world Does scripture attempt to explain this phenomenon or does the inspired word of God remain silent on this issue It was first proposed as a theory by the Scotsman Thomas Chalmers in the early 19th century that a gap in time existed between Genesis 1 1 and Genesis 1 2 This gap in time would encompass a ruin reconstruction theme and the existence of pre Adamic living beings Obviously a huge catastrophic event would have had to occur to produce this decadent state of the world The gap concept was later popularized by mention in the margin notes of the Scofield Reference Bible *The Academy and Literature* ,1904 **The Athenæum** ,1854 **American Railroad Journal, and Advocate of Internal Improvements** ,1833 *American Engineer, Car Builder and Railroad Journal* ,1833 The Athenaeum ,1854 Resting Places Scott Wilson,2016-08-19 In its third edition this massive reference work lists the final resting places of more than 14 000 people from a wide range of fields including politics the military the arts crime sports and popular culture Many entries are new to this edition Each listing provides birth and death dates a brief summary of the subject s claim to fame and their burial site location or as much as is known Grave location within a cemetery is provided in many cases as well as places of cremation and sites where ashes were scattered Source information is provided
