Between Borders Essays On Mexicanachicana History Mujer Latina:

Historia Louis Gerard Mendoza, 2001 The nature of ethnic identity has been a major issue in the Mexican American community for decades now *Historia The Literary Making of Chicana and Chicano History* makes a superb contribution to the multidisciplinary exploration of ways Mexican Americans have chosen to present their past through both factual and fictional narratives Whereas history has offered frameworks for interpreting generational changes in the understanding of identity literature has been particularly rich in exploring themes of power and domination and of intragroup complexities Louis Gerard Mendoza argues in this innovative look at historical and imaginative literatures and their role in the formation of ethnic identity Focusing on late twentieth century literature and history by American writers of Mexican descent Mendoza examines how style purpose and context function to facilitate or constrain the understanding of the past By juxtaposing the literary and the historical he provides new insight on culture agency and experience Mendoza accepts as his starting point the generational model posited by historian Mario Garc a then contrasts for each generation the nuances and contradictions offered by one or more Chicana o creative writers Other historians whose works are centrally considered include Juan Gomez Qui ones Rodolfo Alvarez Ricardo Romo David Montejano and Carlos Mu oz while the literary writers featured include Jovita Gonz lez Alejandro Morales Sara Estela Ram rez Teresa Paloma Acosta Oscar Zeta Acosta and Am rico Paredes Mendoza argues that history is the narrative battleground upon which literature is based the writing and rewriting of Chicano history thus becomes an important subtext of Chicana o literature However he contends that most Chicana o historical narratives are integrated uncritically into literary analysis to establish background resulting in the invocation of the histories as representations of the real Libraries Borderlands scholars and those interested in the broad issues of cultural studies will want to own Mendoza s innovative book which instead of insisting on the strict separation of the two genres of history and literature seeks ways to integrate them through the new critical analysis [Chicanas/Latinas in American Theatre](#) Elizabeth C. Ramrez, 2000 Elizabeth C Ram rez s study reveals the traditions of Chicanas Latinas in theatre and performance showing how Latina Latino theatre has evolved from its pre Columbian Spanish and Mexican origins to its present prominence within American theatre history This project on women in performance serves the need for scholarship on the contributions of underrepresented groups in American theatre and education in cultural studies and the humanities and in American and world history **With Her Machete in Her Hand** Catrina Rueda Esquibel, 2009-09-15 With the 1981 publication of the groundbreaking anthology *This Bridge Called My Back Writings by Radical Women of Color* Cherr e Moraga and Gloria Anzald a ushered in an era of Chicana lesbian writing But while these two writers have achieved iconic status observers of the Chicana o experience have been slow to perceive the existence of a whole community lesbian and straight male as well as female who write about the Chicana lesbian experience To create a first full map of that community this book explores a wide range of plays novels and short stories by Chicana o authors that depict lesbian characters or lesbian desire Catri na Rueda

Esquibel starts from the premise that Chicana o communities theories and feminisms cannot be fully understood without taking account of the perspectives and experiences of Chicana lesbians To open up these perspectives she engages in close readings of works centered around the following themes La Llorona the Aztec Princess Sor Juana In s de la Cruz girlhood friendships rural communities and history and Chicana activism Her investigation broadens the community of Chicana lesbian writers well beyond Moraga and Anzald a while it also demonstrates that the histories of Chicana lesbians have had to be written in works of fiction because these women have been marginalized and excluded in canonical writings on Chicano life and experience
