Cattle Valley Box Set 3 Carol Lynne, 2013-12-13 Eye of the Beholder For a year Bo Lawson has tried to get closer to his boss Backbreaker Ranch foreman Rance Benning but the stubborn ex rodeo champion refuses to be swayed Bo can't understand Rance's aversion to being alone with him Could it be Bo's HIV status Rance noticed Bo the first day he laid eyes on him at Brynn's Bakery Since that time he's done anything and everything to stay away from the dangerous looking gardener with the chiselled six pack and tight fitting jeans Rance has seen what pity in a lover's eyes looks like and he doesn't plan on ever putting himself in that position again When one of the ranch's prize bucking bulls breaks through the fence and disappears Rance and Bo are thrust together to help find the one ton money maker Although Bo sees their forced time alone as an opportunity Rance sees it as torture Every minute with Bo threatens the secret Rance won't tell anyone least of all this dangerously sexy man Cattle Valley Days Saddle up Cattle Valley residents It's time for the annual Cattle Valley Days which means one thing Cowboys lots and lots of chapped cowboy butts We'll be checking in with some of your favourite couples from the past as well as meeting a few new residents Our old friends from the Good Time Boys will also be dropping by for the annual rodeo festivities So slap your spurs in and get ready for a wild ride Bent Not Broken After the tragedy at Cattle Valley Days Carol McGowan woke in the hospital to find George Manning hovering over her George confessed he'd fallen in love with her but Carol is skeptical She knows George is bisexual and has been in an ongoing secret affair for years She's been down that road before and ended up on the wrong side of lonely Carol learned from her previous relationship and isn't in any hurry to jump back into another ménage George Manning has spent the last nineteen years hiding his love for his closeted friend and country music legend Trick Allen After almost losing Carol George decides to grab hold of the love in front of him instead of the dream he's always chased Trick Allen spent years building his career With the reputation of being a typical love em and leave em superstar Trick hid his love for George from the rest of the world When presented with the choice of losing George forever or stepping out of the glittered closet he'd become accustomed to he is faced with the ultimate decision Is a real life worth risking his career Three people with very strong personalities try to blend love and home amidst a national outcry of vehemence Arm Candy Asa Montgomery is a hard man to figure out He's got millions of dollars in the bank a host of men vying for his bed and he's still miserable When a tragedy leaves him broken and battered Asa quickly finds out who his real friends are Left alone with only his household staff to nurse him back to health Asa realises he wants more than just a pretty man to adorn his bedroom Mario Benta was fooled by a rich man in the past They may say you're the only one for them but what they really mean is you're the only one until something younger and sexier comes along Despite Mario's growing attraction to Asa he'll be damned if he'll allow himself to be another man's arm candy When Asa sets out to change Mario's mind he'll discover it takes more than money to gain the heart of the ex Army Ranger Recipe for Love After years of living in fear Jay De Luca has finally found a safe haven in Cattle Valley Although he's beginning to open up around

his friends he's far from ready to get involved in another relationship. When handsome Erico Morrelli tries to hire him away from *Bodyguards in Love*: Carol Lynne, 2010-02 Brier's Bargain Love is always special but when you're a thirty-six-year-old man experiencing it for the first time it's everything. After spending his entire life in a hospital, Brier Blackstone is finally free to become the person he's always wanted to be. With the men of Three Partners Protection Agency as role models, how can he go wrong? And falling in love with bodyguard Jackson Benoit is a dream come true but the dream becomes a nightmare when Jackie is gravely injured in the line of duty. Feeling helpless, Brier makes a promise to God in exchange for his lover's life. One he intends to keep no matter what. Jackie Benoit cherishes the love he's found with Brier. When his new lover insists on testifying against a violent man from his past in order to fulfill a promise, Jackie has no choice but to try to stop him. If that doesn't work, Jackie will protect Brier with everything at his disposal. Seb's Surrender: After a lifetime of abuse, Jared Grant was rescued by Brier Blackstone and taken to one of the safest places he knew, the bodyguard dormitory of the Three Partners Protection Agency. For the first time, Jared is surrounded by men whose job it is to protect, not hurt him. One of his protectors, Sebastian James, knows a little something about abuse. Once a victim of abuse, before he and his brother were taken from an abusive household and put into separate foster homes, Seb learned to harden his heart as a way of survival. Now the soft-spoken and scared Jared threatens the shell Seb spent years fortifying. When Jared's tormentor threatens him from jail, it's up to Seb and the rest of the bodyguards to keep Jared safe until he can testify at his abuser's trial. However, the close contact might be more than Seb's hard shell can withstand.
