Basic Training A Believers Guide To Spiritual Battle:

Basic Training Kim Freeman, 2003 Salvation through Jesus Christ is the most important decision anyone can make. It determines your eternal destiny and includes an abundant life starting the moment you said yes to Jesus as your Lord. But there is also an enemy who wants to steal, kill, and destroy your life if you let him. Believers need to know certain basic principles to recognize and fight against the attacks of the spiritual forces of evil. Dynamic Bible communicator and author Kim Freeman will inspire and equip you for spiritual warfare by opening your eyes to the simplest and most powerful weapons that are yours in Christ. All Christians have been drafted into an army that marches to battle against the dark forces of Satan. And not just for a once in a lifetime skirmish but as a daily call to arms, knowing that our spiritual enemies do not sleep or take days off. Discover how you can be prepared to not just survive spiritual warfare but be a true hero for the sake of God's Kingdom. Book jacket

A One on One Guide: Basic Training for Spiritual Combat Jay Carty, 2005-04-06 There is a battle raging and we are the objects of the fight between good and evil. Daily the enemy attacks us with anger, immorality, and priorities that push God out of the picture. But how do we fight an adversary that we can't see? When we choose to become aware of the battle, we can don protection and arm ourselves with the arsenal that God has given us. Learn why your prayers sometimes seem powerless, how you can resist temptation, and how to be delivered from the bondage of sin.

A Prayer Warrior's Guide to Spiritual Battle John Bornschein, 2016-04-27 We are in the middle of a spiritual war, and prayer is our most powerful weapon. So why do we often treat it like a last resort? Why do we struggle to prioritize our prayer life? God wants us to speak to Him, to draw closer to Him, to gain His wisdom and understanding, and even to change the world through our prayers. A Prayer Warrior's Guide to Spiritual Battle, edited by John Bornschein, the vice chairman of the National Day of Prayer Task Force and an executive member of the National Prayer Committee, explores the depth and power of a praying life. Contributors discuss obstacles to prayer, include inspirational stories, and provide resources to help everyone gain a greater understanding of this powerful tool God has given us.

Basic Training Kristopher "Boz" Boswell, 2025-10-14 It doesn't take storming the battlefield to feel the pressure of warfare. As Christians, we are constantly under attack from the enemies of the faith. This devotional will equip you with the training you need to know your enemies and know how to best defeat them. There is work to be done, soldier. Gear up and roll out.

The Beginner's Guide to Spiritual Warfare Neil T. Anderson, 2010-10-26 The exercise of spiritual warfare: what is it? Do you need special training? Do we need to confront evil, or does God do that for us? How do we relate as believers to Satan and demons? In *The Beginner's Guide to Spiritual Warfare*, Neil Anderson and Timothy Warner provide an overview of the battle between the kingdom of God and the kingdom of darkness, which affects every one of us. First, we need to know who we are in Christ. To help apply the victory Christ won over the enemy, the book gives basic practical instruction for obtaining ongoing victory in daily life. Topics covered include having a biblical worldview, knowing which God I serve, giving up my reluctance to be a warrior, and becoming fit for battle.

Training for Spiritual Warfare Steven Wiederwax, 2018-10-15 The Personality of God is the first book in a planned series called the Basic Training for Spiritual Warfare The Personality of God is based on Paul's writing to the Corinthians 1 Cor 14 12 and 2 Cor 3 18 and his comparison of looking into a mirror we see unclearly the face of God and how it becomes clearer and more distinct as we are changed into the image of God This reflection we see is of the spiritual image of God and not his physical image This truth begs for the answer to what is God's spiritual nature or what are the personality traits of God that comprise this nature The Personality of God strives to answer this question by addressing the nature of God as it is revealed in the Bible Using both historical and modern Bible commentaries on scripture that documents God's personality the traces the evolution of thought concerning God's individual personality traits is explored Additionally where appropriate the book cites Biblical dictionaries and lexicons to explore the original Hebrew and Greek meanings of the various words to describe God's personality and the challenges facing the translators of the various Bible versions faced in accurately portraying what was written by the authors of the different books of the Bible Isaiah wrote that God teaches us and that we learn precept upon precept line upon line a little here and a little there Is 28 10 Thus the Personality of God is intended to help teach us new precepts that our knowledge of God may increase The Personality of God is intended to help Christians to a greater knowledge and understanding of what it means to be more like God For Pastors and Sunday School teacher in can be used as a reference to help strengthen and encourage their congregation and students of becoming a strong witness for Christ
