The Infographic Murray Dick, 2020-04-21

An exploration of infographics and data visualization as a cultural phenomenon from eighteenth-century print culture to today's data journalism. Infographics and data visualization are ubiquitous in our everyday media diet, particularly in news in print newspapers, on television news, and online. It has been argued that infographics are changing what it means to be literate in the twenty-first century and even that they harmonize uniquely with human cognition. In this first serious exploration of the subject, Murray Dick traces the cultural evolution of the infographic, examining its use in news and resistance to its use from eighteenth-century print culture to today's data journalism. He identifies six historical phases of infographics in popular culture: the proto-infographic, the classical, the improving, the commercial, the ideological, and the professional. Dick describes the emergence of infographic forms within a wider history of journalism culture and communications, focusing his analysis on the UK. He considers their use in the partisan British journalism of late eighteenth and early nineteenth-century print media, their later deployment as a vehicle for reform and improvement, their mass-market debut in the twentieth century as a means of explanation and sometimes propaganda, and their use for both ideological and professional purposes in the post-World War II marketized newspaper culture. Finally, he proposes best practices for news infographics and defends infographics and data visualization against a range of criticism. Dick offers not only a history of how the public has experienced and understood the infographic but also an account of what data visualization can tell us about the past.

The Routledge Companion to Digital Journalism Studies Scott A. Eldridge II, Bob Franklin, 2016-11-18

The Routledge Companion to Digital Journalism Studies offers an unprecedented collection of essays addressing the key issues and debates shaping the field of Digital Journalism Studies today. Across the last decade, journalism has undergone many changes which have driven scholars to reassess its most fundamental questions and in the face of digital change to ask again: Who is a journalist and what is journalism? This companion explores a developing scholarly agenda committed to understanding digital journalism and brings together the work of key scholars seeking to address key theoretical concerns and solve unique methodological riddles. Compiled of 58 original essays from distinguished academics across the globe, this Companion draws together the work of those making sense of this fundamental reconceptualization of journalism and assesses its impacts on journalism's products, its practices, resources, and its relationship with audiences. It also outlines the challenge presented by studying digital journalism and more importantly offers a first set of answers. This collection is the very first of its kind to attempt to distinguish this emerging field as a unique area of academic inquiry. Through identifying its core questions and presenting its fundamental debates, this Companion sets

the agenda for years to come in defining this new field of study as Digital Journalism Studies making it an essential point of reference for students and scholars of journalism *White Space Is Not Your Enemy* Rebecca Hagen, Kim Golombisky, 2017-02-17 *White Space Is Not Your Enemy* is a practical graphic design and layout guide that introduces concepts and practices necessary for producing effective visual communication across a variety of formats from web to print Sections on Gestalt theory color theory and WET layout are expanded to offer more in depth content on those topics This new edition features new covering current trends in web design Mobile first UI UX design and web typography and how they affect a designer s approach to a project The entire book will receive an update using new examples and images that show a more diverse set of graphics that go beyond print and web and focus on tablet mobile and advertising designs
