Beyond Talent Become Someone Who Gets Extraordinary Results:

Beyond Talent John C. Maxwell, 2011-04-19 New York Times best selling author John C Maxwell shows that talent is just the starting point for a successful impact in any organization It s what takes you beyond your talent that matters People everywhere are proving him right Read the headlines watch the highlights or just step out your front door Some talented people reach their full potential while others self destruct or remain trapped in mediocrity What makes the difference Maxwell the go to guru for business professionals across the globe insists that the choices people make not merely the skills they inherit propel them to greatness Among other truths successful people know that Belief lifts your talent Initiative activates your talent Focus directs your talent Preparation positions your talent Practice sharpens your talent Perseverance sustains your talent Character protects your talent and more It s what you add to your talent that makes the greatest difference With authentic examples and time tested wisdom Maxwell shares thirteen attributes you need to maximize your potential and live the life of your dreams You can have talent alone and fall short of your potential Or you can go beyond talent and really stand out *What Is Your Goal In Life?* Rev. Fr. Peter Obinna Umekwe, 2011-06-14 I encourage you to pick up this book for inspiration and a way to recharge your spiritual batteries It will strengthen your desire and remind you to have a brave and happy attitude in the pursuit of your goals Mrs Nancy Allen *What Is Your Goal In Life* goes beyond just success It touches on a wide range of attributes such as character attitude planning goal setting happiness and opportunity Our job now is to avail ourselves of this easy to read material and make the content our daily companion Dr Stephen Okosisi I must admit that I am highly inspired and above all challenged by some of the memorable and simple quotes in this book that I feel provoked to be more focused and determined in the pursuit of my set goals having in mind that winners never quit and quitters never win Rev Fr Chidi Ekpendu The Fearless Organization Amy C. Edmondson, 2025-10-22 Conquer the most essential adaptation to the knowledge economy The Fearless Organization Creating Psychological Safety in the Workplace for Learning Innovation and Growth offers practical guidance for teams and organizations who are serious about success in the modern economy With so much riding on innovation creativity and spark it is essential to attract and retain quality talent but what good does this talent do if no one is able to speak their mind The traditional culture of fitting in and going along spells doom in the knowledge economy Success requires a continuous influx of new ideas new challenges and critical thought and the interpersonal climate must not suppress silence ridicule or intimidate Not every idea is good and yes there are stupid questions and yes dissent can slow things down but talking through these things is an essential part of the creative process People must be allowed to voice half finished thoughts ask questions from left field and brainstorm out loud it creates a culture in which a minor flub or momentary lapse is no big deal and where actual mistakes are owned and corrected and where the next left field idea could be the next big thing This book explores this culture of psychological safety and provides a blueprint for bringing it to life The road is sometimes bumpy but succinct and informative scenario based explanations

provide a clear path forward to constant learning and healthy innovation Explore the link between psychological safety and high performance Create a culture where it s safe to express ideas ask questions and admit mistakes Nurture the level of engagement and candor required in today s knowledge economy Follow a step by step framework for establishing psychological safety in your team or organization Shed the yes men approach and step into real performance Fertilize creativity clarify goals achieve accountability redefine leadership and much more The Fearless Organization helps you bring about this most critical transformation
