The Television Will Be Revolutionized, Second Edition

Amanda D Lotz, 2014-09-19 Incredibly prescient the revised edition updates its account to reflect an age when Hulu Netflix and Amazon are now competing for Emmy and Peabody Awards Henry Jenkins coauthor of Spreadable Media Creating Meaning and Value in a Networked Culture Many proclaimed the end of television in the early years of the twenty first century as capabilities and features of the boxes that occupied a central space in American living rooms for the preceding fifty years were radically remade In this revised second edition of her definitive book Amanda D Lotz proves that rumors of the death of television were greatly exaggerated and explores how new distribution and viewing technologies have resurrected the medium Shifts in the basic practices of making and distributing television have not been hastening its demise but redefining what we can do with it what we expect from it how we use it in short revolutionizing it Television as both a technology and a tool for cultural storytelling remains as important today as ever but it has changed in fundamental ways The Television Will Be Revolutionized provides a sophisticated history of the present examining television in what Lotz terms the post network era while providing frameworks for understanding the continued change in the medium The second edition addresses adjustments throughout the industry wrought by broadband delivered television such as Netflix YouTube and cross platform initiatives like TV Everywhere as well as how technologies such as tablets and smartphones have changed how and where we view Lotz begins to deconstruct the future of different kinds of television exploring how prized content live televised sports and linear viewing may all be television but very different types of television for both viewers and producers Through interviews with those working in the industry surveys of trade publications and consideration of an extensive array of popular shows Lotz takes us behind the screen to explore what is changing why it is changing and why the changes matter A thorough and engaging analysis Velvet Light Trap Thick with trade facts and figures Popular Communication
