about the day that marks the anniversary of your mother's death. The one bright spot is that Lincoln will be there. Sexy, mature, and aloof, he is Violet's idea of perfection. But why does he seem so reluctant to be anything more than a friend? After he gives her the world's most incredible kiss and then abandons her on her front doorstep, Violet is determined to get some answers. But nothing could have prepared her for Lincoln's explanation: he is Grigori, part angel and part human, and Violet is his eternal partner. Without warning, Violet's world is turned upside down. She never believed in God, let alone angels. But there's no denying the strange changes in her body and her feelings for Lincoln. Suddenly, she can't stand to be around him. Luckily, Phoenix, an exiled angel, has come into her life. He's intense and enigmatic, but at least he never lied to her. As Violet gets caught up in an ancient battle between dark and light, she must choose her path. The wrong choice could cost not only her life but her eternity.

Turning seventeen means that Violet will find out she is Grigori, part angel, part human. Her destiny is to protect humans from the vengeance of exiled angels. It all sounds crazy to Violet. Up until this point, all she wanted was to get into art school and be with Lincoln. However, it turns out Lincoln carries a secret that could tear them apart. And then she meets Phoenix, intense, enigmatic, and it seems always there for her. Caught up in a battle between light and dark, Violet Eden will have to decide how much she's willing to sacrifice. And now Violet has to learn to live with her feelings for him while they work together to stay alive and stop the exiles from discovering the key to destroy all Grigori. It isn't easy. Especially when the electricity between her and Phoenix ignites, and she discovers his hold over her has become more dangerous than ever.
