The scenes show various blocky characters in different environments: some are on top of large red and blue blocks, others are on a brick wall, some are in a cityscape, and others are in a dark space with yellow stars. The characters are made of simple geometric shapes and have different colors and outfits. The overall style is pixelated and colorful.

Committee on the Judiciary. Subcommittee on Intellectual Property, Competition, and the Internet,2013 **Book 15 Bible Translations** HC Kurt Jurgensmeier,2012-10-27 What is the best Bible Because of the myriad of Bible translations Christians have wondered Against much popular opinion we defend the following Dynamic thought for thought translations NIV NLT are superior to more literal word for word translations NASB ESV More literal Bible translations often fail in a critical part of accurate translation producing good contemporary English The criticisms of even great men like John Piper

John MacArthur and J I Packer against dynamic Bible translations are either exaggerations errors and or even slanderous against the word of God When a Scripture writer is addressing all Christians it is a good thing to translate the meaning as brothers and sisters instead of just brothers The updated NIV is the overall best translation the NLT a very good one and the ESV an unnecessary one We also provide a chapter offering some suggestions and commentary regarding the best tools for studying and interpreting Scripture
