Beyond The Cut Read Online:

Beyond the Cut Sarah Castille, 2015-06-02 SHE S HOLDING ON TIGHT As a teen Dawn ran from a life on the streets straight into the arms of Jimmy Mad Dog Sanchez a biker who promised to be her knight in shining armor But his love was just another cage Years later Dawn s former life still has its hooks in her and she ll do whatever it takes to break free When Cade Ryder O Connor a member of a rival club makes her an offer Dawn finds herself in a different hotter kind of trouble with one irresistible Sinner WILL HE GIVE HER THE RIDE OF HER LIFE Cade is an outlaw biker with allegiance to one thing and one thing only The Sinner s Tribe Motorcycle Club But when it comes to the stunningly sexy fiercely independent Dawn Delgado Cade finds himself hungrier for more Trouble is on Dawn s heels and he wants to be the answer to her prayers whether she wants him to be or not What can t be denied is the red hot attraction between them However as they fall deeper the danger rises and Cade may have to sacrifice it all in *Beyond the Cut* by New York Times bestselling author Sarah Castille

Beyond the Genre Stefano Calzati, 2018-11-26 What is the cultural value of travel writing today How is the genre affected by instant communication and digital technologies This volume provides answers to these questions through adopting a transmedial perspective by comparing printed travel books and travel blogs Notably it explores how different editorial and medial choices impact on the cultural practices of travelling and writing Methodologically an ethnography is proposed via the discussion of a number of original interviews collected over three years with contemporary travel authors and bloggers who journeyed around and wrote about China These writers are from both the West the UK the USA Italy France New Zealand and China Hong Kong and the Mainland As such the volume not only deconstructs the English centredness and ethnocentrism that often affect travel writing as a genre as well as many studies on it but it also renews the academic debate on the politics behind the genre connecting the texts with their spheres of production and reception The study shows the interdependence between medial and literary features on the one hand and the ways of journeying and writing about the experience which largely depend upon the biography of each writer on the other Cut/Copy/Paste Whitney

Trettien, 2022-02-15 How do early modern media underlie today s digital creativity In *Cut Copy Paste* Whitney Trettien journeys to the fringes of the London print trade to uncover makerspaces and collaboratories where paper media were cut up and reassembled into radical bespoke publications Bringing these long forgotten objects back to life through hand curated digital resources Trettien shows how early experimental book hacks speak to the contemporary conditions of digital scholarship and publishing As a mixed media artifact itself *Cut Copy Paste* enacts for readers what Trettien argues that digital forms have the potential to decenter patriarchal histories of print From the religious household of Little Gidding whose biblical concordances and manuscripts exemplify protofeminist media innovation to the queer poetic assemblages of Edward Benlowes and the fragment albums of former shoemaker John Bagford *Cut Copy Paste* demonstrates history s relevance to our understanding of current media Tracing the lives and afterlives of amateur bookwork Trettien creates a

method for identifying and comprehending hybrid objects that resist familiar bibliographic and literary categories In the process she bears witness to the deep history of radical publishing with fragments and found materials With many of Cut Copy Paste s digital resources left thrillingly open for additions and revisions this book reimagines our ideas of publication while fostering a spirit of generosity and inclusivity An open invitation to cut copy and paste different histories it is an inspiration for students of publishing or the digital humanities as well as anyone interested in the past present and future of creativity
