Beyond Auto Mode A Guide To Taking Control Of Your Photography:

Beyond Auto Mode Jennifer Bebb, 2013-03-22 Take full advantage of your dSLR camera and do it with confidence Many people buy dSLR cameras for their flexibility but find themselves so intimidated by all the options and controls that they rarely venture beyond the automatic mode With a friendly tone and clear understandable instruction photographer and educator Jen Bebb introduces you to every mode and setting on your sophisticated dSLR After thoroughly explaining shutter speed aperture depth of field ISO and basic composition she offers direction on what each camera mode does and when it should be used You ll gain the confidence to use the entire feature set you paid for Beginning dSLR users are often intimidated by the scene semi automatic and fully manual modes on their cameras this guide gently explains each mode and setting Uses a conversational tone and liberal examples to define and explain basic concepts including shutter speed aperture ISO depth of field and composition Covers how each camera mode works and when to consider using it Helps those new to dSLR photography to gain confidence and begin taking advantage of all the flexibility a dSLR offers Written by a professional photographer who is also known for her skill as an instructor *Beyond Auto* encourages new and less experienced dSLR users to take the next step toward creative control

Beyond Auto Chris Gatcum, 2015-09-01 Beginners in photography will let their camera s Auto mode handle all of the complexities of aperture shutter speed white balance and so on But as useful as Auto is in these early stages it will rapidly limit you to boring technically perfect shots that won t spark any interest *Beyond Auto* is the easily accessible guide that shows how taking control of your camera s settings sets you free Unlike other beginner books it doesn t attempt to explain each and every button dial and feature on your camera or explore precisely where a pixel comes from Instead it concentrates on the photographic holy trinity of exposure focus and color and the essential skills that will enable you to take the sensational pictures that Auto mode can t
