Beyond The Ordinary Spirituality For Church Leaders:

Beyond the Ordinary Ben Campbell Johnson, Andrew Dreitzer, 2001 Over the Past few decades mainline Protestant congregations have not easily embraced the notion of spirituality As much as any aspect of church life spirituality has been misunderstood misused and resisted by both clergy and laity Yet times are changing Today many people feel a deep spiritual hunger and are out looking for fulfillment in a wide variety of settings In this new context mainline congregations need to awaken to the presence of the Spirit in their midst and equip leaders to nurture both the personal and corporate spirituality of their congregations Beyond the Ordinary is explicitly written to help church leaders who have had no formal training in spiritual formation Drawing from years of experience teaching Christian spirituality Ben Campbell Johnson and Andrew Dreitzer explore the spiritual dimensions of leadership looking in depth at the meaning of spirituality as it relates to the tasks of ministry This friendly inspiring book will enable readers to erase the negative stereotypes of spirituality and develop vital models and practices for the church today The book introduces a faithful understanding and practice of the spiritual life to those who have not yet dipped into the well that is Christian spirituality For those who have already tasted this water and still thirst it offers a way to dip even more deeply Chapters discuss the issues surrounding a meaningful spirituality for our changing times the importance of holding prayer and mission in tension and the crucial role of Scripture in the formation of our lives The authors also underscore the importance of vision myth and discernment in the spiritual life of the church And they discuss the power of spiritual practices like discernment and visioning for enhancing the spirituality of congregations and helping them become agents of social transformation Intended for personal and group use by pastors elders other church leaders and those preparing for service in the church the book includes questions for reflection and discussion as well as journaling exercises to encourage learning and growth

Spirituality in Ministerial Formation Andrew Mayes, 2009-10-01 This is a ground breaking study into a crucial area of theological education It traces the origin and evolution of the formation model of training and identifies what difference this paradigm makes to present practice It uncovers significant and surprising functions of prayer in the formational and learning process as discovered in empirical research informed by theological and psychological perspectives on prayer among a sample of newly ordained clergy and tutors The practical implications of the research are identified offering creative ideas for a renewed understanding and praxis of the role of prayer in learning This is essential reading for theological students and teachers alike and calls for a clearer articulation of a spirituality of education as needed by our present culture and context

The God who Speaks Ben Campbell Johnson, 2004 This is a print on demand book and is therefore non returnable As Christians we believe that God speaks that God has spoken to people down through the centuries and still speaks to us today But just how does God speak to us Has his speech changed over time And how do we hear the voice of God In this insightful book Ben Campbell Johnson explores the subject of divine speech highlighting its importance to faith and leading Christian believers into the practice of listening for God's voice in

daily life Johnson first explores the biblical foundations of divine communication tracing the ways that God has spoken to humankind from the calling of Abraham to the appearance of Jesus to the continuing work of the Spirit in the early church He then gleans important lessons about God's language from a wide range of Christian figures throughout history Polycarp Julian of Norwich Teresa of Avila Henri Nouwen and others As this historical record shows God communicates with us in a variety of ways In exploring these different modes of God's Speech Johnson deftly guides readers into the practice of intensive listening a way of posing issues to God and discerning his response Numerous anecdotes illuminate Johnson's discussion and each chapter ends with questions for reflection and discussion as well as suggestions for journaling Johnson concludes the book by recounting a number of personal experiences that vividly illustrate the value of learning to listen to God's voice At a time when many Christians hunger for a more personal meaningful connection with God this book shows readers how to discern divine language and forge a closer richer relationship with the God who speaks *Spiritual Building Blocks*

Marshall Welch, 2015-09-26 *Spiritual Building Blocks* takes the greatest commandment and uses it as the cornerstone in building a spiritual foundation to help notice God's presence in our everyday lives Part 1 begins by unpacking the greatest commandment into six essential parts God the self our neighbor our head our heart and our hands The opening chapters answer common questions about spirituality and its relationship with religion Part 2 presents a variety of spiritual practices and exercises using our head heart and hands as building blocks to nurture our spiritual lives as we love God the self and our neighbors Some of these practices may be new while others may be familiar but reframed in a new way Personal stories by everyday people illustrate many of these exercises *Spiritual Building Blocks* was written for individuals or small groups interested in deepening their spiritual lives **Soul Recreation** Tom Schwanda, 2012-04-11 Spiritually there is a great

hunger today for contemplative and more satisfying experiences with God Puritanism might seem to be an unlikely source for this yet few groups in the history of Christian spirituality have written more extensively or wisely on the subject Isaac Ambrose 1604-64 a relatively forgotten English Puritan developed a theological foundation for the spiritual life based upon the Christian's intimate union with Christ which the Puritans often called spiritual marriage Schwanda demonstrates that this vibrant relationship of union and communion with Jesus inspired by the Holy Spirit was manifested in a deep contemplative piety of gazing lovingly and gratefully upon God At the same time Ambrose did not neglect loving his neighbors This study reveals how heavenly meditation was one of the significant practices engaged by Ambrose to cultivate spiritual intimacy and enjoyment of God Further his experiential reading of Scripture in particular the Song of Songs provided him with a language of ravishment and delight in God This book provides a distinctively Protestant foundation for recovering the contemplative life while recognizing the significant contributions of the Western Catholic tradition **Ex**

from the North Park Symposium on the Theological Interpretation of Scripture The intent from the first has been to provide a forum for doing interdisciplinary theology from a biblical perspective for the benefit of the Church Each annual publication focuses on a topic crucial to the life of today's Church Additionally each issue contains an annotated bibliography and a sermon which makes it a practical guide for pastors EDITOR Dr Stephen Chester Associate Professor of New Testament North Park Theological Seminary EDITOR EMERITUS Dr Klyne R Snodgrass Paul W Brandel Professor of New Testament Studies at North Park Theological Seminary ASSOCIATE EDITOR Dr D Christopher Spinks Acquisitions Editor at Wipf and Stock Publishers EDITORIAL BOARD Terence E Fretheim Luther Seminary St Paul MN Richard B Hays Duke Divinity School Durham NC Jon R Stock Wipf and Stock Publishers Eugene OR Miroslav Volf Yale Divinity School New Haven CT John Wipf Wipf and Stock Publishers Eugene OR SUBSCRIPTION INFORMATION Individuals U S A and all other countries in U S funds 20 00 Students 12 00 Institutions 30 in the U S and 40 for international shipments in U S funds To subscribe Send pertinent information to Wipf and Stock Publishers at wipfandstock.com and indicate your preferred method of payment Back issues are available through Wipf and Stock Publishers Symposium on the Theological Interpretation of Scripture at North Park DETAILS For more information about the symposium click [here](#) INQUIRIES Other inquiries should be addressed to one of the following Dr Dennis Edwards Associate Professor of New Testament North Park Theological Seminary 3225 W Foster Ave Chicago IL 60625 Telephone 773 244 6238 Email sdredwards@northpark.edu Chris Spinks Acquisitions Editor Wipf and Stock Publishers 199 W 8th Ave Ste 3 Eugene OR 97401 Telephone 541 344 1528 Fax 541 344 1506 Email chris@wipfandstock.com

Spirit, Freedom and Power Angelo Ulisse Cettolin, 2016-07-21 The Pentecostal movement emerged at the turn of the twentieth century emphasizing the need for Christians to have a powerful experience of the Holy Spirit It advocated the return to a pristine early Spirituality in which empowerment by the Spirit was essential Recently Pentecostal and Charismatic movements are playing down the classic expressions and moving towards more mainline approaches As church movements develop they become more structured less spontaneous and more routine But is this always inevitable The author explores a contemporary Pentecostal movement to discover whether a radical spirituality still can effectively interface with a complex twenty first century world This insightful research finds a Pentecostal spirituality that is flexible adaptive and innovative and despite humble origins now is making inroads into the middle class While tensions over charismatic freedom remain the developing organizational structure is facilitating significant growth Valuable lessons for Christians of all persuasions are found and some creative theological developments are suggested for church structure and for expanding traditional understandings of baptism in the Holy Spirit

In Dying We Are Born Peter Bush, 2007-12-03 Deeply ingrained in Western culture and in the minds of most church leaders is the belief that there is a solution to every problem Peter bush offers a powerful challenge to this approach arguing that for new life energy and passion to arise in congregations they must die die to one way of being the church in order that a new way may rise Bush identifies two types of dying congregations

Some congregations need to close their doors bringing to an end years of ministry Other congregations need to dramatically change their culture and ways of doing ministry Such change may not entail literally closing the congregation s doors but it will require people giving up deeply held understandings of the life and purpose of the congregation All congregations Bush contends even ones that see themselves as healthy need to be prepared to die to take up their cross so God can make them alive A skillful storyteller Bush shows readers why churches must confront their mortality He examines the role of the prophetic leader who proclaims both the congregation s death and its resurrection He explores spiritual practices and the habits of wonder remember and risk taking for congregations that know they are dying or need to die Only by dying Bush says will a congregation find resurrection life given by God who raises the dead to life

Hearing God's Call Ben Campbell Johnson, 2002-10-08 God is still calling believers today just as He did in earlier times and God s empowering call extends to clergy and laity alike this book will help anyone seeking to hear God s call with greater clarity and act on it with greater conviction

BACK JACKET

Why O Lord? David J Cohen, 2013-03-08 The book begins by exploring a number of signposts in psalms scholarship which alert us to the value of psalms as a form of prayer The particular focus is lament psalms and their potential as a form of prayer for people engaging with distressing experiences in life What follows is a discussion of lament as a process and the areas of potential change for someone who uses these psalms for prayer The final section of the book includes stories of several people who prayed some of these psalms over a period of time It explores their responses and reflections in an attempt to evaluate the effectiveness of praying psalms such as these The book culminates with a chapter which invites the reader to pray some psalms of distress themselves with notes suggesting an appropriate ritual to follow and some ideas for further exploration David J Cohen s book *Why O Lord* provides a wonderful comprehensive view of the psalms of lament It is an encouragement to all Christian traditions to look with fresh eyes on the psalms as prayer and particularly the psalms of lament as our suffering and the suffering of many in our world needs the language to cry out to God in times of darkness The psalms express every human emotion and use a strong confidence that we can cry out to God and that God will hear our suffering and that transformation is possible Bringing the psalms of lament into ritual so aptly described by Cohen brings a new dimension to worship both personal and communal This book is an excellent academic and pastoral addition to our knowledge of the psalms Angela McCarthy lecturer in Theology at the University of Notre Dame Fremantle Australia National President of the Australian Academy of Liturgy
