Beyond The Chitlin Circuit The Ultimate Urban Playwrights Guide:

Beyond the Chitlin' Circuit Vanessa Lynn, 2013-02-19 Finally A tangible resource for the forgotten urban playwright Commonly referred to as the Chitlin Circuit considered a negative connotation by many urban theater is nothing more than a joke in some circles but many urban playwrights are laughing all the way to the bank The truth is this little known phenomenon has recently caught the eye of the industry because of the success of urban playwrights such as Tyler Perry who made the transition from the stage to a multi million dollar film and television empire But every weekend throughout the country from small church buildings to large arenas scores of adoring fans pack out theaters to witness a rabble rousing gospel or urban play And no for the most part the urban playwright does not have a technical degree in theater but they do have a dream often leading to less than desirable technical results but at the same time a pleased and uplifted audience Beyond the Chitlin Circuit The Ultimate Urban Playwright's Guide is the first to tackle the wild beast of urban theater At last a resource to assist from the creative process to the stage and beyond A practical hands on guide that can be a reference for nearly every real life scenario a playwright or producer could run into in this unpredictable world And with demands high in major retailers for urban inspirational plays and films this is the perfect time to perfect our craft and move beyond the Chitlin Circuit to the world's stage
