Beyond Inequalities 2008 Women In Southern Africa:

Beyond the Enclave Godfrey Kanyenze, 2011 *Beyond the Enclave* sets out to unravel the contradiction of a country Zimbabwe where a rich diverse resource base co exists with endemic poverty One reason lies in the colonial economy which was predicated on an ideology of white supremacy creating an enclave formal economy employing one fifth of the labour force Yet over three decades after independence the non formal segment has become even more entrenched This book assesses Zimbabwe s economy through three main phases 1980-0 when a strong social policy framework proved difficult to sustain due to erratic growth and 1991-6 when structural adjustment demanded a market driven approach to development The third phase is characterized by crisis management leading to policy inconsistencies and reversals Not surprisingly such incoherence saw the economy descend into hyperinflation and paralysis in 2007-8 leading to the signing of the Global Political Agreement in September 2008 In the absence of formal dollarization economic recovery after the adoption of the multi currency regime has remained fragile leaving an estimated 70 per cent of the population outside the banking system This has further entrenched uneven enclave growth as the economy remains locked in a low income poverty trap There is a need to facilitate transition towards formality to promote decent jobs Furthermore a strategic developmental role for the state in the economy is now widely recognized as vital for development *Beyond the Enclave* argues for a new approach to development in Zimbabwe based on pro poor and inclusive strategies which will contribute to the well being of all of its citizens and wise stewardship of its resources It offers suggestions on policy formulation implementation monitoring and evaluation in all sectors designed to promote inclusive growth and humane development

Research on Gender and Sexualities in Africa Tamale, Sylvia, 2017-07-20 This collection comprises a diverse and stimulating collection of essays on questions of gender and sexualities crafted by both established and younger researchers The collection includes fascinating insights into topics as varied as the popularity of thong underwear in urban Kenya the complexity of Tanzanian youth s negotiation of HIV cultures the dialogues between religion and controversial questions in sexualities activism and the meaning of living as a Zimbabwean girl who became HIV positive because her mother had no access to antiretroviral drugs during pregnancy Some pieces deepen contemporary debates others initiate new questions The collection seeks to sustain and invigorate research policy making and continentally focused thought on difficult yet compelling realities

Politics South Africa Heather Deegan, 2014-05-22 South Africa s democratic transformation in 1994 captured the attention of the international community *Politics South Africa* provides an acute appraisal of the critical moments in the history of South Africa and examines the political environment in the years following the shift to democracy Under the leadership of the revered figure of Nelson Mandela the rainbow nation achieved the transition with less violence than had been feared A new generation of post Apartheid young people has grown up and the socio political environment is maturing However the country still has immense challenges to overcome in delivering services to its diverse populations faced with the impact of

HIV AIDS on communities and the economic demands of development This fully revised second edition includes two entirely new chapters based on the author's recent research and interviews within the country dealing with the legacy of the President Mbeki years the implications of the 2009 election and the challenges now facing the country under Jacob Zuma Politics South Africa is an accessible guide for students and a fascinating appraisal of a nation which has travelled a long journey but is still trying to reconcile its past Features include boxed discussions of key subject areas chronology of important events maps appendices of critical documents and speeches Dr Heather Deegan is a Reader in Comparative Politics at Middlesex University London She was a Fellow of the Africa Institute of South Africa Pretoria and was a Visiting Lecturer at the University of Witwatersrand She is the author of six books including the recently published Africa Today Culture Economics Religion Security 2009

SADC Gender Protocol 2013 Barometer, 2013-09-25 In August 2008 Heads of State of the Southern African Development Community adopted the ground breaking SADC Protocol on Gender and Development This followed a concerted campaign by NGOs under the umbrella of the Southern Africa Gender Protocol Alliance By the 2013 Heads of State summit 13 countries had signed and 12 countries had ratified the SADC Gender Protocol The Protocol is now in force With two years to go time is ticking to 2015 when governments need to have achieved 28 targets for the attainment of gender equality In keeping with the Alliance slogan Yes we must this 2013 Barometer provides a wealth of updated data against which progress will be measured by all those who cherish democracy in the region The SADC Gender and Development Index SGDI introduced in 2011 complements the Citizen Score Card CSC that has been running for five years to benchmark progress

Capitalism and the Commons Andreas Exner, Sarah Kumnig, Stephan Hochleithner, 2020-12-30 Capitalism and the Commons focuses on the political and social perspectives that commons offer how they are appropriated or suppressed by capital and state and how social initiatives and movements contest these dynamics or build their struggles on commoning The volume comprises theoretical and empirical approaches that engage with three main themes conceptualizing the commons analyzing practices of commoning and exploring commons politics In their contributions the authors focus on the development of anti capitalist commons and explore the issue of practice and politics through case studies from Colombia the Democratic Republic of Congo South Africa and Africa more broadly Austria Germany and South Korea ranging from peri urban and rural agriculture to urban commons and how they manifest in the Global South as well as in the Global North The book engages with different discourses on the commons in regard to their relevance for social change and thereby reinvigorates the political meaning of the commons It provides an original and important approach to the topic in terms of conceptualization detailing diverse empirical realities and analyzing potential perspectives In so doing the book transcends narrow disciplinary boundaries and expands the focus to the global Providing a fresh perspective on the commons as a decisive component of alternatives this title will be relevant to scholars and students of resource management social movements and sustainable development more broadly

Women's Rights in

Democratizing States Denise M. Walsh, 2010-11-15 This study offers an explanation for why advances in women's rights rarely occur in democratizing states Drawing on deliberative theory Denise Walsh argues that the leading institutions in the public sphere are highly gendered meaning women's ability to shape the content of public debate and put pressure on the state to advance their rights is limited She tests this claim by measuring the openness and inclusiveness of debate conditions in the public sphere during select time periods in Poland Chile and South Africa Through a series of structured focused comparisons the book confirms the importance of just debate for securing gender justice The comparisons also reveal that counter publics in the leading institutions in the public sphere are crucial for expanding debate conditions The book concludes with an analysis of counter publics and suggests an active role for the state in the public sphere

Southern Africa Environment Outlook, 2008 Natural Hazards José Simão Antunes Do Carmo, 2018-12-12 This book addresses different aspects of natural hazards and vulnerabilities with a focus on prevention and protection It consists of nine chapters five on flood events addressing vulnerabilities risk assessments impacts sensitivity analyses and mitigation measures two on climate change and reconstruction of natural hazard events such as avalanches and rockslides and two on tsunamis and volcanoes All chapters provide relevant information and useful elements for readers interested and concerned about the lack of action or its ineffectiveness in containing the vulnerabilities and risks of possible natural hazards worldwide

The Other #MeToos Iqra Shagufta Cheema, 2023 From Asia to Africa to the Middle East MeToo has inspired local movements and hashtag trends like AnaKaman and transnational collective hashtags like MosqueMeToo Yet most Western scholarly and popular treatment of the movement assumes it is a primarily Western phenomenon To attend to the revolutionary international impact of MeToo Iqra Shagufta Cheema brings together contributions from scholars and scholar activists that look at specific iterations of the MeToo movement across multiple communities cultures and countries in the Global South Going beyond gender this comprehensive study focuses on the intersectional assemblage of ethnicity religion race class and politics that informs MeToo and its place in local and transnational feminisms By doing so The Other MeToos highlights the adaptation translation and impact of MeToo in non Western postcolonial minoritized and othered locales to explore its wider scope and possibilities

Namibia's Rainbow Project Robert Lorway, 2014-11-28 What are the consequences when international actors step in to protect LGBT people from discrimination with programs that treat their sexualities in isolation from the facts on the ground Robert Lorway tells the story of the unexpected effects of The Rainbow Project TRP a LGBT rights program for young Namibians begun in response to President Nujoma's notorious hate speeches against homosexuals Lorway highlights the unintended consequences of this program many of which ran counter to the goals of local and international policy makers and organizers He shows how TRP inadvertently diminished civil opportunities at the same time as it sought to empower youth to claim their place in Namibian culture and society Tracking the fortunes of TRP over several years Namibia's Rainbow Project poses questions about its effectiveness in the faces of class distinction and growing

inequality It also speaks to ongoing problems for Western sexual minority rights programs in Africa in the midst of political violence heated debates over anti discrimination laws and government sanctioned anti homosexual rhetoric
