Beyond New Testament Theology:

Beyond New Testament Theology Heikki Räisänen, 1990

Beyond Biblical Theology Timo Eskola, 2013-10-02

Reading Heikki Räisänen's hermeneutics in context Timo Eskola explores the development of Western New Testament interpretation Reclaiming a Wredean approach to the Scriptures Räisänen focuses on tradition and interpretation He builds on Weberian sociology adopted through Peter Berger's theories and substitutes sacralized culturalism for biblical theology After examining fourteenth century Quran criticism and its impact on Reimarus Eskola discusses the genesis of the revised history of religion theory that Räisänen developed when investigating the Quran's relationship to the Bible Sociology then becomes a link between standard historicism and poststructuralism as Räisänen reinterprets Berger's sociology of knowledge Räisänen's sacralized culturalism finally becomes the theory from which his magnum opus *The Rise of Christian Beliefs* has been written

Four Views on Moving Beyond the Bible to Theology Zondervan, 2009-12-01 Learn to identify evaluate and refine your approach to forming theological conclusions based on the biblical text The Bible has long served as the standard for Christian practice yet believers still disagree on how biblical passages should be interpreted and applied Only when readers fully understand the constructs that inform their process of moving from Scripture to theology and those of others can Christians fully evaluate teachings that claim to be biblical In this book part of the Counterpoints series scholars who affirm an inspired Bible relevant and authoritative for every era present models they consider most faithful to Scripture Walter C Kaiser Jr Principled Model Daniel M Doriani Redemptive Historical Model Kevin J Vanhoozer Drama of Redemption Model William J Webb Redemptive Movement Model Each position receives critiques from the proponents of the other views Moreover due to the far reaching implications this topic holds for biblical studies theology and church teaching this book includes three additional reflections by Christopher J H Wright Mark L Strauss and Al Wolters on the theological and practical interpretation of biblical texts The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

Beyond New Testament Theology Heikki Räisänen, 2000 This fascinating and comprehensive book first published in 1990 is as the original subtitle put it a story and a programme The story is that of the many attempts over the last two hundred years to write a theology of the New Testament from the pioneering J P Gabler to the present day Writing in Theology Robert Morgan describes it as surely the best available survey in any language and particularly useful for those less familiar with the German tradition However the book contains more than a survey the programme maps out the way that New Testament theology should proceed in the future The programme relates not only to subject matter but also to audience since in a secular society those who read the New Testament range far outside the confessions and churches As might be expected the reception for this radical thesis has been a mixed one but the importance of Professor Räisänen's work has been strongly

emphasized not least by Professor Gerd Theissen in his *A Theory of Primitive Christian Religion* This new edition contains a survey of the debate over the last decade and also elaborates further on the programme for the future in the light of recent developments Heikki Raisanen is Professor of New Testament Exegesis at the University of Helsinki

Moving Beyond New Testament Theology? Todd C. Penner, Caroline Vander Stichele, 2005 *New Testament Theology and the Greek Language* Stanley E. Porter, 2022-10-20 Offers a unique language based critique of New Testament theology and reconceptualizes it using categories of modern linguistics

New Testament Theology Frank J. Matera, 2007-01-01 In this systematic book by book exploration of the theology of each New Testament writing Frank J Matera explores theological diversity and unity in the writings of the New Testament After an introduction to the history and method of New Testament theology he explains and describes the theologies of the Synoptic Pauline and Johannine traditions as well as the rich theology of other New Testament voices Hebrews the Catholic Epistles and the book of Revelation Integrating both Protestant and Catholic approaches this work provides students pastors and scholars a comprehensive view of the New Testament that is rich in exegetical and theological insight

New Testament Theology and its Quest for Relevance Thomas R. Hatina, 2013-03-14 New Testament theology raises many questions not only within its own boundaries but also in relation to other fields such as history literary criticism sociology psychology history politics philosophy and religious studies But the overarching question concerns the relevance of two thousand year old writings in today's world How does one establish what is and is not relevant in the New Testament How does one communicate the ancient ideas presented in an alien language alien time and alien culture to a contemporary audience This book is intended to serve as a methodological introduction to the field of New Testament theology aimed at a range of readers undergraduate and Seminary students clergy and laypersons interested in the relevance of scripture It is a guide which aims to help readers understand how practitioners of New Testament theology have wrestled with the relationship between historical reconstruction of the New Testament and its interpretation in the modern world

New Testament Theology George Bradford Caird, 1995 Generations of students have known G B Caird as a penetrating and lucid guide to the many questions and problems posed by modern biblical study His brilliant commentaries on St Luke the Book of Revelation and St Paul's Prison Epistles as well as his other studies on theology and the Bible have won for him a place among the twentieth century's foremost biblical scholars This new and masterly presentation of New Testament theology completed and edited since the author's death by Professor L D Hurst takes the unique step of setting up an imaginary debate amongst the various authors of the New Testament themselves As central concepts predestination sin atonement the church sacrament ethics eschatology and christology are discussed between such figures as Luke Paul John and the author of Hebrews the work moves to its climax with a presentation of the theology of Jesus himself The result provides a particularly fresh and illuminating picture of the ideas at the heart of Christianity deserving a place on the shelf of every serious pastor theologian and student of the Bible

Theology of the New

Testament Frank S. Thielman, 2011-03-22 Studying the theology of the New Testament can be a daunting task even to the knowledgeable Bible student or pastor Each of the twenty seven books written by various authors has its own theological emphasis and nuances How do we elicit a coherent message from such theological diversity especially given that some of the theological statements in the New Testament seem to be at odds with one another Is such an endeavor achievable or even valid Theology of the New Testament takes a balanced approach in response to these challenges Frank Thielman presents a theology of the New Testament that is careful to take into account the cultural and historical circumstances surrounding each book and the New Testament as a whole He not only examines each book s theological content individually but also in relation to the rest of the New Testament particularly within each of the three theological units that comprise the New Testament the gospels and Acts the Pauline epistles and the general epistles and Revelation This canonical and synthetic approach honors both the theological diversity of the various books and the theological connections between the books In the end Thielman finds a unified theological vision of the New Testament anchored in the centrality of Jesus Christ Frank Thielman s Theology of the New Testament is an outstanding achievement The book is marked by scholarly depth exegetical rigor and theological profundity Both students and professors will profit immensely from this lucid treatment of the theology contained in the New Testament documents Thomas R Schreiner Professor of New Testament The Southern Baptist Theological Seminary An accessible presentation of the key theological points of the New Testament books by an accomplished New Testament scholar and teacher Its clear style lucid organization and sound theological insight make it a prime resource for serious students in both the academy and the church Karen H Jobes PhD Associate Professor of New Testament Westmont College

Beyond New Testament Theology Introduction

In the digital age, access to information has become easier than ever before. The ability to download Beyond New Testament Theology has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Beyond New Testament Theology has opened up a world of possibilities. Downloading Beyond New Testament Theology provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Beyond New Testament Theology has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Beyond New Testament Theology. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Beyond New Testament Theology. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Beyond New Testament Theology, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Beyond New Testament Theology has transformed the way we access information. With the convenience, cost-effectiveness, and

accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
