Beware Worries Can Destroy You:

False Prophets Can Kill You Tony C. Little, 2014-12 Karen Little's desire for more of God led to these events Her main focus was on signs wonders and miracles She followed the wrong crowd which led her into a deep depression causing stress I thought she was taking us in the right direction She was not We were subjected to mind control brain washing and extortion Strange things happened at our church They became disgusting We were influenced by bad suggestions emotions and witchcraft We saw things that didn't exist False teachings were exposed in our religion and others Karen died in my arms of a heart attack Later someone accused me of having an affair with a woman They said I killed her husband another man and my wife I forgive them *Kingdoms in Peril, Volume 4* ,2023-10-17 Translated in full for the first time this fourth volume immerses readers in the power and drama of the electrifying classic Chinese novel Many centuries of violence have forged a new political order and seven great warring kingdoms are now established However old loyalties persist and brave men are still determined to avenge their former lords Even as their world consigns them to the past a handful of assassins still seek to rewrite history One of the great works of Chinese literature *Kingdoms in Peril* is an epic historical novel charting the five hundred years leading to the unification of the country in 221 B C E under the rule of the legendary First Emperor Writing some fourteen hundred years later the Ming era author Feng Menglong drew on a vast trove of literary and historical documents to compose a gripping narrative account of how China was forged Detailing the stories of unforgettable characters who defined and shaped the times in which they lived the complete edition of *Kingdoms in Peril* is a vital resource for those seeking a comprehensive overview of China's ancient past and the political machinations that led to its unification There are many historical works that provide an account of some of these events but none are as thrilling and breathtakingly memorable as *Kingdoms in Peril* ***Kingdoms in Peril, Volume 4*** Feng Menglong, 2023-10-17 *Kingdoms in Peril* is an epic historical novel covering the five hundred and fifty years of the Eastern Zhou dynasty from the civil wars and invasions that marked the birth of a new regime in 771 BCE to the unification of China in 221 BCE *Kingdoms in Peril* was written in the 1640s at the very end of the Ming dynasty by the great novelist Feng Menglong 1574-1646 In the course of the one hundred and eight chapters of the complete novel he documents the collapse of the Zhou confederacy during the Spring and Autumn period 771-475 BCE and the slow rebuilding of civil society during the Warring States era 475-221 BCE which culminated in the unification of China under the First Emperor of the Qin dynasty in 246-221 BCE as king in 221-210 BCE as emperor Thus overall this novel describes a grand arc from stability to chaos and back again As a novel about politics much of the narrative in *Kingdoms in Peril* concentrates on the exercise of power *Oral Literature of the Embu and Mbeere* Ciarunji Chesaina, 1997 This is a new title from the Kenyan publisher who is publishing works of scholarship on the oral literature of the different groups in Kenya The background is the rich repository in oral literature of the enduring wisdom and cultural values of the peoples of Africa Within the proverbs and riddles oral narratives and songs philosophical and material cultures

are captured and expressed These ethnic based oral literature titles seek to preserve this wisdom in the written form The literature of the Embu and Mbeere of Eastern Kenya is fully explored here by a renowned scholar and writer on oral literature She covers the historical and cultural background genres of oral literature and their performance form and style and the social functions of oral literature Literary texts examined are narratives oral poetry proverbs and riddles and puzzles
