Not Today Arizona Tape, 2019-04-29. Casual is the new black. No strings attached, that's the way Nix likes her life. Determined not to fall for anyone, she sleeps with casual, just her thing. Better than having her heart ripped to pieces again. Harper is looking for a fresh start and a new city means just that. New friends, new school, and maybe a chance at love. The thin line between friendship and more blurs when Nix and Harper dance around each other in an LGBT club with everything to lose and love to gain. But is it ever that simple? Not Today is a lesbian friends with benefits to lovers romance and can be read as a stand alone. It's the collection of the previous serial parts: Not Monday, Not Tuesday, but is completed in this book. *Trails of the Heart* Ruby Scott, 2021-03-19. Prepare for some heart-stopping moments as my best-selling lesbian romance series continues. Will a hundred reasons to say no blind them to the thousand reasons to say yes? Brilliant but socially awkward trauma specialist Rachel Adams is all about making a difference. Returning to the US after working with Doctors Beyond Borders in Haiti, she faces the challenge of settling into normal life as part of the City General ER team. But all she has is her work. Andy, Andrea Jones, a no-nonsense Medevac pilot, has always played the field since her Air Force days, having never met the right woman. Charming, charismatic, and caring, women rarely say no to her until she meets Rachel. Attractive women make Rachel flustered. Confident, attractive medevac pilots who flirt with her send her into a tailspin. There are a hundred reasons to say no: one is older, the other young, one is outgoing, the other quiet, one loves nature, the other loves their couch. But will a hundred reasons to say no blind them to the thousand reasons to say yes? A slow burn, age gap lesbian romance book. Have you read my other sapphic novels in the City General Medics 1 series: Hot Response, Love Trauma, Diagnosis, Love, Open Heart, Healing of the Heart? Reviews: This lesbian romance story will warm your heart as Rachel finds out there is more to Andy than she thought, and the two of them find that they have something in common that not a lot of people understand. Ruby's descriptive writing made me feel like I was there. Her characters are complex, real, and likable. The story is great and has all the feels. Your emotions are about to go on a rollercoaster. The sex is hot. I can't think of anything not to like about this book. Seriously, read it. And did I mention Andy is delicious? I think I'm in love. *Jewels* I loved this sapphic novel. Beautifully written. Ruby Scott, I can't wait for more. This had me almost in tears from start to finish. Jennifer Elizabeth Maples: I love age gap love romances, and this one was very, very good. The romance was very well told. I really, really liked both women because of their strengths as well as for their weaknesses. The bonus story was appreciated and had just a little bit of a surprise ending. Loved it. Thank you, Ruby Scott, for sharing your words. *The Old One* I just love this lesbian fiction book. The Medics series is so enjoyable, exciting, and hot. This one did not disappoint. I loved Andy's character. Her whole persona and cockiness, especially with women. But did she meet her match in Rachel? Such a good lesbian age gap romance story. Ruby Scott is just a marvel at what she writes about in the Medics series. One of the best sapphic
