## **And Americas Original Sin Privilege America:**

**America's Original Sin** Jim Wallis, 2016-01-12 America's problem with race has deep roots with the country's foundation tied to the near extermination of one race of people and the enslavement of another Racism is truly our nation's original sin It's time we right this unacceptable wrong says bestselling author and leading Christian activist Jim Wallis Fifty years ago Wallis was driven away from his faith by a white church that considered dealing with racism to be taboo His participation in the civil rights movement brought him back when he discovered a faith that commands racial justice Yet as recent tragedies confirm we continue to suffer from the legacy of racism The old patterns of white privilege are colliding with the changing demographics of a diverse nation The church has been slow to respond and Sunday morning is still the most segregated hour of the week In America's Original Sin Wallis offers a prophetic and deeply personal call to action in overcoming the racism so ingrained in American society He speaks candidly to Christians particularly white Christians urging them to cross a new bridge toward racial justice and healing Whenever divided cultures and gridlocked power structures fail to end systemic sin faith communities can help lead the way to grassroots change Probing yet positive biblically rooted yet highly practical this book shows people of faith how they can work together to overcome the embedded racism in America galvanizing a movement to cross the bridge to a multiracial church and a new America

**The End of White Christian America** Robert P. Jones, 2017-07-04 The founder and CEO of Public Religion Research Institute PRRI and columnist for the Atlantic describes how white Protestant Christians have declined in influence and power since the 1990s and explores the effect this has had on America NoveList

**And They Sung a New Song** Clyde Bacchus, Christabel Bacchus, 2022-12-13 The new song refers to the Gospel of Jesus Christ and includes an invitation to all mankind to accept him as their Savior and Lord Why then has there been a continuing history within the church of the exclusion of people on the basis of their race These divisions which were highlighted by Rev Martin Luther King in the 1960s Civil Rights Movement continue to exist not only in the church in the US but also in the UK Sang traces the beginnings of the church from Jesus's command to go out into all the world and make disciples of all nations to the ways in which that command was replaced Significant influences from Greek philosophy to Roman colonialism infiltrated the church and caused it to compromise biblical truths The church needs to take the lead and not just talk about healing without an acknowledgment of how we have failed to be obedient to Jesus's gospel We need to repent and do the works of repentance

*A Tale of Three Cities* D. K. Matthews, 2024-08-20 A central question for Judeo-Christian faithful is Are we living in the age of antichristism or kingdom influence Can we salt and light entire cities and civilizations as Martin Luther King Jr hoped or with D L Moody should we simply save as many as we can from our rapidly sinking planet Over the years Christians have wrestled with the question and reached different conclusions Augustine's and Oliver O'Donovan's answer to the question birthed *The City of God* and *The Desire of Nations* Miguez Bonino's and Grace Ji Sun Kim's Marxist-influenced liberationist answers produced *Toward a Christian Political Ethics* and the post

truth Intersectional Theology Former socialist Michael Novak's plea was to revive The True Spirit of Democratic Capitalism Jonathan Cahn and Frank Peretti by contrast predicted that we have entered the age of This Present Darkness amidst The Return of the Gods Peretti's and Cahn's wildly popular future visions built upon Hal Lindsey's dated assurance and false prediction that true believers would be raptured in the last decade of The Terminal Generation 1980s Douglas Matthews offers a new route through the maze and discerningly answers this perennial question by boldly offering a Third City future vision option for effective kingdom influence amidst accelerating global antichristism Assaulted Personhood Craig C. Malbon, 2020-12-14 In 21st century America personhood is under daily assault sometimes with dire consequences Scientist ethicist and ordained minister Craig C Malbon encourages the reader to consider such assaults on personhood endured by victims of abortion ageism Alzheimer's disease drug addiction mental and physical disabilities gender gender orientation racism sexual preference identity politics and our will to power over the other In exploring personhood status Malbon poses difficult questions for us Is personhood assigned as all or nothing or is it a sliding scale based upon criteria arbitrarily aimed at our vulnerabilities Does the voiceless embryo and fetus have advocates who can speak to the moral question of abortion Is the personhood of an economically insecure pregnant woman degraded to the point where lack of access to early termination of pregnancy results in coercive childbearing Does being a member of the LGBTQI community target one for assaults on personhood to the extreme of being killed In delving into the biology and psychology of assaults of self upon the other Malbon sees powerful linkages of everyday assaults on personhood to darker profound original sins that are foundational to the rise of the American empire i.e. assaults on the indigenous Native Americans and assaults derivative to the institution of slavery upon Africans African Americans and their descendants **God's Favorites** Michael Coogan, 2019-04-02 A noted biblical scholar explores how the claim of divine choice has been used from ancient times to the present to justify territorial expansion and prejudice The Bible describes many individuals and groups as specially chosen by God But does God choose at all Michael Coogan explains the temporally layered and allusive storytelling of biblical texts and describes the world of the ancient Near East from which it emerged laying bare the power struggles the acts of vengeance and persecutions made sacred by claims of chosenness Jumping forward to more modern contexts Coogan reminds us how the self designation of the Puritan colonizers of New England as God's new Israel eventually morphed in the United States into the self justifying doctrines of manifest destiny and American exceptionalism In contemporary Israel both fundamentalist Zionists and their evangelical American partners cite the Jews status as God's chosen people as justification for taking land for very different ends Appropriated uncritically the Bible has thus been used to reinforce exclusivity and superiority with new myths based on old myths Finally in place of the pernicious idea of chosenness Coogan suggests we might instead focus on another key biblical concept taking care of the immigrant and the refugee reminding the reader of the unusual focus on the vulnerable in both the Hebrew Bible and New Testament **Revelation for the Rest of Us** Scot McKnight, Cody Matchett, 2023-02-28

See how the Book of Revelation can be read as a book of discipleship challenging Christ followers everywhere to live as hopeful agents of resistance and transformation The last book of the Bible frustrates and frightens many people with its imagery and apocalyptic tone Popular interpretations rely on fear and politicization and often lead to pride and alienation of others Is this really how we were intended to read John s Revelation In Revelation for the Rest of Us Scot McKnight with Cody Matchett explore the key message of Revelation and how it Calls us to be faithful and hopeful witnesses to Jesus Stimulates our imagination to see the world through the eyes of God and excite our faith Challenges us to stand against the militarism economic exploitation oppression and injustice of worldly authorities McKnight addresses the popular misconceptions about the book explaining what John means in his use of the images of dragons lambs and beasts and how the symbolism of Revelation spoke in the days of Rome and still speaks powerfully to the present day though not in the way most people think You ll learn to see the Book of Revelation in a fresh and hopeful new way Drawing from the latest scholarship the authors present an understanding of Revelation for anyone interested in deepening their personal study of the Bible and strengthening their faith as dissident disciples who can discern the presence of Babylon in our world and learn to speak up speak out and walk in the way of the Lamb

**Realizing the Civil Rights Dream** Kenneth B. Bedell, 2017-08-24 This book explains why America can realize the civil rights dream in the 21st century if U S citizens take actions as individuals as well as work together for equality It has been more than 53 years since Martin Luther King Jr made his I Have a Dream speech Why has the United States still not been able to make King s dream a reality after a half a century of effort and progress Is there still hope of full participation for all in America In Realizing the Civil Rights Dream Diagnosing and Treating American Racism author Kenneth B Bedell proposes a civil rights dream that grows out of American history and speaks to the 21st century reality He makes the case that by adopting a larger perspective of the role of racism in preserving U S social cultural economic and political institutions and practices Americans can understand why it has been so difficult to fulfill the promises of the 1960s civil rights dream Bedell describes and applies sociological theories that serve to explain why racism is still prevalent in the United States and identifies the steps that are necessary to overcome racism The book concludes with proposals for ways to apply social science to realize the civil rights dream and examples of how individuals can take action to make a difference

**Beyond Colorblind** Sarah Shin, 2017-11-14 While society may try to be colorblind we can t ignore that God created us with our ethnic identities and he made them for good Ethnicity and evangelism specialist Sarah Shin reveals how our broken ethnic stories can be restored and redeemed demonstrating God s power to others and bringing good news to the world Discover how your ethnic story can be transformed for compelling witness and mission

**The Violence Inside Us** Chris Murphy, 2021-05-18 An engrossing moving and utterly motivating account of the human stakes of gun violence in America Samantha Power Pulitzer Prize winning author of The Education of an Idealist Is America destined to always be a violent nation This sweeping history by U S senator Chris Murphy explores the origins of our violent impulses the

roots of our obsession with firearms and the mythologies that prevent us from confronting our national crisis In many ways the United States sets the pace for other nations to follow Yet on the most important human concern the need to keep ourselves and our loved ones safe from physical harm America isn't a leader We are disturbingly laggard To confront this problem we must first understand it In this carefully researched and deeply emotional book Senator Chris Murphy dissects our country's violence filled history and the role that our unique obsession with firearms plays in this national epidemic Murphy tells the story of his profound personal transformation in the wake of the mass murder at Newtown and his subsequent immersion in the complicated web of influences that drive American violence Murphy comes to the conclusion that while America's relationship to violence is indeed unique America is not inescapably violent Even as he details the reasons we've tolerated so much bloodshed for so long he explains that we have the power to change Murphy takes on the familiar arguments obliterates the stale talking points and charts the way to a fresh less polarized conversation about violence and the weapons that enable it a conversation we urgently need in order to transform the national dialogue and save lives
