Visual Cultures of the Ethnic Chinese in Indonesia Abidin

Kusno, 2016-10-06 Visual Cultures of the Ethnic Chinese in Indonesia explores how visual representations shaped and were shaped by how the ethnic Chinese confronted the period of economic dislocation and radical social change during Dutch colonialism and the nationalist struggles in the decolonized Indonesia including the post 1965 and 1998 social environments How did the ethnic Chinese communities represent themselves to both their domestic and outside world under the changing regimes of representation How did they visualize symbolically their place in Indonesian society How did the visual shape the ambiguities of the Chinese the perception of the economic identity and the forgetting of their involvement in politics cultures and histories of the nation More broadly how did the visual address the interconnectedness of domestic life the urban cultural milieu and ideologies of the state and the ruling class The book is a response to two paradoxical socio political phenomena whose convergence is shaping the experience and conceptualization of ethnic Chinese in Indonesia On the one hand the economic technological and cultural forces of colonialism and globalization have created conditions for the formation of ethnic Chinese capitalists while on the other the state generated identity and identification constituted the discourses of othering the ethnic Chinese as foreign minority

Alternative Representations of the Past Ying-Kit

Chan, Fei Chen, 2020-11-23 The relationship between the Chinese nation and its recent past has been fraught with contradictions and tensions This collection aims to make sense of this complex relationship and challenge the prevalent state centric and nation centric modes of history writing on modern China It explores alternative representations of the past and the salience of political conflicts and competitive histories in China highlighting the paradoxical similarities in such representations of the past from the late nineteenth century to the present Ultimately this book contributes to the ongoing discussion on the politics of interpreting the past and its many manifestations in both China and other societies This volume will contribute to the scholarly debate on the use of the past in national history Tze ki Hon City University of Hong Kong Alternative Representations of the Past presents a collection of essays that critically examine the ways in which the

contesting and contested enterprise of history has been politicized in China As memory is past made present the meticulous re evaluation of Chinese history by the contributors of this volume promises to offer readers valuable insights into contemporary China Chang Yau Hoon Associate Professor and Director Centre for Advanced Research Universiti Brunei Darussalam [XXXXXXXXXXXXXXXXXXXX XXXXXXXXXXXX XXXXXXXXXXXXXXXXXX](#), **Yogya Yogya** Herry Gendut Janarto,2020-12-02 Bisakah rasa kangen diurungkan atau setidaknya ditangguhkan Begitu terlintas kata Yogya di tirai benaknya hasrat hati Gayuh kontan menggembung untuk sesegera mungkin pulang pulaaang pulaaaaaaaang Ya ini sebetuk ikatan batin antara Gayuh dan Yogya Bukan hanya hasrat gelombang hati lelaki itu yang kangen pulang barangkali juga kota itu seolah ingin selalu dia sapa sambangi dan akrabi dengan hangat Ada timbal balik antara kota dan manusianya Buat Gayuh Yogya itu tempat lahir yang abadi Hubungan itu tidak akan pernah hilang sampai kapan pun Tak pula tergantikan Maka bagi Gayuh pulang ke Yogya merupakan sentimental journey Di Yogya bolehlah aku numpang bahagia gumam Gayuh dalam dalam **Bulletin of the Atomic Scientists** ,1966-06 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world **Portraits of Inspiring Chinese-Indonesian Women** Aimee Dawis,2010 *Breaking the Stereotype* Dewi Anggraeni,2010 Dewi Anggraeni wrote this book because she saw that many things which did not fit the ethnic Chinese stereotype in Indonesia were rarely brought to the public s attention as they were not easily slotted into the existing neat categories I wanted to break some of the issues I deemed important out of the editing black hole and present them as the core contents of a book because they were very significant not only for others to understand but for the ethnic Chinese to understand what was happening to and around themselves *Women and Politeness* Esther Kuntjara,2009-05 [Chinese Indonesians in Post-Suharto Indonesia](#) Wu-Ling Chong,2018-10-02 Selfish obscenely rich insular and opportunistic these remain how Chinese minorities in Indonesia are perceived by the indigenous population However far from being passive victims of discrimination and marginalisation Chong presents a forceful case in which Chinese Indonesians possess the agency to shape their future in the country particularly in the changing political business and socio cultural environment after the fall of Suharto While a lack of good governance that promotes the rule of law and accountability allows or even encourages some Chinese to maintain the status quo by perpetuating corrupt business practices inherited from Suharto s New Order regime there are other Chinese Indonesians who make full use of the democratic space opened up under the new administrations acting as agents of reform by participating in electoral politics and establishing inter ethnic socio cultural organisations Building on Anthony Giddens s structure agency theory and Pierre Bourdieu s notions of habitus and field Chong shows that the Chinese minorities have played an active role in the democratic process even though they continue to occupy an ambivalent position in Indonesia The Chinese Indonesians diverse strategies to safeguard their personal interests and cultural identities make a stimulating case study of what an ethnic minority could

do to make a difference Backed by formidable research Chong has produced an intriguing and original view of the political social and economic activity of the still precariously placed Chinese minority in Indonesia Donald L Horowitz Duke University author of *Constitutional Change and Democracy in Indonesia* In this illuminating study Chong traces the political economy of Indonesia's ethnic Chinese minority as they navigate the country's post 1998 politics which is more free but still lacks strong rule of law Focusing especially on Medan and Surabaya she analyses how some have strongly supported reforms while many continue old practices of surviving and profiting by participating in massive corruption and extortion Jeffrey A Winters Northwestern University author of *Oligarchy*
