Book Of Answers Lessons And Moments Of Life Volume 1:

The Band Director's Lessons About Life: Volume 1- 50 Parables on Life's Performance Cycle Donald Lee, 2019-11-15 It's tough to find your way in the no man's land between traditional religious dogma and New Age woo woo. Spiritual author and speaker Donald Lee masterfully reveals a common sense and universal view of spirituality in his new book of modern day parables. Do you feel adrift in a sea of conflict? Do you feel your life needs direction? Has your spiritual journey got you lost in the woods? The Band Director's Lessons About Life offers simple advice and relatable stories from your friendly neighborhood band director. Using music as a metaphor for life, each little parable begins with a story from school and ends with a reflection on the spiritual meaning of the story. How to Find your path. Be yourself. Persevere through struggles. Learn from failure and Love the process. Fifty stories and reflections to pick you up, dust you off and set you on your way. Or take five minutes before bed to read a parable. You'll sleep with a positive inspirational message in your mind. Donald Lee draws on decades as both a band director and a religion teacher to expertly craft band room vignettes that are both entertaining and illuminating. Whether you're a Sunday pew warmer, a hermit monk or a high mileage astral traveler, you'll find something to love, cherish and chuckle at in these fascinating stories. Pick up your copy today. If you pick up this collection, consider that you found a treasure. I do. It both entertains me and inspires me. Archbishop Gerard Pettipas C.Ss.R. Archbishop of Grouard McLennan. The stories made me laugh. The reflections made me think. These lessons are for everyone. Joanne Byfield, Journalist, Radio TV Producer.

"MY HORSE, MY TEACHER, MY FRIEND" A Collection Of Life Lessons, Observations & Reflections From A Life With Horses. Volume 1 Andree L. Ralph, 2015-06-18 There is a well known saying that when the student is ready the teacher will appear. Buddhist Proverb. Well, my teachers have appeared in the form of horses and continue to do so. Anyone who has spent any length of time around horses cannot have failed to have observed some of the profound lessons they are able to teach us. The question, however, is whether we have actually learnt from them. Inside the covers of this book, you will find some of those lessons that I am now sharing with you so that their legacy can grow and ripple outwards. There have been so many lessons, but these are some of the most important. They are presented through pictures, thoughts and observations including those given to me by our horses and ponies and also through some of the journal and blog entries I have made to illustrate the lesson. They are not in any particular order and can be read as a kind of journey as we have experienced them or as individual gifts of motivation and learning whichever suits you.
