Beyond Paradise Andre Soares,2002-12-10 A portrait of the Hollywood actor best known for his sensational murder considers his starring roles in such films as Mata Hari and the original Ben Hur discussing his carefully cultivated image and secret homosexuality

Beyond Paradise André Soares,2010-04-19 The first Latin American actor to become a superstar Ramon Novarro was for years one of Hollywood's top actors Born Ramon Samaniego to a prominent Mexican family he arrived in America in 1916 a refugee from civil wars By the mid 1920s he had become one of MGM's biggest box office attractions starring in now classic films including The Student Prince Mata Hari and the original version of Ben Hur He shared the screen with the era's top leading ladies such as Greta Garbo Myrna Loy Joan Crawford and Norma Shearer and he became Rudolph Valentino's main rival in the Latin Lover category Yet despite his considerable professional accomplishments Novarro's enduring hold on fame stems from his tragic death his bloodied corpse was found in his house on Halloween 1968 in what has become one of Hollywood's most infamous scandals A lifelong bachelor Novarro carefully cultivated his image as a man deeply devoted to his family and to Catholicism His murder shattered that persona News reports revealed that the dashing screen hero had not only been gay but he was dead at the hands of two young male hustlers Since then details of his murder have achieved near mythic proportions obscuring Novarro's professional legacy Beyond Paradise presents a full picture of the man who made motion picture history Including original interviews with Novarro's surviving friends family coworkers and the two men convicted of his murder this biography provides unique insights into an early Hollywood star a man whose heart was forever in conflict with his image and whose myth continues to fascinate today

Ernst Lubitsch's The Student Prince in Old Heidelberg John W. Fawell,2018-06-20 This book takes a close look at a film that has heretofore been significantly undervalued by film scholars Ernst Lubitsch's The Student Prince in Old Heidelberg In so doing it not only advocates for the elevation of the film within the canon of Lubitsch's films but also for an appreciation of the certain kind of filmmaking that it represents one favored in the classical era of Hollywood which is characterized by aesthetics meticulous structure and delicate understatement over explicit content or social relevance This book argues that The Student Prince in Old Heidelberg has perhaps been neglected because of the tendency in contemporary film criticism to devalue films that are not overtly serious in their subject matter The Student Prince in Old Heidelberg represents a master class in classical Hollywood technique a kind of filmmaking that is characterized by charm beauty and elegant form and which chooses not to express its ideas explicitly but to encase them in the substance structure and very experience of the film
