Of Yakub Father Of The Caucasian People:

Yakub Shawn L. Asor-Sallaah,2019-01-03 THE YAKUB EXPERIMENT THE EXPLANATION OF RACISM How can someone explain racism that is often demonic or otherwise unexplainable The answer lies with Yakub an African Big Head Scientist that spear headed a genetic experiment that created the Caucasian man and woman This book examines and answers the age old question are Caucasians genetically incline to hate and practice racism against people of color The Yakub Experiment demonstrates how humankind developed from the original man the African man and woman In this Book You Will Learn Yakub was the father of the white race Yakub s Experiment discovery and results Causes of Caucasian racism The use of Biblical justification for racism The Caucasian Burdens throughout the world Yakub s Experiment and modern day racism A solution to Caucasian racism And much more Yakub was a scientist with an enormous head he was known as the big head scientist He noticed that unlike attracts and like repels Using this law of attraction he created a people who would have little to no conscious and would challenge the original inhabits on planet earth He knew the black man and black woman contained the brown germ the lighter of the two germs that mostly remained dormant He knew that using a breeding process that one out of three children bred under his technique would be lighter and weaker than the original man and woman The new species from the original man would be without a natural conscious Children of Ezekiel Michael Lieb,1998

Discusses the relationship between the biblical prophet Ezekiel s vision of wheels in the air and the present day end of time concept as seen in various religious sects **The God Tribe of Shabazz - The True History** Elijah Muhammad,Nasir Makr Hakim,2012-03-17 The history of the God Tribe of Shabazz is one of the most elusive subjects of the Supreme Wisdom as taught by Messenger Elijah Muhammad partly because it is spread out over so much time on so many lectures and in so many different articles The Tribe of Shabazz is not simply the offspring of a group of people who were the product of a disgruntled scientist who went into Africa to prove that He could make a people that could withstand anything but a continuum of a vein of expression characteristic of how we as black people who when in our natural mind did things that were still superior to the best minds of mankind today We are so far from what is actually natural for the Blackman that we think that the trial and error mode of operating of this civilization today is brilliance when in fact the incidental actions of the Original Blackman is considered SUPERNATURAL by today s standards The Messenger of Allah Elijah Muhammad delves so far into the most profound depths of wisdom when sharing with us what our God in person Master Fard Muhammad had revealed it makes you wonder about who is out there dormant and simply waiting to hear that particular word sentence paragraph or perspective that will make the light in or above their heads illuminate with Allah s voice communicating with them In other words it s not necessary to be mining Facebook Twitter or Google etc for revelation It s being handed to you here **The Genesis Years of Elijah Muhammad** Elijah Muhammad,2008-11-14 This book represents the early writings of Elijah Muhammad when he submitted hundreds of articles to news organs like the Herald Dispatch Amsterdam News The

Chicago Crusader and the Pittsburgh Courier These newspapers were circulated primarily throughout the black community Schools of thought developed with notables like Elijah Muhammad a staunch advocate of racial separation on one side and Martin Luther King a government sponsored poster boy for racial integration on the other Elijah Muhammad writing challenged many white preachers openly and refuted their claim of divinity He address what had come to be known as open conspiracy to destroy the black man and woman through Catholic sponsored birth control

The Science Of Time Elijah Muhammad,2008 This title looks at a comparative aspect of how many religions have a timetable to expected events of the future and that although they seem to be addressing different references they have striking similar and overlapping commonality How time is told by the different worlds and the relevance to an upcoming appearance of a Mighty One at the end of a given time It explores the calendar of the Christians B C A D Othodox Muslim world A H as well as the universal clock which uses the sun moon and stars as reference points

Theology of Time - Abridged Indexed by Subject Elijah Muhammad,2006 The Theology of Time is a 20 lecture book presented by Elijah Muhammad Messenger of Allah It was a dedication to what had become the Nation of Islam s official headquarters It was known as Muhammad Temple 2 in Chicago The lecture series ranged from June thru October 1972 What made this dedication very significant is that prior to this time dating as far back as 1967 the Messenger rarely spoke on the scale he had previous to this time It wasn t uncommon to either hear him on radio broadcasts or one of his ministers Having been prohibited to speak by Allah up to this point this represented a significant occasion Elijah Muhammad covered a wide and comprehensive overview of his entire program concepts and lessons This is by far the most wide ranging example of his teaching Many of the subjects he taught was scattered over the entire period which is why in this subject indexed version the subjects were put together instead of leaving them scattered

Yakub and the Origins of White Supremacy Dorothy Blake Fardan,2001 For Black Students most of whom had been denied access to their history through inadequate schooling still controlled by white Eurocentric thinking the discovery of great black civilizations beautiful traditions ancient religion honorable ancestors and indeed the very orings of life itself as their own heritage was truly uplifting and inspiring for them

The Supreme Understanding , **Human Rights** Thomas David Jones,1998 The Nature of Human Rights

Message to the Blackman in America Elijah Muhammad,1973-11-07 According to countless mainstream news organs Elijah Muhammad by far was the most powerful black man in America Known more for the students he produced like Malcolm X Louis Farrakhan and Muhammad Ali this controversial man exposed the black man as well as the world to a teaching till now was only used behind closed doors of high degree Masons and Shriners An easy and smart read The book approaches the question of what and who is God It compares the concept held by religions to nature and mathematics It also explores the origin of the original man mankind devil heaven and hell Its title Message To The Blackman is directed to the American Blacks specifically but addresses blacks universally as well
