

Leggers And Smuthounds Leggers And Smuthounds

Josh Lambert

Leggers And Smuthounds Leggers And Smuthounds:

Bookleggers and Smuthounds Jay A. Gertzman, 2011-09-02 Between the two world wars at a time when both sexual repression and sexual curiosity were commonplace New York was the center of the erotic literature trade in America The market was large and contested encompassing not just what might today be considered pornographic material but also sexually explicit fiction of authors such as James Joyce Theodore Dreiser and D H Lawrence mail order manuals pulp romances and little dirty comics Bookleggers and Smuthounds vividly brings to life this significant chapter in American publishing history revealing the subtle symbiotic relationship between the publishers of erotica and the moralists who attached them and how the existence of both groups depended on the enduring appeal of prurience By keeping intact the association of sex with obscenity and shameful silence distributors of erotica simultaneously provided the antivice crusaders with a public enemy Jay Gertzman offers unforgettable portrayals of the pariah capitalists who shaped the industry and of the individuals organizations and government agencies that sought to control them Among the most compelling personalities we meet are the notorious publisher Samuel Roth the Prometheus of the Unprintable and his nemesis John Sumner head of the New York Society for the Suppression of Vice a man aggressive in his pursuit of pornographers and in his quest for a morally united and ethnically homogeneous America

Reading the Obscene Jordan Carroll, 2021-11-23 With Reading the Obscene Jordan Carroll reveals new insights about the editors who fought the most famous anti censorship battles of the twentieth century While many critics have interpreted obscenity as a form of populist protest Reading the Obscene shows that the editors who worked to dismantle censorship often catered to elite audiences composed primarily of white men in the professional managerial class As Carroll argues transgressive editors such as H L Mencken at the Smart Set and the American Mercury William Gaines and Al Feldstein at EC Comics Hugh Hefner at Playboy Lawrence Ferlinghetti at City Lights Books and Barney Rosset at Grove Press taught their readers to approach even the most scandalizing texts with the same cold calculation and professional reserve they employed in their occupations Along the way these editors kicked off a middle class sexual revolution in which white collar professionals imagined they could control sexuality through management science Obscenity is often presented as self shattering and subversive but with this provocative work Carroll calls into question some of the most sensational claims about obscenity suggesting that when transgression becomes a sign of class distinction we must abandon the idea that obscenity always overturns hierarchies and disrupts social order Winner of the 2022 MLA Prize for Independent Scholars sponsored by the Modern Language Association

The Bookshop Evan Friss, 2024-08-06 A NEW YORK TIMES BESTSELLER Goodreads Choice Award Winner in History Biography One of Time s 100 Must Read Books of 2024 A spirited defense of this important odd and odds defying American retail category The New York Times It is a delight to wander through the bookstores of American history in this warm generous book Emma Straub New York Times bestselling author and owner of Books Are Magic An affectionate and engaging history of the American

bookstore and its central place in American cultural life from department stores to indies from highbrow dealers trading in first editions to sidewalk vendors and from chains to special interest community destinations Bookstores have always been unlike any other kind of store shaping readers and writers and influencing our tastes thoughts and politics They nurture local communities while creating new ones of their own Bookshops are powerful spaces but they are also endangered ones In *The Bookshop* we see the stakes what has been and what might be lost Evan Friss's history of the bookshop draws on oral histories archival collections municipal records diaries letters and interviews with leading booksellers to offer a fascinating look at this institution beloved by so many The story begins with Benjamin Franklin's first bookstore in Philadelphia and takes us to a range of booksellers including the Strand Chicago's Marshall Field Company the Gotham Book Mart specialty stores like Oscar Wilde and Drum and Spear sidewalk sellers of used books Barnes Noble Amazon Books and Parnassus *The Bookshop* is also a history of the leading figures in American bookselling often impassioned eccentrics and a history of how books have been marketed and sold over the course of more than two centuries including for example a 3 000 pound elephant who signed books at Marshall Field's in 1944 *The Bookshop* is a love letter to bookstores a charming chronicle for anyone who cherishes these sanctuaries of literature and essential reading to understand how these vital institutions have shaped American life and why we still need them

Censoring Sex John E. Semonche, 2007-07-20 In this gracefully written accessible and entertaining volume John Semonche surveys censorship for reasons of sex from the nineteenth century up to the present He covers the various forms of American media books and periodicals pictorial art motion pictures music and dance and radio television and the Internet The tale is varied and interesting replete with a stock of colorful characters such as Anthony Comstock Mae West Theodore Dreiser Marcel Duchamp Opie and Anthony Judy Blume Jerry Falwell Alfred Kinsey Hugh Hefner and the Guerilla Girls Covering the history of censorship of sexual ideas and images is one way of telling the story of modern America and Semonche tells that tale with insight and flair Despite the varieties of censorship running from self censorship to government bans a common story is told Censorship whether undertaken to ward off government regulation to help preserve the social order or to protect the weak and vulnerable proceeds on the assumption that the censor knows best and that limiting the choices of media consumers is justified At various times all of the following groups were perceived as needing protection from sexually explicit materials children women the lower classes and foreigners As social and political conditions changed however the simple fact that someone was a woman or a day laborer did not support stereotyping that person as weak or impressionable What would remain as the only acceptable rationale for censorship of sexual materials was the protection of children and unconsenting adults For each mode of media Semonche explains via abundant examples how and why censorship took place in America *Censoring Sex* also traces the story of how the cultural territory contested by those advocating and opposing censorship has diminished over the course of the last two centuries Yet Semonche argues the censorship of sexual materials that continues in the United States poses a challenge to the free speech

that is part of the foundation upon which the nation is built Indeed in an era in which sexual images are pervasive and the need for reliable information about sex and sexuality is growing he questions the remaining rationales for censorship and the justification for placing obscenity outside the protection of the U S Constitution **Unclean Lips** Josh Lambert,2014 Sexual anti Semitism and pornotopia Theodore Dreiser Ludwig Lewisohn and the Harrad experiment The prestige of dirty words and pictures Horace Liveright Henry Roth and the graphic novel Otherfuckers and motherfuckers reproduction and allegory in Philip Roth and Adele Wiseman Seductive modesty censorship vs Yiddish and Orthodox tsnies Conclusion Dirty Jews and the Christian right Larry David and FCC v Fox **Dirty Works** Brett Gary,2021-08-17 Gold Medal tie in the 2022 Independent Publisher Book Awards IPPYs History U S Category A rich account of 1920s to 1950s New York City starring an eclectic mix of icons like James Joyce Margaret Sanger and Alfred Kinsey all led by an unsung hero of free expression and reproductive rights Morris L Ernst At the turn of the twentieth century the United States was experiencing an awakening Victorian era morality was being challenged by the introduction of sexual modernism and women s rights into popular culture the arts and science Set during this first sexual revolution when civil libertarian minded lawyers overthrew the yoke of obscenity laws Dirty Works focuses on a series of significant courtroom cases that were all represented by the same lawyer Morris L Ernst Ernst s clients included a who s who of European and American literati and sexual activists among them Margaret Sanger James Joyce and Alfred Kinsey They along with a colorful cast of burlesque theater owners and bookstore clerks had run afoul of stiff obscenity laws and became actors in Ernst s legal theater that ultimately forced the law to recognize people s right to freely consume media In this book Brett Gary recovers the critically neglected Ernst as the most important legal defender of literary expression and reproductive rights by the mid twentieth century Each chapter centers on one or more key trials from Ernst s remarkable career battling censorship and obscenity laws using them to tell a broader story of cultural changes and conflicts around sex morality and free speech ideals Dirty Works sets the stage legally and culturally for the sexual revolution of the 1960s and beyond In the latter half of the century the courts had a powerful body of precedents many owing to Ernst s courtroom successes that recognized adult interests in sexuality women s needs for reproductive control and the legitimacy of sexual inquiry The legacy of this important but largely unrecognized moment in American history must be reckoned with in our contentious present as many of the issues Ernst and his colleagues defended are still under attack eight decades later

Dirty Jokes and Bawdy Songs Susan Davis,2019-10-15 Collector of sexual folklore Cataloger of erotica Tireless social critic Gershon Legman s singular disreputable resume made him a counter cultural touchstone during his forty year exile in France Despite his obscurity today Legman s prescient work and passion for the prurient laid the groundwork for our contemporary study of the forbidden Susan G Davis follows the life and times of the figure driven to share what he found in civilization s secret libraries Self taught and fiercely unaffiliated Legman collected the risqu on street corners and in theaters and dug it out of little known archives If the sexual humor he uncovered often used laughter to disguise hostility and fear he

still believed it indispensable to the human experience Davis reveals Legman in all his prickly provocative complexity as an outrageous nonconformist thundering at a wrong headed world while reveling in conflict violating laws and boundaries with equal abandon and pursuing love and improbable adventures Through it all he maintained a kaleidoscopic network of friends fellow intellectuals celebrity admirers and like minded obsessives Pornography and Sexual Representation Joseph W. Slade,2001 A three volume reference guide to the available literature concerning pornography and sexual representation in America The English Boccaccio Guyda Armstrong,2013-10-30 The Italian author Giovanni Boccaccio has had a long and colourful history in English translation This new interdisciplinary study presents the first exploration of the reception of Boccaccio s writings in English literary culture tracing his presence from the early fifteenth century to the 1930s Guyda Armstrong tells this story through a wide ranging journey through time and space from the medieval reading communities of Naples and Avignon to the English court of Henry VIII from the censorship of the Decameron to the Pre Raphaelite Brotherhood from the world of fine press printing to the clandestine pornographers of 1920s New York and much more Drawing on the disciplines of book history translation studies comparative literature and visual studies the author focuses on the book as an object examining how specific copies of manuscripts and printed books were presented to an English readership by a variety of translators Armstrong is thereby able to reveal how the medieval text in translation is remade and re authorized for every new generation of readers **Choosing Yiddish** Hannah S. Pressman,Lara Rabinovitch,Shiri Goren,2012-12-17 Students and teachers of Yiddish studies will enjoy this innovative collection

Yeah, reviewing a ebook **Leggers And Smuthounds Leggers And Smuthounds** could ensue your near associates listings. This is just one of the solutions for you to be successful. As understood, triumph does not recommend that you have astonishing points.

Comprehending as skillfully as union even more than additional will present each success. next to, the publication as competently as insight of this Leggers And Smuthounds Leggers And Smuthounds can be taken as well as picked to act.
