days to pray talk and reflect on the state of the planet the home in which we live and on the role and ministry of the church in caring for God s creation The book contains biblical and theological affirmations from well respected scholars and teachers reminding us that caring for creation is central to the evangelical faith It is an integral part of our mission an expression of our worship of God and a matter of great joy and hope

Home Together Thomas Bergen,2020-08-13 Emerging adults today feel homeless and alone How can the church share the good news of a God who offers home and togetherness Home Together gives a compelling account of a Christian student residence that has shared this good news by engaging emerging adults in a community of discipleship and belonging For over thirty years the Menno Simons Centre in Vancouver British Columbia has supported university students and helped them to grow together in their faith Using the metaphor of home to describe this community Thomas Bergen outlines a practical theology of ministry among emerging adults as a shared home construction project He explores six aspects of the Menno Simons Centre as home spiritual supportive sabbatical safe spurring and sending combining theological reflection cultural analysis personal testimonies and practical wisdom Set against the backdrop of postmodern challenges Home Together offers an inspiring model of ministry among university students that might well be adapted for other contexts

Early Ecotheology and Joseph Sittler Panu Pihkala,2017 When did Christians begin to address environmental questions What can be learned from these pioneering thinkers This study reveals that between 1910 and 1954 many theologians called

for responsibility towards nature The focal point is the work of Joseph Sittler 1904 1987 an American Lutheran and ecumenical theologian The role of these early ecotheologians is discussed in relation to environmental history and education The findings show that ecotheology was not as strongly separated from other environmentalism as it was after the 1960s Series Studies in Religion and the Environment Studien zur Religion und Umwelt Vol 12 Subject Religious Studies Environmental Studies Ecotheology Joseph Sittler **Partnership as Mission** Kenneth Gray, Maylanne Maybee, 2023-11-10 This uniquely Canadian volume tells stories of Ellie Johnson missiologist and director of Partnerships at the Anglican Church of Canada from 1994 to 2008 More than that this book tells of God s mission and how the Anglican Church of Canada participated in that mission with our ecumenical partners Since the Anglican Congress of 1963 through the years of the ecumenical justice coalitions of the 1970s and 1980s through the drastic organizational restructuring of General Synod in the first decade of the 2000s change in the church has been continuous and relentless Ellie s skill in managing this change remains inspirational today In standing with residential school survivors identifying systemic racism seeking peace and ecojustice and contributing to global conversations about mission priorities and practices Ellie shared her experience and insight widely and effectively Through personal memories and tributes through detailed historical storytelling friends family and colleagues describe their own rich experience working with Ellie Others raise questions about the face and context of mission today recalling Ellie s favorite dictum all mission is local The collection concludes with some of Ellie s own unpublished words There is so much to appreciate about this deeply spiritual person whose legacy lives on as we draw on her legacy to find resilience and strength for today s demanding ecojustice journey
